**MOST WORSHIPFUL BROTHER
RAYMOND S. J. DANIELS
GRAND MASTER**

A BRIEF BIOGRAPHY OF OUR GRAND MASTER

M.W. Bro. Raymond S. J. Daniels was born in Orillia, Ontario, where he attended public and high school. At an early age, musical studies enabled him to become an organist and choirmaster serving at several churches in southern Ontario. He is a graduate of Wilfrid Laurier University with a degree in music and history and holds diplomas from the Royal Conservatory of Music, Toronto, and Trinity College of Music, London, England. His professional life was spent as a teacher, conductor, composer and keyboard performer. For twenty-three years he taught music and history at Eastwood Collegiate in Kitchener, where he helped establish the Arts Program. In 1991 he was awarded the K-W Arts Council Award for Music in recognition of artistic achievement in the community.

Daniels was initiated into Freemasonry, passed and raised in his father's lodge, Orillia No. 192, Orillia, in 1959. He served as Worshipful Master of New Hope Lodge No. 279, Cambridge (now Mystic Tie Lodge No. 279), and was the founding Worshipful Master of New Light Lodge No. 744, a daylight lodge instituted in Waterloo District in 2001. He is a member by affiliation of several lodges, and has been accorded Honorary Membership in others. Between 1999 and 2002 he served as Secretary to the Lodge of Instruction Team with M.W. Bro. C. Edwin Drew, the Custodian of the Work. Daniels was elected Grand Junior Warden 2000-2001, and was appointed to the Board of General Purposes in 2001, and subsequently elected in 2003 and 2005, where he served as Chairman of the Membership Resources Committee and the Committee on Masonic Education. He is the Grand Representative to the Grand Lodge of Quebec. Daniels was elected to the office of Deputy Grand Master at the Annual Communication in July 2007 and installed and invested as Grand Master on July 16, 2009.

Daniels is a member of several Appendant and Concordant bodies in both the York Rite and the Ancient and Accepted Scottish Rite. He is Past Principal of the Kitchener Chapter No. 117, Royal Arch Masons, Past Most Wise Sovereign of the Guelph Chapter Rose Croix and Past Senior Grand Deacon of the Grand Council of Allied Masonic Degrees of Canada. He was coroneted Honorary Inspector-General 33° Supreme Council of Canada in 2005 and was inducted into the Royal Order of Scotland in 2003. He is also a member of Mocha Temple, Ancient Arabic Order Nobles of the Mystic Shrine, and Preston Springs Chapter No. 208, Order of the Eastern Star. Daniels is a Fellow of the College of Freemasonry.

Since 1968, he has resided in Kitchener with his wife Brenda. Times of relaxation and refreshment are spent at their cottage in Muskoka.

GRAND LODGE A.F. & A.M. OF CANADA

PAST GRAND MASTERS

The Grand Master presented our Past Grand Masters who were present, namely: M.W. Bros. Robert E. Davies, Ronald E. Groshaw, William R. Pellow, C. Edwin Drew, Terence Shand, Donald H. Mumby, Gary L. Atkinson and Allan J. Petrisor. Grand Honours were given.

ADDRESS OF WELCOME TO GRAND LODGE

W. Bro. Ian MacFarlane, Master of Peel Lodge No. 468, Toronto West District, delivered the Address of Welcome, which was responded to by M.W. Bro. Raymond S. J. Daniels, Grand Master.

MINUTES

The Grand Secretary proceeded to read the Minutes of the last meeting held in Toronto, on July 15, 2009, when it was moved by M.W. Bro. D. H. Mumby, seconded by M.W. Bro. R. E. Groshaw, and resolved: That inasmuch as the Minutes of the last Annual Communication held in Toronto have been printed and distributed to all constituent lodges the same be now taken as read and confirmed.

RULES OF ORDER

As the Grand Secretary read the Rules of Order as prescribed by the Constitution of Grand Lodge, it was moved by M.W. Bro. A. J. Petrisor, seconded by M.W. Bro. W. R. Pellow, and resolved: That the Order of Business of this Annual Communication be changed at the discretion of the Grand Master.

M.W. Bro. Raymond S. J. Daniels announced that R.W. Bro. David E. Jacklin had accepted the request to serve as parliamentarian, and any controversial constitutional problems that may arise would be decided by Bro. Jacklin.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

It is my privilege to welcome you to Toronto for this 155th Annual Communication. By designating these annual meetings of Grand Lodge 'communications,' we define their real purpose. 'Communication' is an exchange of ideas and information. During these days when delegates of our lodges meet, both in formal conference and informal conversation, we have an opportunity to benefit from that personal interaction and fraternal intercourse with our Brethren that the vast geographical expanse of this provincial jurisdiction often precludes. Let me assure you, that those who live and practise Freemasonry anywhere in the province, however far removed from southern Ontario – Fort Frances in the west, Vankleek Hill in the east, or Geraldton in the north – your labours in the quarries are equally important to any success the Craft may enjoy. While distance may separate us, we are bound together in the mystic tie of fraternal affection and common cause.

I am especially delighted to welcome our Distinguished Guests visiting from other Grand Jurisdictions and the representatives of our concordant bodies. We are honoured by your presence and the officers and Members of Grand Lodge join me in wishing for you an enjoyable visit with us. Perhaps, while you are here, you will have an opportunity to enjoy some of the sites and pleasures that this great city of Toronto has to offer.

As the 74th Grand Master of this Grand Lodge, it is my humble duty to review the state of our Royal Art in this Grand Jurisdiction by cataloguing events, recognizing achievements, and raising a few matters of concern. Masonic leaders are in agreement that these are exciting times for Freemasonry in the western world. 'Exciting' is a descriptive term not often applied to the condition of the Craft. We are experiencing what is being characterized as the 21st Century Renaissance of Freemasonry. Opportunity knocks, and if we are able and willing to capitalize on the renewed interest evinced by a new generation of young men seeking admission to the mysteries and privileges of Ancient Freemasonry, the future is ensured.

GOALS AND OBJECTIVES

In my closing remarks last July I cited the words recorded in the sacred writings by the ancient Hebrew scribe as the theme of my term as Grand Master: "*Get Knowledge, get Wisdom, but with all thy getting, get Understanding.*" To understand the real and profound meaning of Freemasonry is the quest of every serious Mason, neophyte or veteran. Through study, reflection, discussion and discipline the student of Freemasonry makes slow but steady progress in the life-long journey of self-discovery he begins with his initiation. It is always a 'work in progress' because there is always more to discover. I also challenged every Worshipful Master to raise the standard of excellence in the performance of our Ritual Work. It is our Ritual that defines us and distinguishes us from every other organization, society, or club. Through our Ritual we transmit the ideas and ideals of Freemasonry to our initiates. In order to deliver Ritual 'from the heart' it must be memorized, or as we used to say in school days, 'learned by heart.'

NECROLOGY

During the year past we have had occasion again to mourn the loss of many faithful and well-loved Brethren. The Tablet Pages in the Proceedings record the passing of the Past Grand Lodge Officers and Recipients of the William Mercer Wilson Medal. There are vacant places in every lodge once occupied by true and faithful Brethren. *“And some there be, which have no memorial. Their bodies are buried in peace; but their name liveth for evermore.”* Masonic philosophy teaches us to regard death as the entrance to a better life, when we are initiated into greater light on another shore. It is our custom to honour and pay tribute to those we have loved and lost awhile. *“To live in the hearts we leave is not to die.”* (Thomas Campbell) We will miss them, but, being inspired by their example, we honour their memory by carrying forward the work they have passed on to us.

I will make mention of three representative Brethren, well known, respected and remembered by all of you: **R.W. Bro. Robert McGregor Oliphant** (1928-2009), P.D.D.G.M., was for many years the guiding force in the Wilson Districts Masonic Association and hosted the Wilson Districts Luncheon during the Annual Communication. **R.W. Bro. Myron Beathune** (1918-2009), P.D.D.G.M., instituted the Muskoka Lodge Summer Visitors Night and presided over the degree team, a continuing tradition. **R.W. Bro. Charles William Emmett** (1910-2010), P.G.J.D. and Grand First Principal, Royal Arch Masons of Canada in the Province of Ontario 1961-1962.

We were also saddened by the loss of three of our dedicated Masonic ladies: Kathy Campbell, wife of R.W. Bro. Donald A. Campbell, Joanne Lewis, wife of R.W. Bro. Thomas E. Lewis, and Bev Thompson, wife of R.W. Bro. Mark Thompson. These ladies had become well known and much loved members of the extended Masonic family. We will miss their charm and good company.

“There is a sacredness in tears. They are not the mark of weakness, but of power. They speak more eloquently than ten thousand tongues. They are messengers of overwhelming grief... and unspeakable love.” (Washington Irving)

We celebrate their lives, and cherish their memories in our hearts.

PAST RANK

I am pleased to grant Past Master rank for W. Bro. Craig Glenwright, Ontario Lodge No. 521, due to an amalgamation.

In accordance with and acting under the authority of Section 73 of the Constitution, I recommend that the rank and title of Past Grand Senior Warden (Honorary) be conferred upon **V.W. Bro. Allan Arbuckle**, **V.W. Bro. Lew Crocker**, and **W. Bro. George Mitchell**. V.W. Bro. Arbuckle has rendered outstanding service as Media Officer to the present and former Grand Master. For many years V.W. Bro. Lew Crocker has led the team responsible for the physical arrangements for the Annual Communication. W. Bro. and Imperial Sir George A. Mitchell, newly elected Imperial Potentate, Ancient Arabic Order Nobles of the Mystic Shrine, has brought great distinction to our Grand Jurisdiction. These three distinguished and worthy Brethren most certainly fulfill the requirements prescribed in the constitution: they are indeed recognized for their *“service, eminence, or ability.”*

WILLIAM MERCER WILSON MEDAL

During the year I was pleased to present the William Mercer Wilson Medal for meritorious service to **Bro. John Forsythe** (Riverdale J.R. Robertson Lodge No. 494), **Bro. Royale Wolfenden** (Defenders Lodge No. 590), **Bro. Edward Clark McKay** (St. Andrew's Lodge No. 62), **Bro. Arthur Horton** (Cope-Stone Lodge No. 373), and **Bro. Stuart McTavish** (Tecumseh Lodge No. 144). The Deputy Grand Master, and our ladies were able to join me in special evenings in the several lodges when presentations were made to these worthy and deserving brethren. Due to illness, it was necessary that the medals were presented to Bros. Forsythe and Wolfenden in hospital. However, I am delighted to report that both of these Brethren recovered sufficiently to return home and we hope to lodge. May all of these Brethren live long to enjoy the honour that was not only deserved but earned.

APPOINTMENTS

In accordance with and by the authority of Section 131(e) of the Constitution, I am pleased to recommend the re-appointment of R.W. Bro. H. Edward Standish and R.W. Bro. James C. Sutherland to a further three-year term of honorary membership on the Board of General Purposes.

I also recommend the re-appointment of M.W. Bro. Ronald E. Groshaw, chairman, M.W. Bro. C. Edwin Drew, and M.W. Bro. William R. Pellow, as members of the Awards Committee.

MERITORIOUS SERVICE AWARDS

The Grand Master's Award of Merit was established in 1988 by M.W. Bro. William R. Pellow to "*be awarded with great discrimination, selectivity and very judiciously to an outstanding Mason. He must have proven to be exceptional in devotion, loyalty, zeal and assiduity in both Masonic and community circles.*" The holders of the Grand Master's Award are a company of the most distinguished Masons. It is, therefore, my pleasant duty to recognize outstanding service to the Craft in Ontario by **R.W. Bro. Donald Lloyd Attridge** (Galt Lodge No. 279. Cambridge), **R.W. Bro. T. Richard Davies** (Harry L. Martyn Lodge No. 696, Toronto), **R.W. Bro. Robert Melville Taylor** (Pembroke Lodge No. 120, Pembroke). Each of these distinguished Masons, in his own sphere, has rendered devotion and dedication, enthusiasm and fervour in the service of humanity in general and to the welfare of this Grand Lodge in particular.

GRAND REPRESENTATIVES

I am pleased to accept on the recommendation of the respective Grand Masters, and herewith confirm the appointments of the following distinguished brethren as our Grand Representatives near the Grand Lodges of:

- | | |
|------------------------|------------------------------------|
| • Connecticut | R.W. Bro. Arthur R. Van Gasbeck |
| • Rhode Island | Bro. Gary Kaufman |
| • South Australia | V.W. Bro. R. L. Hancock |
| • New South Wales | R.W. Bro. Robert Francis Creighton |
| • Italy (Grand Orient) | Bro. Vittorio U. Betti |
| • Madagascar | Bro. Christian A. Razafimbahiny |

I am also privileged to recommend to the Grand Masters of the respective Grand Lodges, the appointment of the following Brethren as Grand Representatives of

their Grand Lodges near our Grand Lodge:

- | | |
|------------------|------------------------------|
| • New Brunswick | R.W. Bro. J. David Bell |
| • Nuevo Leon | R.W. Bro. James D. Kingston |
| • Panama | R.W. Bro. John A. Mittelhotz |
| • Philippines | V.W. Bro. Johnny P. Chua |
| • Santa Catarina | V.W. Bro. Louis C. Primeaux |

ESPECIAL COMMUNICATIONS OF GRAND LODGE

In October, an Especial Communication of Grand Lodge was held in Sudbury with the intention of taking Grand Lodge out to our Brethren, especially those who do not have the opportunity to attend the Annual Communication in Toronto. Five Masonic Districts were included: Algoma East, Nipissing East, Muskoka-Parry Sound, Sudbury-Manitoulin, Temiskaming. Grand Lodge was opened with due pomp and ceremony. Presentations were made by the Chairmen of selected committees and a panel discussion was conducted by the Deputy Grand Master. R.W. Bro. Samuel Kalinowsky was the motivational speaker at lunch. This event proved most successful, and will be repeated this coming year in Ottawa on Saturday, October 16, 2010. Such occasions provide an opportunity to interact with the Brethren, to listen and to learn.

INITIATIVES IN SUPPORT OF OUR CANADIAN TROOPS SERVING IN AFGHANISTAN

In July, I re-appointed the Ad Hoc Committee charged with the responsibility of establishing a lodge for our Brethren serving in the Canadian Armed Forces in Afghanistan. After five years of diligence and determination, under the leadership of R.W. Bro. William Lewis, District Deputy Grand Master of Prince Edward District, and Colonel in the Royal Canadian Air Force. Canada Lodge was opened by Dispensation and met under the authority of the Warrant of Trent Lodge No. 38, at Kandahar Air Base. W. Bro. Richard A. Fulford, PM of United Lodge No. 29, Brighton, was appointed to act as Worshipful Master. All the necessary paraphernalia was created and assembled. Bro. Harry Cooper, Liberty Lodge No. 419, Sarnia, and Bro. Larry Cooper, Twin City Lodge No. 509, Waterloo crafted and donated the working tools, lesser lights, and lodge box. Canada Lodge No. 532, Ajax, donated the Altar Cloth and Worshipful Master's Collar, and other lodges contributed aprons. We have received emails and reports from the Brethren that have attended this 'retreat of friendship and brotherly love' in the midst of battle. As there have been so many serious inquiries from the young men serving in Afghanistan about becoming Masons, careful consideration is being given to extending the terms of the Dispensation to allow initiations to be conferred.

As a token of our support, gratitude, and respect, I invited the Brethren to contribute to 'Coffee for our Troops.' R.W. Bro. Ted Williams, Ottawa, was named as Honorary Patron. In just a few months, \$41,000 was raised by voluntary contributions. With the generous cooperation of Tim Horton's Donuts, the full amount was used to purchase swipe cards in the value of \$10.00 each. Each card was placed in a folder inscribed, "*The Masons of Ontario Honour Your Service – THANK YOU*" with the Maple Leaf Square and Compasses. These were presented in a formal ceremony in June and distributed on Canada Day to the men and women serving in the Canadian Armed Forces in Afghanistan. I express my personal

appreciation to Bro. Alan Freedman, Canada Lodge No. 532, Ajax, who administered the Trust Fund on my behalf.

CONFERENCES

Together with the Deputy Grand Master and the Grand Secretary, I attended the Conference of Grand Masters of Masons of North America held February 21-23, 2010 in Arlington, Virginia. This annual conference is attended by Grand Masters and their delegations from the Grand Jurisdictions of United States, Canada, and Mexico, together with representatives from other countries as observers. The theme of the Conference, presided over by R.W. Bro. Thomas Sturgeon, Grand Master of Pennsylvania was "Inspired by our History – Embracing our Future." The 100th Anniversary of the George Washington National Memorial, celebrated on Bro. Washington's birthday, was the centrepiece of the Conference. It was my privilege to serve on the Planning Committee and with the assistance of the Deputy Grand Master, present a break-out session on membership, mentoring, engagement and commitment.

The All Canada Conference of our ten Grand Lodges was again held in Winnipeg at the end of March presided over by M.W. Bro. Donald Ross, Grand Master of the Grand Lodge of Quebec. Among the papers given, M.W. Bro. Reno Favretto, Grand Master of the Grand Lodge of Nova Scotia, gave a most insightful address on 'Guarding the West Gate' with reference to the challenges.

It was my great honour to be invited to attend the XVIIIth World Conference of Supreme Councils A&ASR held in Toronto, May 22-22 2010. Sovereign Grand Commanders, their delegations and observers presented papers on the theme "Whence and Wither Your Supreme Council." Sixty Supreme Councils were represented.

Earlier this month, Toronto played host to the 136th Imperial Council Sessions of the A.A.O.N.M.S. at which Imperial Sir George A. Mitchell, Past Master of Perfection Lodge No. 616, St. Catharines, was elected and installed Imperial Potentate. It was my privilege to bring greetings on behalf of the Freemasons of Ontario at the opening ceremonies. It is with great personal pride that I convey the congratulations of Grand Lodge to this outstanding Mason and extend our best wishes for his term in this high and important office. He is what I term a Shriner's Mason, and working together we look forward to creating even stronger bonds between our two great fraternal organizations. We should remember that for most people in the community, Shriners define Freemasonry with their philanthropy.

ANNUAL COMMUNICATIONS OF GRAND LODGES

Just as visitation between lodges and within the jurisdiction enlarges our vision and expands our horizons, fraternal visits with our sister Grand Jurisdictions provide productive opportunities to understand and appreciate the wider world of Freemasonry, to share experiences and compare approaches to our common goals. One always comes home with a deeper insight into the world-wide Universal Brotherhood of which we are a part.

RECOGNITION OF 100 YEARS OF SERVICE

In accordance with Section 394 of the Book of Constitution of Grand Lodge, I am pleased to grant permission for the following lodges to wear gold braided regalia, effective the dates indicated:

Port Arthur Lodge No. 499, Thunder Bay, as of October 28, 2011

Rose Lodge No. 500, Windsor, as of December 16, 2011

Connaught Lodge No. 501, Etobicoke, as of December 18, 2011

Coronation Lodge No. 502, Smithville, as of December 22, 2011

AMALGAMATIONS

On Monday, November 2, 2009, the amalgamation of Ontario Lodge No. 521, Dominion Lodge No. 598, and Palace Lodge No. 604 was conducted in Windsor to create Trinity Lodge No. 521. The amalgamation of Morning Star Lodge No. 309 and Clinton Lodge No. 254 took place in Carlow on December 9, 2009, to form Morning Star-Clinton Lodge No. 309. The District Deputy Grand Master of Algoma District, acting on my behalf, conducted the amalgamation of Thunder Bay Lodge No. 618 with Connaught Lodge No. 511 to become Connaught Lodge No. 511. With these amalgamations, the number of warranted lodges in Ontario now stands at 568.

LODGE BUILDINGS

The public perception of Freemasonry is influenced by the appearance of our lodge buildings. Those responsible for the maintenance of the building and the appearance of its grounds play an important role in creating a positive image. Long range planning, the election or appointment of directors able and willing to establish, administer and ensure the financial stability of the corporate structure, with foresight to guarantee the long-term viability of the building are practical necessities that are neglected at risk. Many of our buildings are not accessible to accommodate Brethren with limited mobility challenges. Fire and safety standards should be reviewed annually by the board or corporation responsible for the building. Some of our larger Masonic buildings in major urban centres are in a transitional period, requiring visionary, creative corporate solutions. During the year, members of the Lodge Finances Advisory Committee have been called upon and have been pleased to advise and assist. There have been several cooperative projects with community organization to share facilities. This we encourage as being of mutual benefit to both participating parties.

PUBLIC AWARENESS

At the beginning of my term, and in anticipation of the public interest that would be generated by the publication of Dan Brown's novel, The Lost Symbol, I appointed V.W. Bro. Allan Arbuckle as media officer. His assistance in obtaining press coverage, in particular, has been very productive and positive, and has resulted in front page articles in several major Canadian newspapers. It is important that any 'image advertising' of Freemasonry is based on fact, not fiction. Too long we have allowed ourselves to be fictionalized in novels and mythologized in films. Brown, early in the novel, has Professor Langdon respond to a question from one of his students, stating, "*If you want to know about Freemasonry, you would be better served to ask a Freemason.*" By raising the profile of Freemasonry and creating public interest, we have been given an unparalleled opportunity to 'set the record straight.' The documentary, "*Mozart Decoded: The Masonic Mystery*" which was produced in 2008 continues to receive frequent airings on television. In a related area, I was honoured to be named Honorary Patron for a performance of Mozart's Masonic Opera, "*The Magic Flute*" at the National Arts Centre in Ottawa sponsored by the Starlight Foundation. On Canada Day, July 1, 2010, I was honoured to officially open the Embro Highland Games, accompanied by several Grand Lodge Officers, in the company of members of Thistle Lodge No. 250.

GRAND MASTER'S PROJECT – PARTNERSHIP WITH BROCK UNIVERSITY

The Grand Master's Project to establish a centre for the study the impact Fraternalism in general and Freemasonry in particular has had on the history of this country over the past three centuries was launched with the inaugural Dr. Charles A. Sankey Lecture at Brock University on Saturday, April 17 2010. Bro. Dr. Andreas Onnefors, Sheffield University, delivered the lecture on "*Perspectives of Freemasonry from the Eighteenth Century to the Internet*" before an audience of almost five hundred comprised of Masons, faculty, students and others. This initiative was begun in 2006 when Heritage Lodge No. 730 donated a substantial sum to the preservation and maintenance of the vast collection of Masonic books and papers on deposit in the James Gibson Library and donated by R.W. Bro. Charles Sankey, R.W. Bro. Lawrence Runnalls, and others. It is my firm belief that, if we could establish credibility in the academic community as a legitimate subject for research and study, it would do much to restore Freemasonry to the place of respect it deserves and which it once enjoyed. To achieve this end, I appointed an Ad Hoc Committee (R.W. Bro. David Cameron, Chairman of the Committee on Masonic Education, R.W. Bro. Patrick McGrenere, member of the Committee on Audit and Finance, R.W. Bro. Charles Reid, Chairman of the Committee on Library, Museum, and Archives, R.W. Bro. Henry Krajewski, Chairman of the Committee on Public Awareness, and W. Bro. Dale Graham, Administrator and Registrar of the College of Freemasonry). Working in partnership with the Department of History at Brock University (Dr. David Schimmelpennick) we have been able to establish an agreement to work together to move toward a three-phase project: (1) Annual Lecture Series, (2) International Conference, and (3) Chair in Masonic Studies. I recommend that this committee be established as a Special Committee of Grand Lodge – the Committee on Partnership with Brock University. Clearly this is a very long range plan, and may not be fully executed in my lifetime. However, as Freemasons, we are in the business of planting seeds for trees under whose shade we do not expect to sit.

SPECIAL EVENTS

The International Plowing Match was held in Earlton, with the Grand Master's Meet and Greet on Thursday, September 24, 2009, in nearby Englehart. As part of the 150th Anniversary celebrations in Wilson Lodge No. 113, Waterford, on September 26, 2009, I unveiled a granite memorial dedicated to Universal Brotherhood commemorating an incident in the War of 1812. On All Saints' Day, Sunday, November 1, 2009, the Grand Master was invited to rededicate the cornerstone of All Saints' Anglican Church, Peterborough, on the occasion of the 100th Anniversary. The service was conducted by Archbishop Colin Johnson, Metropolitan of Ontario. On Remembrance Day, November 11, 2009, accompanied by more than 200 Masons and their families, I attended the Remembrance Day Services conducted by the Royal Canadian Legion in Guelph. The Grand Master was invited to be on the reviewing stand for the march past of veterans and service units in which the Masons also took part. The dedication of the Volume of the Sacred Law and Mosaic Pavement was conducted in St. John's Lodge No. 35, Cayuga, on November 5, and the newly installed Mosaic Pavement was dedicated in Wilmot Lodge No. 315 on December 10.

DISCIPLINE

Irregularities in the electoral procedure in one lodge made it necessary that the Grand Master, with the Grand Wardens, preside over a meeting to endeavour to restore peace, harmony, and unity in the lodge. Dispensation was granted to hold a second election, which the Grand Master conducted. While the officers of Grand Lodge can mediate, advise and regulate, only the officers and members of the lodge can resolve differences and overcome difficulties that arise within it. In most instances, these issues could be avoided if the Constitution were better known and followed. It is the duty of Grand Lodge to protect and enforce the Constitution.

The highest standard of moral and ethical behaviour is demanded of all Masons – *“maintaining a mode of life and conduct that is not only above reproach but is an example of good behaviour within the community.”* Unfortunately, a miniscule minority fail to live up to their high calling as men and as Masons. Several issues arising in lodges have resulted in the filing of a Masonic Complaint. These matters have been placed before the Discipline Committee for review, and will be brought before the Grand Lodge in the Report of the Discipline Committee. In particular, Brother A, having been found guilty of a criminal offence, I recommend that Brother A be expelled. Being in receipt of documentation that Brother B has been convicted and sentenced by the court, and acting under authority of Section 85, I recommend that Brother B be expelled.

In our daily round we often meet a man who displays all the characteristics of a Mason, but who is not a member of the fraternity. On the other hand, there are a few members in our lodges that, defined by their actions, are not Masons. Private piques and quarrels continue to disturb and fracture the fraternal environment in some lodges. Indiscriminate and irresponsible use of email correspondence continues to plague this Grand Jurisdiction. When differences arise between brethren, as they inevitably do, rather than attempting to settle them amicably as gentlemen ought, this widespread airing of grievances only serves to divide the lodge into warring factions. Far too many confrontational issues have come before the Grand Master, the Deputy Grand Master, and the Grand Secretary during the year. The obligations, charges, and lectures of our Ritual set a high standard of behaviour. Do we fully understand what we say on the floor of the lodge? Do we mean what we say? More to the point, do we practise what we preach? It has been said that every man that kneels at the Altar of Freemasonry, rises a different man. A true Mason plays the game of life according to different rules, both within and without the confines of the lodge room. Brotherly Love is the first of our fundamental principles. Read again the Summary of Ancient Charges and pause to consider the admonition to avoid *‘private piques and quarrels.’* Listen carefully to the definition of the ‘Ideal of a Freemason’ contained in the General Charge. I call upon every man who calls himself a Mason to press toward that mark of our high calling.

Earlier in this address I made mention of our ancient Ritual as being of the utmost importance. It is not enough to be able to recite the charges and lectures ‘word perfect.’ We must not only understand what we say on the floor of the lodge, we must believe and practise the excellent precepts those charges and lectures contain. Do we understand the meaning of what we say? Do we practise what we preach – both within and without the tyled recesses of the lodge? The perfect ashlar is, by definition, the symbol of an unattainable ideal – the eternal quest of every Mason to live a better life. *“Ah, but a Man’s reach should exceed his grasp, or*

what's a heaven for?" (Robert Browning)

At the Annual Communication in 1860, one hundred and fifty years ago, a motion was passed on recommendation of the Committee on Constitution and Regulations that *"every candidate should be presented with a copy of the constitution at the time of his initiation."* So it has been continued to the present day. The Constitution as amended is a compilation of the distilled wisdom of our forbears in office, and if the laws and regulations contained therein were observed and followed, many disruptive and divisive issues would never arise.

GRAND MASTER'S BANQUET

I am delighted to announce that the guest speaker at the Grand Master's Banquet will be M.W. Bro. Stephen Godfrey, Past Grand Master of the Grand Lodge of British Columbia and the Yukon. He is a profound thinker, a keen observer, and an eloquent orator. We are fortunate to have this erudite scholar with us this evening to inspire us with his perceptive insights into Freemasonry in the 21st Century.

ACKNOWLEDGMENTS AND APPRECIATION

The Members of the Board of General Purposes

It is often stated that 'Masonry is the science of service.' The Honorary, Elected, and Appointed Members of the Board of General Purposes constitute the administrative work-force of Grand Lodge. As Chairmen and Members of the several Standing and Special Committees, these dedicated men expend countless hours and unbounded energy to execute the policy and programs of Grand Lodge. To their diligence and hard work must go the credit for any progress and success we may enjoy. As you review the several reports contained in the Preliminary Reports now in your hands, you will gain some appreciation of the commitment to Freemasonry these men make – as a labour of love.

After serving as Grand Treasurer since 1993 and a Member of the Board of Purposes since 1979, **R.W. Bro. T. Richard Davies** is retiring at this Annual Communication. His record of distinguished service during those many years of financial volatility is unmatched for its prudent management of our resources. Bro. Davies has been a mentor to this Grand Lodge and valued advisor to nine successive Grand Masters. He has been Vice President of the Board of General Purposes, a member of the Committee on Benevolence, and before becoming Grand Treasurer, served as Chairman of the Audit and Finance Committee. As you now retire from this office, you leave a legacy for which we must be forever grateful.

Two long-serving members, **R.W. Bro. Brian K. Schweitzer** since 1995, and **R.W. Bro. James D. Kingston** since 2005, have retired from the Board. Bro. Schweitzer has been Chairman of the Committee on Fraternal Relations and Bro. Kingston has been Chairman of the Committee on Fraternal Correspondence. They have both served faithfully with competence and they will indeed be missed.

Although these brethren are retiring from the everyday, hands-on work of Grand Lodge, like any Past Master, I know that they will be available for advice and guidance to their successors when sought. We all know that there is no retirement age in Freemasonry!

The Past Grand Masters

The collective experience and wisdom of the Past Grand Masters provides a

supportive source of continuity and stability, without which the effectiveness of this Grand Lodge would be greatly diminished. I am personally grateful for the strong support and guidance they have provided. As members of the Ritual Committee, the Awards Committee, and the Committee on Fraternal Relations the Past Grand Masters continue to have an active role.

The Officers of Grand Lodge

The Grand Senior Warden, **R.W. Bro. Norman Mathie**, the Grand Junior Warden, **R.W. Bro. Robin Ward**, the Grand Registrar, **R.W. Bro. Patrick Gillespie**, the Grand Chaplain, **R.W. Bro. William White** have all been exemplary in the discharge of the duties of their respective offices. All have attended the Grand Master at many ceremonies and receptions. In particular, the Grand Chaplain has contributed several insightful papers from a theological point of view emphasizing the inclusiveness and universality as distinguishing qualities of the Craft. The Office of Grand Director of Ceremonies, as Aide-de-camp, chauffeur, confidant, and chief assistant to the Grand Master is the most demanding and exhausting of any in Grand Lodge. **R.W. Bro. John A. Mittelholtz** and his Lady Barbara have been of inestimable service throughout the year, setting the highest standard for this office in so many ways. As chief protocol officer for events and occasions attended by the Grand Master, Brother Mittelholtz has been most helpful. It is impossible to adequately express my gratitude for your care and keeping. The Assistant Grand Director of Ceremonies, **V.W. Bro. Louis C. Primeaux** and his Lady Joyce have travelled extensively through the year and have been great ambassadors for Freemasonry.

The District Deputy Grand Masters, acting as the personal representative of the Grand Master in the forty-four Districts of the Grand Jurisdiction, have fulfilled their duties as the 'on the spot' authority. Your diligence in reporting the condition of Masonry in your respective Districts and promoting the several Grand Lodge programs in your lodges is responsible for the progress and success we have enjoyed during this past year. The knowledge and experience you gained will continue to be a valuable resource in the District. Now as you enter the next phase of your Masonic journey as a Past Grand Lodge Officer, your benign guidance when asked for, I feel assured, will be freely given. Just remember, never begin a statement with, "*In my year ...!*"

Deputy Grand Master

R.W. Bro. D. Garry Dowling, as President of the Board of General Purposes and Chairman of the Management Committee has the impossible task of keeping everything running on track and on time. As we have adopted the Centres of Excellence administrative model, with expectations of accountability at all levels, the challenging work that the Deputy Grand Master has been able to accomplish cannot be adequately appreciated. His determination and perseverance in executing the cultural evolution necessary within the administrative structures of Grand Lodge are a mark of his managerial skill and ability and, I might add, extraordinary patience. His clear and focused sense of direction will achieve the goals that we have set. I am grateful for the friendship of such a colleague and associate.

Grand Secretary

M.W. Bro. Terence Shand, Grand Secretary, has provided invaluable and untold service as administrator, confidante, and advisor. His patience is phenomenal. I am so very grateful for the many extra hours he devotes to 'making the Grand Master look good.' Under his direction, the office staff, cheerfully and willingly go far beyond what might be expected of the day to day operations of the Grand Lodge Office. The pleasant atmosphere they create helps to make my regular visits to Hamilton enjoyable and productive. On behalf of all those Worshipful Masters, Lodge Secretaries, and members that rely on the office staff, I thank you for your efficiency and willingness to assist.

Custodian of the Work and the Lodge of Instruction Team

There is no more important work than that done by the Custodian of the Work, M.W. Bro. Donald H. Mumby, acting on behalf of the Ritual Committee, and the Lodge of Instruction Team. It is our Ritual that defines us, distinguishes us from every other society, organization, and club, and transmits the philosophy of Freemasonry to our Initiates. From the beginning, our Grand Lodge has placed great emphasis on the authorized Work. Among the primary objectives of my term in office is the encouragement of every Worshipful Master of every lodge to strive toward a higher standard of excellence in the performance of our rites and ceremonies. Both the Work (2009) and the Ceremony of Installation and Investiture (2010) have been enhanced with clarifying rubrics to assist all brethren to achieve competence and confidence in their ritual work, that all may be done decently and in order.

CONCLUSION

Perhaps the most satisfying and rewarding privilege of the office of Grand Master comes from the opportunity to personally meet and get to know a little better the members of our great Fraternity. You, the members of our lodges, are the ones that, by your actions, define Freemasonry in the home, in the workplace, and in the community. I take great pride in the community involvement and enthusiasm displayed in the Masonic activities you undertake in the neighbourhood. From experience, I know that you are among the finest men in this country, and I feel honoured to be in your presence. Knowing you has made me a better man. I cannot express the deep gratitude that I feel for the honour you have accorded by electing me to this high office. The cordial reception you always extend to the Grand Master and my lady Brenda is greatly appreciated and will remain cherished in memory. I must pay tribute to the patience, support, and encouragement that have been constant for more than four decades by my wife, Brenda.

I passionately believe that we are on the threshold of even greater opportunities. May the Great Architect, the Giver of every good gift, prosper the work done in His Name and to His Glory, and give us divine guidance and spiritual insight to chart the proper course ahead that will realize our potential and conform to the will of the Most High as we strive to serve humanity in the Cause of Good.

Raymond S. J. Daniels
Grand Master

Auditors' Report

To the Most Worshipful Grand Master,
Officers and Members of Grand Lodge A.F. & A.M. of
Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

We have audited the statement of financial position of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 2010 and the statements of operations and changes in fund balance, the statement of operations and changes in fund balances for the General and Segregated Funds, statement of expenses for the General Fund and the statement of Special Programme operations and changes in fund balance for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Organization as at April 30, 2010 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

The financial statements as at April 30, 2009 and for the year then ended were audited by other auditors who expressed an opinion without reservation on those statements in their report dated May 27, 2009.

Grand Lodge A.F. & A.M. of Canada in the Province of Ontario

Notes to the financial statements

April 30, 2010

1. Description of the organization

The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario is a not-for-profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario

The Organization is exempt from income tax under section 149 (1)(e) the Income Tax Act.

2. Changes in significant accounting policies

Capital disclosures

On May 1, 2009, the Organization adopted the Canadian Institute of Chartered Accountants ("CICA") Handbook Section 1535, "Capital disclosure". This section requires the disclosure of information about externally imposed capital requirements. The Organization's capital consists of net assets. Please refer to Note 3 and Note 16 for relevant disclosures. The adoption of this standard had no impact on the financial statements.

Financial statement concepts

On May 1, 2009, the Organization adopted the amendments to CICA Handbook Section 1540, Cash flow statement, Section 1751, Interim financial statements, Section 1000, Financial statement concepts, Section 4400, Financial statement information presented by not-for-profit organizations, Section 4460, Disclosure of related party transactions for not-for-profit organizations and Section 4470, Disclosure of allocated annual financial statements. The adoption of these amended standards had no impact on the financial statements.

EIC-173

On May 1, 2009, the Organization has adopted EIC-173, Credit risk and the fair value of financial assets and financial liabilities issued by the Emerging Issues Committee. This abstract requires that an entity's own credit risk (for financial liabilities) and the credit risk of the counterparty (for financial assets) should be taken into account in determining the fair value of financial assets and financial liabilities, including derivative instruments. The adoption of this abstract had no impact on the financial statements.

Future accounting changes

New accounting framework

The CICA will be issuing a new accounting framework applicable to not-for-profit organizations. Effective for fiscal years beginning on January 1, 2011, not-for-profit organizations will have to choose between International Financial Reporting Standards (IFRSs) and accounting standards for not-for-profit organizations, whichever suits them best. The Organization currently plans to adopt the new accounting standards for not-for-profit organizations for its fiscal year beginning on May 1, 2011; however the impact of this transition has not yet been determined.

3. Significant accounting policies

Fund accounting

The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario follows the restricted fund method of accounting for contributions.

The General Fund reports the organization's administrative activities.

Revenues and expenses related to Programme activities are reported only in the Programme Fund. During the year, the Organization closed the Programme Fund and, as such, the residual fund balance was transferred to the General Fund.

Revenues and expenses related to the 175th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are combined and reported in the Segregated Fund.

Grand Lodge A.F. & A.M. of Canada in the Province of Ontario

Notes to the financial statements

3. Significant accounting policies (continued)

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition.

Capital assets

Capital assets are carried at cost less accumulated amortization. Only expenditures in excess of \$5,000 are capitalized. Amortization is provided using the straight-line method as follows:

Computer equipment and workstations	3 years
-------------------------------------	---------

The donations-in-kind revenue used to acquire capital assets has been deferred and will be recognized as income at the same rate as the asset is depreciated in order to better match revenues and expenses.

Revenue recognition

Restricted contributions related to general operations are recognized as revenue of the General Fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Donated materials which would otherwise be paid for by the organization are recorded at fair market value when provided. The value of these donations-in-kind, as determined by the donor, amounted to \$40,020 in 2010 (2009 - \$61,000) and have been included in Masonic Child I.D. Program revenue - donations-in-kind, and capital assets for the year.

Foreign currency translation

Transactions denominated in foreign currencies are recorded in the accounts of the organization at the rate of exchange prevailing during the date of the transaction. Foreign translation gains and losses are recognized as revenue during the year in the General Fund. At year end monetary assets and liabilities denominated in a foreign currency are translated into Canadian dollars at year end rates of exchange.

Financial instruments

Financial instruments classified as held-for-trading are measured at fair value with changes in fair value recognized in the statement of operations. Financial assets classified as held-to-maturity or as loans and receivables and financial liabilities not classified as held-for-trading are measured at amortized cost,

The Organization has classified its financial instruments as follows:

Cash and cash equivalents	Held-for-trading
Receivables	Loans and receivables
Investments	Held-for-trading
Notes receivable	Loans and receivables
Accounts payables and accruals	Other liabilities

The Organization has chosen to continue to apply the requirements of Section 3861, Financial Instruments – Presentation and Disclosure in place of application of Sections 3862, Financial Instruments - Disclosures and 3863, Financial Instruments – Presentation.

Grand Lodge A.F. & A.M. of Canada in the Province of Ontario

Notes to the financial statements

April 30, 2010

3. Significant accounting policies (continued)

Use of estimates

In preparing the organization's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

	87,000	87,000

During the year, the Masonic Foundation donated computers and workstations in the amount of \$40,020 (2009 - \$61,000).

13. Related entities

The Board of Directors of both The Masonic Foundation of Ontario and Masonic Holdings consists of members of the Board of General Purposes of The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

The object of The Masonic Foundation of Ontario is to receive, maintain, manage, control and use donations exclusively for charitable purposes within Ontario. The Foundation is permitted to use its donations for the relief of poverty, the advancement of education and the advancement of other purposes beneficial to the community. The Foundation is committed to funding bursaries, hearing research, drug and substance abuse, education in the school systems and other specific and community projects which fall within its guidelines.

Title to the land and building, situated at 363 King Street West, Hamilton, Ontario was taken in the name of Masonic Holdings Inc., an entity incorporated as a not-for-profit corporation within the meaning of the Income Tax Act (Canada) and without share capital. Masonic Holdings Inc. was incorporated in 1957 to acquire and operate adequate premises for the administration, personnel and staff of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

14. Commitments

The organization has commitments for leases of office, museum and library space as well as office equipment with various expiry dates up to 2014. The approximate total commitment for each of the next four years is as follows:

15. Statement of cash flows

A statement of cash flows has not been provided since, in the opinion of the organization's management, it would not provide any additional meaningful information and cash flows from operating, investing and financing activities are readily apparent from the other financial statements.

16. Capital management

The organization considers its investments as capital and its capital management objective is to establish a strong investment base for future growth and to ensure future working capital needs are met. Grand Lodge has no externally imposed capital requirements.

17. Financial instruments

Financial risk

The value of a financial instrument can be affected by changes in interest rates, foreign exchange rates, equity and commodity prices and credit spreads.

Market risk

Market risk is the potential for loss from changes in the value of financial instruments.

The Grand Lodge is exposed to market risk in the investment portfolio as well as through non-trading activities. Market risk in investment activities is managed by the senior management of Grand Lodge and every investment transaction is guided by policy and regulatory limitations.

Interest rate risk

The interest rate risk is the risk that arises from fluctuations in interest rates and the degree of volatility of these rates. The organization does not use derivative instruments to reduce its exposure to interest rate risk.

Liquidity risk

Liquidity risk is the risk that the organization cannot meet a demand for cash or fund obligations as they come due. Liquidity risk also includes the risk of not being able to liquidate assets in a timely manner at a reasonable price. Management manages liquidity risk and monitors the cash and funding needs on a daily basis.

Fair value

The fair value of cash and cash equivalents, accrued dues, receivables, notes receivable and accounts payable and accrued liabilities approximate their carrying values due to their short-term maturity.

The fair value of investments in marketable securities are marked to their market value and approximate their carrying values.

18. Comparative figures

Certain comparative figures have been reclassified to conform with the presentation adopted for the current year.

REPORT OF THE GRAND TREASURER

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is indeed a pleasure for me to present my final report as your Grand Treasurer to say the finances, investments, and business profile of your Grand Lodge are in a strong and enviable position, perhaps as sound a position financially as has prevailed in many years.

Our year end Investment Portfolio has fully recovered from losses of one year earlier, to the point that we agreed with the proposal by Audit and Finance to set aside \$100,000 of these gains by transferring \$70,000 to the Commutation Fund and \$30,000 to the Memorial Fund, both of which are still somewhat underfunded given the rules relating to Commutation transfers and of the diminishing income of the Memorial Fund as compared with the level of demands related to our Benevolent grants.

Having said that our Investment Portfolio is sound with two thirds of it in quality bonds and the balance in proven dividend paying equities, we are mindful of the chaotic markets in Europe and caution we may yet be affected with market losses as a result. The future is never certain – as always.

This year marks the twentieth year since engaging professional management of our Investment Portfolio and the introduction of diversification into our equity strategy. There can be no doubt as to the wisdom of that decision taken at Grand Lodge in July 1990. We are entirely satisfied with the prudence and care exhibited by our Manager, Ms. Anne Strebel of Scotia Asset Management and recommend approval of our continuing that relationship on its existing terms, as well as the approval of our Investment Policy as detailed in the Preliminary Proceedings.

The report of the Audit and Finance Committee will provide details of all sources of income and all items of expense. We are essentially involved with a successful business operating on a \$750,000 budget, an increase of perhaps 50% over twenty years ago, in spite of the reality that our paying members have reduced by close to half over those same years.

Audit and Finance will also present the Budget for the year ahead, that Budget being the subject of considerable discussion with myself, the Grand Secretary, Grand Master and Management Committee. We wish to confirm that all budget items of revenue and expense are reviewed regularly by all of us on the Audit and Finance Committee, and we commend Grand Lodge Office for their commitment to operating within their approved budget guidelines.

I am pleased we have not had to increase our Per Capita since the increase instituted in 2006, but given our smaller numbers in membership and the inevitable effects of inflation, it is likely that a further increase from \$12 to perhaps \$15 will be necessary as early as one year hence. I say this to smooth the transition for the benefit of my successor.

Grand Lodge continues to be much blessed with solid leadership from the Grand Master and the Grand Secretary, and especially so with the loyal service of our small, but efficient staff. I have thoroughly enjoyed my long relationship with all those concerned.

I have had the unusual privilege of addressing this Body from this podium for each of the past thirty years! First, as chairman of Benevolence, then for several years as chairman of Audit and Finance and since 1994 as your Grand Treasurer. Those years have provided me with dozens of relationships and I will long cherish those wonderful friendships I have enjoyed as a result of my involvement on the Board. At the risk of overlooking some, I am nevertheless driven to acknowledge

just a few of those individuals. First, has to be my own Lodge Bro. – R.W. Bro. Alvin Anderson whom I served as his District Secretary in 1977 – 78 and without that experience would of course never have arrived at the portals of Grand Lodge. Then M.W. Bro. Robert E. Davies our long standing and revered Grand Secretary Emeritus who quickly got me involved with both Benevolence and Audit and Finance, both of which committees I have served (and chaired) ever since 1978! And, R.W. Bro. Thomas E. Lewis who Chaired Audit and Finance for substantial period in which I performed the duties of the Grand Treasurer.

There are several more to whom I am deeply indebted for the interest and support I have enjoyed over all these years. But, I will add my appreciation to M.W. Bro. Allan J, Petrisor who one year ago travelled to attend my Lodge on its 50th Anniversary and to present me with my 50 Year Pin. And, finally to our present Grand Master, M.W. Bro. Raymond S. J. Daniels, who also travelled to be with us in March at Harry L. Martyn Lodge for the Initiation Ceremony of my oldest grandson, Bro. Eric Davies.

So, I leave you all with rather mixed feelings while at the same time, feeling great pleasure and satisfaction at my service to the Fraternity and the many friendships I have derived therefrom.

Sincerely and fraternally submitted.

T. RICHARD DAVIES
Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

Printing and Publications

A number of publications have been updated and reprinted, they include: The Book of the Work, Booklets 1, 2, and 3, the E.A. and F.C. Ritual booklets and the Ceremony of Installation and Investiture of Officers of a Lodge.

Computerization

The upgrade of computer hardware and software is an ongoing process. An I.T. provider has been engaged and computer technology is being introduced to enhance office operations. Once again, it is requested that Masonic email transmissions include the lodge name and number on the subject line to ensure its identity as a Masonic message by office staff.

Warrants

Since the 2009 report: Corinthian Lodge No. 657 amalgamated with Doric Lodge No. 623 to become Doric Lodge No. 623, Ontario Lodge No. 521, Dominion Lodge No. 598 and Palace Lodge No. 604, amalgamated to become Trinity Lodge No. 521, Clinton Lodge No. 84 amalgamated with Morning Star Lodge No. 309 to become Morning Star-Clinton Lodge No. 309, and Connaught Lodge No. 511 amalgamated with Thunder Bay Lodge No. 618, to become Connaught Lodge No. 511.

Conferences

In February 2010, I attended 'The Conference of Grand Secretaries in North America,' held at Arlington, Virginia where several presentations such as: "Grand Lodge/Lodge Insurance programs," "Digitizing Historical Records," "Candidate Investigations," Computer Conferencing and Communications," together with a Masonic Charities panel discussion."

While at the conference, I represented the Canada Region on the North American, "Commission on Information for Recognition," where presentations for recognition and information was received from: Baja, California, Bolivia, Grande Oriente Paulista of Sao Paulo, Brazil, Bulgaria, Cyprus, Malta, Mozambique, Paraguay, and Slovakia, together with, four items of miscellaneous information. We need to remain diligent when examining documentation to determine legitimacy of origin prior to accepting visitors.

In March 2010, I accompanied our Grand Master and Deputy Grand Master to the "All Canada Conference" held at Winnipeg. The theme, "Visibility – Making the Best of Our Opportunities." A panel discussion ensued, moderated by the Grand Master, Quebec, with viewpoints from the Grand Master's of Newfoundland & Labrador, Ontario, Saskatchewan, and B.C. & Yukon. Each gave his viewpoint on the subject followed by a discussion. A paper, "All Canada Conference – Our Rich Heritage" was presented, and Breakout Sessions were held by four individual groups: Grand Masters, Deputy Grand Masters, Grand Secretaries and Observers, where a variety of topics were discussed. Reports were received from each jurisdiction by their respective Grand Master, together with, reports on: the Western Canada Conference, Conference of Grand Masters in North America and the Conference of Grand Secretaries in N.A. and Commission on Information for Recognition.

Secretary Seminars

During the past Masonic year Lodge Secretary Seminars were conducted in November at Woodstock, Elliot Lake, and Brantford, in January at Cambridge, and in May at Chatham and Hamilton covering a total of 19 Districts. Lodge Secretaries attended a half-day symposium dealing with recent constitutional changes and a review of the responsibilities of Lodge Secretary relative to our Book of Constitution. The sessions provide an excellent forum for friendly interaction of ideas and information to address concerns, and to overview the operations of our Grand Lodge office and its staff. Secretary seminars in the coming year, if requested, can be arranged through the District Deputy Grand Master.

Semi Annual Returns

As of this writing, four Semi-Annual Returns, due January 8, 2010, have not been received at the Grand Lodge office (an improvement over previous years). Subsequently, the July 8th return forms have not been mailed, negating the three principal officers an opportunity to vote at this Communication. A reminder . . . Section 300, Book of Constitution states, "Each lodge shall mail or otherwise deliver to the Grand Secretary, its returns and payments to Grand Lodge, semi-annually, on or before the 8th day of January and the 8th day of July each year." Please consider this responsibility an important one, particularly when considered in relation to Section 152 (p) Constitution of Grand Lodge, adopted July 2009.

Closing Remarks

There have been numerous lodges throughout our jurisdiction that have changed the office of lodge secretary. It is essential any replacement receive adequate information and training prior to assuming his arduous duties and not just left with several boxes of secretary data at his feet.

Grand Lodge staff is adjusting to the many changes taking place to enhance office operations. They continue as dedicated team players who take great pride in the service they provide. Each contributes to the *esprit de corps* enjoyed in our daily office activities.

We thank the great majority of lodge secretaries for the stellar service provided to their respective lodge. We commend those of you who conscientiously submit the required data and information in a timely manner.

Finally, to all those having dealings at the office, our thanks for your cooperation as we endeavor to provide the essential services necessary.

Respectfully and fraternally submitted.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

Question: Asked by W. Bro. Peter Renzland from Simcoe Lodge No. 644

Why do we not report the total number of Board Members eligible for voting?.

Response by Grand Master and Grand Secretary,

Answer: The number attending are reported and the number eligible are not considered pertinent to the process.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

Forty-four reports of the District Deputy Grand Masters were presented to the Deputy Grand Master and, on motion of Grand Secretary, seconded by M.W. Bro. Donald H. Mumby they were referred to the Board of General Purposes.

REPORT OF THE MANAGEMENT COMMITTEE

This Report was presented by R.W. Bro. D. G. Dowling, Chairman, and on motion of R.W. Bro. Daniels, seconded by R.W. Bro. D. G. Dowling, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present this report on behalf of the Members of the Management Committee. It was a pleasure this year to welcome R.W. Bro. H. Edward Standish to the Management Committee as an Appointed Member for a two-year term.

The objective of the Management Committee this year has been to transition from a reactive leadership group to a more proactive leadership group. Although not complete, the committee has made much progress and will continue the transition over the next year. Two major cultural shifts were required to make this happen: the first was the introduction of a new business model for getting work accomplished and the second was a renewed commitment to the Grand Lodge Strategic Plan.

Changing the Way We Do Business:

The year began with the introduction of a new organizational structure for the Board of General Purposes. A business model called the Centres of Excellence Model (COE) was

introduced, with two primary objectives: first, to assist the Board in becoming a more effective and productive leadership body; second to introduce a culture of accountability for our actions. It is important to note that the new structure and the focus on accountability has not altered the mandate of the committee as defined in the Book of Constitution, as it remains an advisory committee to the Grand Master and the Board of General Purposes.

Under this structure the Grand Lodge committees are grouped under a Centre of Excellence Leader (presently a Member of the Management Committee) whose job is to provide guidance and support to the committee chairmen, particularly with respect to achieving the goals of the Grand Lodge Strategic Plan.

To ensure that the organizational changes were understood and functioning as designed, the Management Committee challenged our Leaders with a number of short term initiatives, simply called Quick Hit projects. These projects were selected to test the new COE model while at the same time getting work done. For each project a clearly identified, measurable deliverable was documented and firm completion dates established. The chairmen and COEs were accountable for the delivery. Twenty Quick Hit projects were assigned to committee chairmen and their COE Leaders. 12 of the projects were completed successfully, 6 have been deferred and 2 are still under review. The 12 successfully completed projects include:

- Fraternal Review Restructuring
- Documented procedures for Constitution and Jurisprudence
- Powerpoint Best Practices
- D.D.G.M. Report Tracking
- Audio Conferencing
- Benevolence Cash Account
- MasoniCh.I.P. Financial Reporting
- Reflections Financial Reporting
- Management Committee Election Process
- Blood Donors' Reporting
- Grand Lodge Tent Rentals
- Evaluation of the Grand Lodge Committee Experience

Specific details of these projects may be found in the individual committee reports or are available upon request.

Where appropriate, deliverables from these projects were referred by the Management Committee to the Grand Master with recommendations for his approval to implement. With the approval of the Grand Master, these deliverables now form part of this report for approval and acceptance by this Board of General Purposes and Grand Lodge.

These Quick Hit projects served their purpose by delivering results, enabling the COE model to be understood by the Grand Lodge Committee Chairmen and lastly by providing input to enable us to modify the organizational changes based on project experiences as we moved forward.

Grand Lodge Strategic Plan:

In February 2009, a Strategic Planning Session was held for the Members of the Board of General Purposes (Honorary, Elected and Appointed). The purpose of the session was to review the current Five-Year Strategic Plan (at that time the plan for 2007–2012), evaluate progress made against the plan and finally update the plan for the next few years. Results of that session were reported on in last year's Proceedings. From that session, it became obvious that the key inhibitor to the success of the Strategic Plan was the lack of buy-in and commitment by the leadership of our Grand Lodge. Lack of understanding on how the plan could be translated into day-to-day committee work was also evident.

Without the commitment of our Leaders to the plan and a system that focused on accountability for the implementation of the plan, we were not making progress.

Therefore, much work had to be done to reaffirm the plan and ensure the language and content of the plan could be translated into actionable projects. Most importantly the accountability for comprehension and communication of the Strategic Plan had to be accepted by the Management Committee.

The Management Committee has accepted this accountability and in conjunction with the Long Range Planning Committee have worked hard at making the plan 'real' and using the plan to guide all our initiatives. Maintaining the Strategic Plan and planning for its execution ultimately results in a set of strategic projects that our Grand Lodge Committee

Chairmen and COEs have the accountability to implement.

The first concrete results of these efforts was the recommendation to the Grand Master on March 01, 2010, of a list of 9 strategic plan projects to be undertaken between March and December 2010. The Grand Master approved these projects for implementation and they are identified as follows:

- Project 2010-01: Leadership Identification and Succession Planning
- Project 2010-02: District Deputy Grand Master Training
- Project 2010-03: Strategy for Capturing the Interest of New Masons
- Project 2010-04: Ontario Mason Address Database
- Project 2010-05: Information Systems Strategy for Grand Lodge Committee Shared Computer Resources
- Project 2010-06: Grand Lodge Officer and Committee Chairmen Job Descriptions
- Project 2010-07: Establishment of Publishing Review Committee
- Project 2010-08: Proposal for MasoniC.h.I.P. Business Model
- Project 2010-09: Strategic Plan Tracking and Reporting

These projects have been assigned to Chairmen and COE Leaders and work is well underway. They are presented as part of this report for approval and acceptance by this Board of General Purposes and Grand Lodge.

Work continues on the Strategic Plan documents and the strategic planning process that must be adopted in order to ensure we are making progress in the attainment of our *Vision - "To ensure the timeless vitality of Freemasonry in Ontario."*

Results of those efforts will be presented to the Board of General Purposes and the Annual Communication separately from this report.

Committee Job Descriptions and Asset Inventories:

The Management Committee requested that each chairman submit a Committee Job Description that identifies the day-to-day activities of the committee – that is, those things that the committee must perform in order for this Grand Lodge to maintain its current position. While it is our Strategic Plan projects that move us along the path towards our Vision, it is our continued focus on the quality execution of our day-to-day activities that prevents us from stalling and taking a step back.

The Committee Job Descriptions will serve to:

- Communicate information to new committee members
- Enable succession planning and skill set matching
- Define our Strategic Plan starting point – we cannot measure progress towards any goal without knowing from Whence We Come

The Management Committee also requested that each chairman produce an asset inventory list – all materials, documents, Powerpoint presentations, etc. that belong to this Grand Lodge. This list provides the primary input for the building of a shared electronic document repository for use by all Grand Lodge Committees (see Project 2010–05 above) with the ultimate goal of getting all Grand Lodge property centralized off the laptops of the various committee chairmen and members.

White Papers:

Based on its commitment to proactive thinking, the members of the Management Committee each agreed to present and review one ‘white paper’ at each of our meetings. The papers presented were designed to foster discussion on visionary topics of significance to the future of this Grand Lodge. Several of the papers resulted in subsequent action, whereas others, not necessarily requiring action, raised awareness of a given topic among the members. The white papers presented for discussion included the following:

- The Operations of MasoniCh.I.P. (R.W. Bro. Paul Todd)
- The Impact of any Increase in the Assessment on current Grand Lodge Programmes (R.W. Bro. Ed Standish)
- Lodge and District Charitable Activities and Fundraising (R.W. Bro. Tom Hogeboom)
- Mentoring in the Future – Online or Virtual Mentoring (R.W. Bro. Terry McLean)

D.D.G.M. Reports:

Last year's changes in the Constitution pertinent to the submission of the D.D.G.M. Reports within 14 days of the Official Visit has enabled the Condition of Masonry Committee to draw the attention of the Management Committee to matters needing attention almost immediately without the prior long delays. A vote of thanks is extended to the members of the Condition of Masonry Committee for their double duty in dealing the review of two years of reports this term and to the District Deputy Grand Masters, District Secretaries and Lodge Secretaries for their part in helping us meet the Constitutional requirements.

Ontario Mason Magazine:

The fall issue of the magazine was a tremendous success. However, even with a professional 'scraping' of our addresses, we encountered significant Canada Post Return Mail charges. Project 2010-04 has been initiated to alleviate this problem. Success will be based on one key factor – the confidential electronic submission of mailing address for Lodge Members via the Lodge Secretaries to create the magazine mailing database. A pilot project is currently underway and Lodge Secretaries can expect to hear more early in the fall.

Special Programme Fund:

The operations of the Special Programme Fund had been put on hold last year, pending further review. In conjunction with the Audit and Finance Committee, the Management Committee completed that review and recommended to the Grand Master and the Grand Treasurer that the Special Programme Fund be abolished and that we transfer all remaining Funds to the Grand Lodge General Fund. The Special Programme Fund was almost depleted and had essentially outlived its usefulness. The only remaining significant draw on this fund was the, "Ontario Mason" magazine and revenues for the Fund were becoming negligible. This Fund has now been shut down.

MasoniCh.I.P.:

A task force was created to review all facets of the MasoniCh.I.P. programme around the jurisdiction and challenged with the job of recommending a business model that would support the ongoing success of MasoniCh.I.P. in Ontario.

The members of this task force are to be commended for the tremendous work they did in preparing a very professional document containing their recommendations. The Management Committee received, reviewed and unanimously approved their recommendations in principle and then asked the Task Force to continue with the next phase – preparation of a business plan for the implantation of the recommendations. That plan has been completed, approved by the Management Committee and the Grand Master and is being submitted to this Board of General Purposes and Grand Lodge for approval and implementation at this Board meeting and Annual Communication.

Lodge Buildings:

The Management Committee received and reviewed a proposal from the Lodge Buildings (Advisory) Committee related to Grand Lodge involvement in Lodge Buildings and Masonic Temple Corporations. After lengthy discussion, the Management Committee instructed the Deputy Grand Master to seek legal opinions on the recommendations. At the time of writing, this legal review has not yet been completed.

Audio Conferencing:

The Management Committee received and approved a proposal from the Deputy Grand Master and the Chairman of the Communications Committee to implement Audio Conferencing services for Grand Lodge committees. With the consent of the Grand Master, audio conferencing services were implemented on a trial basis from March – July 2010. A budget line item for 2010–2011 was submitted to Audit and Finance and approved. It is recommended that this Board of General Purposes and Grand Lodge approve the services be continued for 2010–2011.

Other Initiatives:

The Management Committee executed its day-to-day activities plan, which included:

- reviewing all committee budget requests and making recommendations to the Audit and Finance Committee.
- tracking and reporting on the status of all Quick Hit projects
- tracking and reporting on the progress of the new Strategic Plan projects
- distributing regular monthly accountability reports to all Honorary, Elected and Appointed Members of the Board of General Purposes and the Past Grand Masters
- providing communication and endorsement support to the two Grand Master's initiatives – Coffee For the Troops and Canada Lodge U.D., as well as to the Grand Master's Charitable Project – the Sankey Lecture series and the establishment of Academic Credibility for Freemasonry in Ontario
- supporting through organization and participation, the Grand Master's request to hold an Especial Communication of Grand Lodge in Sudbury in November 2009. A post mortem of the event was held and recommendations made to the Grand Master. Based on the recommendations, another Especial Communication is scheduled for Ottawa on October 16, 2010
- advising the Grand Master of our approval of the request for a constitutional change to make the D.D.G.M. Correspondence Course compulsory
- reviewing and supporting the recommendation of the Grand Treasurer to proceed with the Incorporation of Grand Lodge – see Audit and Finance Report
- requesting that the Grand Archivist, Grand Historian and Chairman of Library, Museum and Archives prepare a proposal for the preservation of Grand Lodge computerized records (proposal not complete at this time)
- reviewing Membership Initiatives developed by the Imperial Shrine for applicability to our Grand Lodge, resulting in two items accepted for future implementation and two items being added to white paper discussions
- approving recommendation, with support of Audit and Finance, to the Grand Master and Grand Secretary for enhanced audio support (portable microphones) for the Annual Board meeting and Communication
- participating in Leadership Development Committee Experience Survey
- preparation of the Management Committee Job Description and compilation of the Management Committee asset inventory

Grand Lodge Computer Services

Our strategic planning has identified as a high priority focus, the provision of modern, efficient and effective computer services for the Grand Lodge office, the Grand Lodge Committees and the Brethren of the jurisdiction as a whole.

Due to the heavy workload involved in the maintenance of day to day computer services for the Grand Lodge office, we have not been able to devote much effort to provision of these necessary services this year.

The Management Committee realizes the need to establish both a short and long term strategy for immediate implementation to address the current issues and concerns and create the foundation to lead us into the future and this work has begun. The Management Committee has established this as a top priority for the upcoming year.

In addition, the Grand Master asked the Management Committee to consider alternatives to managing the ever increasing load of the Grand Lodge Webmaster. Therefore, a new task force has been formed to review the website direction, strategy, and policy and procedures. This team is active and making good progress.

Summary

The Management Committee is making a concerted effort to lead by example in positively responding to the challenge of maximizing our leadership potential by accepting accountability for our actions.

We are indebted to the Grand Master for his support of those recommendations made to him and through him to the Board of General Purposes and Grand Lodge for their approval.

All of which is respectfully submitted on behalf of the dedicated members of the Committee: M.W. Bro. Raymond S. J. Daniels, Grand Master, R.W. Bros. Donald A. Campbell, Thomas W. Hogeboom, Terry A. McLean, H. Edward Standish, Paul. E. Todd,

James. C. Sutherland, Chairman of Audit and Finance, T. Richard Davies, Grand Treasurer. Thanks are also extended to M.W. Bro. Terence Shand, Grand Secretary for his assistance and support.

D. GARRY DOWLING, Chairman

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by R.W. Bro. F. Halpern, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Halpern, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee has received FIVE (5) proposed amendments to the Constitution of Grand Lodge for consideration.

1. The 1st "proposal" is to appoint each of the District Secretaries as an Assistant Grand Secretary rather than a Grand Steward.

Your committee finds this proposal **IRREGULAR**.

2. The 2nd "proposal" is to require a candidate for the position of District Deputy Grand Master to possess a certificate of completion of the District Deputy Grand Master's course by adding a new section to Section 50 of the Book of Constitution.

50. (a) A candidate for the office of District Deputy Grand Master must be a Past Master of a lodge of the district and be a resident thereof, or his place of residence must be considered by the Grand Master to be near enough to the district to enable such District Deputy Grand Master to discharge his duties and responsibilities to the district in a satisfactory manner.

(b) A candidate for the office of District Deputy Grand Master or Grand Registrar shall be in possession of a certificate of completion of the course for prospective District Deputy Grand Masters as offered by the College of Freemasonry.

(c) Should a Past Master, at the time of his election, be in office as Master of his lodge, and should his election be confirmed by the Grand Master, such election shall operate to vacate his office of Master, and a new election shall be held forthwith by the lodge.

Your committee finds this proposal **REGULAR**.

3. The 3rd "proposal" deals with PART VI, CHARGES, Summary of the Antient Charges and Regulations Item 11.

This proposal states that the existing section 11 be amended from, "You admit that it is not in the power of any man, or body of men, to make innovation in the body of Masonry." To: You admit that it is not in the power of any man, or body of men, to make innovation in the body of Masonry without the consent first obtained of the Grand Lodge" and making the appropriate corrections to the Ritual, in accordance with Sections 5, 6, and 7.

Your committee finds this proposal **IRREGULAR**.

4. The 4th "proposal" deals with Section 307, Form 6, Application for Initiation. It proposes that the Application Form be corrected by changing the words "being free by birth" to "being a free man" with the appropriate changes made to the Ritual, in accordance with Sections 5, 6, and 7.

Your committee finds this proposal **IRREGULAR**.

5. The 5th "proposal" deals with Section 113 (Powers and Duties of Grand Secretary) and suggests the addition of Subsection (q) to read: Report the number of Grand Lodge members to each annual meeting of Grand Lodge.

Your committee finds this proposal **IRREGULAR**.

All of which is respectfully submitted on behalf of the committee.

FREDERICK HALPERN, Chairman

Question: R. W. Bro. Philip G. Bowman, DDGM for Wilson South asked regarding Section 50 (b) when would it take affect.

Answer: Was advised Motions passed at an Annual Communication become affected when adopted.

Question: W. Bro. Peter Renzland, Simcoe Lodge No. 644
Why the irregularity of the proposal's 3, 4 & 5

Advised: They are deemed to be Ritual proposal's and not Constitutional proposals.

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. D. E. Jacklin, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. D. E. Jacklin, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year there were no Masonic trails or appeals from decisions rendered at Masonic trials. There was one request for a Certificate of Severance which was granted.

One appeal was heard from and decision of a reviewing committee appointed by the Grand Master and your committee is currently deliberating and will render its recommendation in the near future.

A few other matters require further investigation.

The Grand Secretary and Grand Master have dealt with a number of complaints that did not require any action by the Discipline Committee.

As Committee Chairman, I extend my thanks for the wise counsel of the members. All of which is respectfully and fraternally submitted.

DAVID E. JACKLIN, Chairman

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by R.W. Bro. B. K. Schweitzer, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. B. K. Schweitzer, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee on Fraternal Relations met in the boardroom at the Grand Lodge Memorial building on Tuesday March 23, 2010.

The committee reviewed and discussed four requests for Recognition, from the Grand Lodge of Montenegro, the Grand Lodge of Cyprus, the Grand Lodge of Mozambique and the Prince Hall Grand Lodge of North Carolina.

In considering these requests for recognition your committee looks at three important criteria:

- I. Legitimacy of Origin
- II. Territorial Sovereignty
- III. Adherence to the Ancient Landmarks.

Using these three standards, together with, information received from the requesting Grand Lodges and reports from the Commission on Information for Recognition of the Conference of Grand Masters of North America, the committee wishes to provide the following information and recommendation.

Grand Lodge of Montenegro:

- This Grand Lodge was formerly part of the Grand Lodge of Yugoslavia.
- The Grand Lodge of Montenegro was consecrated by The United Grand Lodge of Germany in May 2007.
- There are approximately 70 members working in 4 Lodges.
- The Commission on Information for Recognition in 2008 found that the Grand Lodge of Montenegro met the standards.

Grand Lodge of Cyprus:

- Consecrated in October 2006 by the Grand Lodge of Greece.
- Presently there are 2 Grand Lodges in Cyprus. The second is a District Grand Lodge of the United Grand of England.
- It appears the two can co-exist.

Grand Lodge of Mozambique:

- Consecrated in July 2009 by the Grand Lodge legal of Portugal.
- Currently have 3 lodges totaling 53 members.
- The committee recommends this request be held in abeyance.

Prince Hall Grand Lodge of North Carolina:

- 2008 the Grand Lodge of North Carolina recognized the Prince Hall Grand Lodge.
- Section 4 (b) of our Book of Constitution.

Since our meeting in March 2010 we have received two new requests for recognition. They are from the Grand Lodge of Bolivia and Grand Lodge of York Rite for Bolivia.

Grand Lodge of Bolivia.

This Grand Lodge was constituted in 1929 by the Grand Lodge of Chile. It currently has 71 Lodges working within its jurisdiction. The Grand Lodge of Bolivia does not share territory with any other Grand Lodge. They have also enclosed a copy of their Book of Constitution. The Grand Lodge of Bolivia is recognized by a number of Grand Lodges. The Commission for Recognition agrees that they meet the standards.

Grand Lodge of York Rite to Bolivia

This Grand Lodge was formed in May 2008. From their letter it appears they meet the qualifications, however It does not appear to have been constituted or consecrated by any regular Grand Lodge. It does not appear they have sovereignty of territory/ jurisdiction nor does it appear they have a treaty with the Grand Lodge of Bolivia. At the present time it operates in the area of the city of Cochabamba, Bolivia. The Commission for Recognition is of the opinion that the Grand Lodge of York Rite to Bolivia does not meet the standards.

Your committee recommends that our Grand Lodge extend recognize to the Prince Hall Grand Lodge of North Carolina, the Grand Lodge of Montenegro, the Grand Lodge of Cyprus and the Grand Lodge of Bolivia

Noteworthy:

Presently there are two Grand Lodge's in Portugal. We only recognize the Grand Lodge Legal of Portugal.

Another Grand Lodge is attempting to gain a foot hold in South Africa, calling itself The United Grand Lodge of South Africa. The Grand Lodge of South Africa is the only Grand Lodge operating as such, even though England, Scotland and Ireland continue to operate Districts and Lodges with the arrangements under which the Grand Lodge of South Africa was constituted in 1961.

It was reported that the European Grand Masters looking at establishing a Commission of Recognition similar to that of the North American commission. If this was a reality it would greatly enhance Masonry in Europe.

Each August our Grand Lodge circulates a list of Lodges and Grand Lodges that our Grand Lodge recognizes. You should find it located in the front of the Tyler's register.

I would like thank all members of the Committee for their knowledge and expertise.
Respectfully and fraternally submitted.

BRIAN K. SCHWEITZER, Chairman

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. William M. White, Grand Chaplain

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It was with trepidation, delight, humility, and hope that I accepted the request of our Grand Master, M.W. Bro. Raymond S. J. Daniels to serve this year as Grand Chaplain of this wonderful Grand Lodge. Trepidation, as I wondered if I would serve adequately especially considering my duties as an active parish priest – delight, to be able to work this way with a Grand Master for whom I have only deep respect and affection – humility, inasmuch as there are others more worthy in many ways – and hope that I could serve with honour the Craft which has given me so much and to which I feel a deep debt. It has been an inestimable privilege.

During the year, I had the pleasure which so many have observed, of some travel to various lodges and Masonic events, but I did not expect the delightful correspondence which happened throughout the year. When our forebears coined the phrase, “moveable or immovable,” they could not have imagined the Internet, but it is surely covered in those words. It was a quick way to accept where possible and decline when necessary, invitations to events. When due to parish responsibilities I was immovable, it made discussions moveable – at high speed! The working tools with which we teach our beautiful moral lessons were once high-level technology, and we must never eschew opportunities that new arts and sciences offer to spread the loving teachings of our fraternity. I was delighted by the breadth and depth of discussion with thoughtful brethren about the inter-relationship of various faiths and our beloved Craft.

At Grand Lodge, with the help of our Grand Secretary, M.W. Bro. Shand, I extended congratulations to the new District Deputy Grand Masters and offered my services, address, telephone number, and significantly, my email address. In early August, through that medium I sent them, the assistant Grand Chaplains and District Chaplains a letter entitled “*Some Suggestions for Prayer in Masonry*” to provide a few prayers acceptable to Masons of various faiths. In it, I invited brethren with other suitable prayers to share them. R.W. Bro. Doug Conway maintains extensive electronic mailing lists for distribution of such materials and my appreciation goes to him for this valuable service to our Craft. The response was overwhelming! Masons from all over our Grand jurisdiction expressed almost universal appreciation and sent a vast collection of offerings to share. They were edited and selected items distributed to more expressions of appreciation.

Next, a note was sent to help in planning banquet menus for events where various faiths might be represented. While the vegetarian option covers many needs, there are other tangible ways we can show respect for faiths different from those represented on planning committees. Again, widespread appreciation was expressed, and I thank all who offered such encouragement.

At the urging of M.W. Bro. Donald Mumby, I co-authored with my Brother of close and long-standing friendship, R.W. Bro. Michael Diamond, a paper entitled, “*The Bible: Fact or Fantasy.*” Parts of that were also disseminated throughout our Grand Jurisdiction.

There were also requests for clarifications, and suggestions, and even essays on Masonry and faith topics with requests for comments and suggestions. Many concerned prayer at Masonic ceremonies, and some even dealt with the proper use of the V.O.S.L. in our degrees and meetings. I offered help to both Masons and host clergy to prepare District Divine

Services. I deeply enjoyed all this thoughtful and insightful correspondence which fills the greatest part of my Grand Chaplain's binder.

Despite the advantage of new technologies, I also did some old-fashioned travelling in our jurisdiction. Nothing compares to the warm, welcoming grip and smile of a Brother. Parish responsibilities ending well after noon made it impossible to attend District Divine Services held during regular Sunday morning worship and difficult to attend distant Saturday evening events, but I was privileged to attend and participate in Friday evening events and many beautiful services later on Sunday afternoons. One particularly wonderful and special event was planned and led by our Grand Master when we opened an Especial Communication of Grand Lodge in Sudbury. Wisely, it was held on a Saturday morning, and with my lady Liesel, I travelled north to participate with members of Grand Lodge and brethren of Sudbury-Manitoulin District who were our most gracious, kind, and enthusiastic hosts.

As I write this the "season" seems to be only warming up and there is still much more travel, meetings, banquets and Masonic Worship on the calendar, including receptions for the Grand Master, Dedications, and District Divine Services. I anticipate it all with delight and gratitude. It is always wonderful to meet the brethren, particularly those with whom I have corresponded. The kindness and welcome extended to Liesel and me at every opportunity has been heartwarming, humbling and deeply appreciated.

It has been an inexpressible privilege to serve our gentle Craft in this office, and it will be a pleasure to honour my successor when appointed and invested. As I turn over the Grand Chaplain's cuffs and prayer stole, I offer him my encouragement, support, respect and any help or perspective I can give. To our Grand Lodge I offer whatever services I can give as a resource person, sounding board or just an admiring Past Grand Lodge Officer, happy and respectful on the sidelines.

My sincere thanks go first to our Grand Master for his confidence and support given me, deeply respecting his wisdom, energy, intelligence, and commitment to the important work of the Craft. Thanks to the Grand Lodge Officers and Members of the Board of General Purposes, the Grand Secretary, Grand Lodge office staff, District Deputy Grand Masters, Assistant Grand Chaplains, and the District Chaplains for their enthusiasm and energies invested in the faith and worship work of Masonry and all our undertakings. Earnest thanks go to my mother Lodge, Oakridge No. 708 for support, encouragement, and honours, and once again, to my church wardens and congregations for encouraging me to undertake this commitment away from our parish. Most especially I thank my beloved Liesel for her unflinching support, encouragement, patience and understanding.

And now finally, to those present and to all who read this message: Blessed be the Great Architect of the Universe who has designed us, created us, preserved us, and loved us as his own. May he continue to bless and keep our Order and be merciful and compassionate to you and me, to those we love, and to those we ought to love, as he has from the beginning. May our work be always undertaken and completed with the reverence due the creature to our Creator, and our efforts for one another and all his creation be adorned and met with his grace and heavenly blessing and benediction. Finally at the end, may he welcome each of us with his never-ending love when we lay down our tools and enter the Grand Lodge Above where he rules as the Most High for all eternity. Amen, amen, so mote it be, Amen.

Respectfully and affectionately submitted.

REV. WILLIAM M. WHITE, Grand Chaplain

REPORT ON THE MASONIC FOUNDATION OF ONTARIO

This Report was presented by R.W. Bro. A. Douglas Nichols, President

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren.

This Report does not appear in the Preliminary Proceedings.

On behalf of the Board of Directors I am pleased to present this report on The Masonic Foundation of Ontario to the one hundred and fifty-fifth Annual Communication of Grand Lodge.

Year in Review: On Tuesday morning it was my privilege to preside over the forty seventh annual meeting of The Masonic Foundation of Ontario and present the 2010 Annual Report to the assembled members and guests. The annual report highlights the regular, ongoing activities of the Foundation, as described by the Directors, and I highly recommend it for your perusal. The report was widely circulated at the Foundation's information booth, and extra copies are available from the Foundation's office. All lodges in Ontario will be furnished with a copy and the report will be posted on the Foundation's website shortly (masonicfoundation.on.ca). As you read through the report, you will appreciate the wide spectrum of social needs addressed by the Foundation. Our main focus has always been the needs of children and young people, but we have not ignored our "more experienced" generation.

Financially, the Foundation grew by \$2 million, spurred mainly by investment income, the result of a recovering economy and the addition of bequests near the end of the last fiscal year. Details of the financial position and operating results may be found in the annual report.

We were very pleased that twenty-six Districts registered their District charity projects with the Foundation and received, or will receive, a financial bonus from the Foundation upon presentation of the proceeds of their work to their local charity. District charity projects are important in making communities better places to live and work, and the Foundation encourages, and is very supportive of, this activity. We thank the District Deputy Grand Masters and their fund raisers for their hard work.

During the year we updated and refreshed our website to make it more user friendly, easier to navigate and easier for our webmaster to update. We hope this medium of communication will continue to improve as time goes by.

Appreciation: At the conclusion of the 2009 annual general meeting, Sam Kalinowsky retired after nine years as a Director, Vice-president, and for the last five years of that term, President of the Foundation. Under his leadership the capital of the Foundation grew by 40%. His energy and enthusiasm have been an inspiration to the Board of Directors and we are most fortunate to have had the benefit of his leadership and dedication.

The Foundation continues to enjoy tremendous support from the Grand Master, and, indeed, the whole of Grand Lodge, and for this we are grateful.

This year marks the conclusion of the six year term of Director and Vice-president Allan C. Dvorak. Al has exemplified great leadership skills and we wish him every success as he assumes new and greater responsibilities in our masonic family. We thank him for his passionate devotion and expertise.

No organization could function without the unsung heroes of administration. We are fortunate to enjoy the excellence of Mel Duke, Secretary, and Marlene Victor, administrative assistant. Without their dedication and support the Foundation would not enjoy its current success. The Directors salute them for their hard work.

On a personal note, I have enjoyed the support and confidence of the Board of Directors and am thankful for their devotion to the Foundation.

Looking Ahead: At Tuesday's annual general meeting of the Foundation, Gary J. Bryan was elected to the Board of Directors. Gary begins a wealth of investment expertise and experience to the Foundation; we welcome him and look forward to working with him over the next several years.

Last year we enjoyed an increase in the number of Districts registering their District charity project with the Foundation. We will work hard again this year to support the Districts and the DDGMs in any way we can to make their projects as successful as they can possibly be. We are available to assist you. Just ask.

We have begun the process of examining our commitment to our longstanding funding of programs to ensure we are meeting our mandate and fulfilling the needs of society in the most effective and efficient manner. A committee has been struck to examine our programs in detail and make recommendations to the Board of Directors. This is an important initiative and will take some time to complete and implement.

We will continue to strive to make the Foundation the charity of choice of the Masons of Ontario...for the cause of good.

All of which is respectfully submitted on behalf of the Board of Directors, Officers, and Committee Chairmen of the Masonic Foundation of Ontario.

A. DOUGLAS NICHOLS, President

**REPORT OF THE COMMITTEE ON
AUDIT AND FINANCE**

This Report was presented by R.W. Bro. J. C. Sutherland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. J. C. Sutherland, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

What a difference a year makes. This past year has seen a strong and steady improvement in the value of the assets held by Grand Lodge and the income derived from those assets. The decision made by the Grand Treasurer and this committee to stay invested in equities has been rewarded. Over the past year the trend has been upward in the stock market. I am sure there will be setbacks going forward, but your committee has great confidence in the quality of our investments and in the management of those investments by Scotia Cassels.

The only piece of bad news received was the announcement by our long serving Grand Treasurer that he would not be standing for re-election. When I assumed the position of chairman of this committee the financial markets were in turmoil. Our Grand Treasurer was contemplating retirement at that time, but felt a duty not to leave Grand Lodge during this period of uncertainty and transition. I know Grand Lodge appreciates all that he has done for the Masons of Ontario, but this chairman is especially thankful for all his guidance and the wealth of knowledge he has brought to the committee. I know he will be available to assist our new Grand Treasurer if needed. I only hope he can also find time to accept the occasional call from a Chairman who may require his wise counsel.

The past year has been quite busy for your Audit & Finance Committee.

ACTIVITIES

1. The committee reviews the financial statements of Grand Lodge on a monthly basis. The income and expenditures are compared to the budget. Once again we congratulate the various Grand Lodge committees and the staff of Grand Lodge for the prudent manner in which they have managed the funds of Grand Lodge.
2. The annual reports of the Grand Secretary, the Grand Treasurer and the Auditors have been reviewed and the committee recommends the adoption of these reports.
3. Your committee maintains a 5 year rolling budget in an effort to anticipate the financial needs of Grand Lodge in the future. Our projections show the need to increase the assessment in the very near future in order to prevent our operation from falling into a deficit position.
4. Your committee reviews the Commutation Fund and Memorial Fund regarding present demands and anticipated future demands. Indications are that we will have to add additional funds or reduce the demands on these funds as we go forward.
5. We continue to monitor the Grand Lodge Insurance Program. The number of lodges and lodge building corporations participating in this program continues to increase.
6. The insurance policies for Grand Lodge have been reviewed to make sure coverage is adequate and as comprehensive as possible.

Project Accomplishments:

1. A review of the Grand Lodge Pension Plan was completed. Your committee along with the Grand Master, Deputy Grand Master and the Grand Treasurer determined that Grand Lodge would no longer be the trustees of the Pension Plan and that the funds in the plan should be moved from Scotia Cassels to a Pension Plan Administrator. After reviewing 5 quotes, the Grand Lodge Pension Plan was moved effective January 1, 2010, to Manulife Financial. Going forward this committee will review the performance of the Pension Plan yearly.
2. A financial reporting form was devised and put in place for MasoniCHIP, the College of Freemasonry and the Newsletter Reflections. These committees are filing quarterly financial statements with this committee.
3. With the assistance of R.W. Bro. Ed Standish from the Management Committee, quotes for the annual audit for Grand Lodge and Masonic Holdings were solicited from 4 firms plus our current auditors. After a review of those quotes the audit responsibilities for Grand Lodge and Masonic Holdings have been moved from Grant Thornton to Deloitte LLP.
4. Based on our review of the Commutation Fund and the Memorial Fund we have transferred \$100,000 from the General Fund with \$30,000 being placed in the Memorial Fund and \$70,000 in the Commutation Fund.
5. As reported last year we have completed the closing of the Special Program Fund and the remaining funds have been transferred to the General Fund.

Committee Recommendations:

1. After exploring the pros and cons of incorporating Grand Lodge, your committee recommends that Grand Lodge proceed with incorporation. This incorporation will provide another layer of protection for the members and assets of Grand Lodge.
2. Your committee recommends that Grand Lodge begin consideration of an increase in the annual Grand Lodge assessment. Our budget projections for future years show that by 2013 or 2014 this Grand Lodge will fall into a deficit position if there is no change in the assessment.
3. Your committee recommends, if it is possible, to reduce withdrawals from the Commutation Fund to maintain the actuarial soundness of this fund.
4. Your committee anticipates increased demands on the Memorial Fund and Grand Lodge should look at increasing the assets in this fund in an effort to increase the income generated as long as interest rates remain at low levels.

INVESTMENT PORTFOLIO

Your committee met with Scotia Cassels Investment Counsel Limited 3 times during the past year to review our investments and the income generated by those investments. The overall Investment Portfolio of Grand Lodge as of April 30, 2010, stood at \$4,307,375 compared to \$4,040,600 on April 30, 2009. All our investments have been marked to market value. The increase in value is due to the strong rally in the stock market over the past year.

We recommend that Scotia Cassels Investment Counsel Limited continue to be engaged as the Grand Lodge portfolio managers.

FINANCIAL STATEMENTS

The audited financial statements for Grand Lodge for the year ending April 30, 2010, were reviewed and discussed in detail with our auditors, Deloitte LLP at a June 2, 2010, meeting of the Audit & Finance Committee. These audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 30, 2010, Grand Lodge experienced an excess of revenue over expenses of \$333,456 for fiscal 2009 to 2010 compared with a consolidated loss of \$268,612 for fiscal 2008 to 2009.

Your committee recommends that the audited financial statements for the year ending April 30, 2010, be adopted as submitted. We also recommend the continued engagement of Deloitte LLP as our auditors.

I wish to thank Evan McDade, C.A. for the audit. Also thanks to James Brennan, C.A. of Grant Thornton LLP for his assistance and advice over the past years.

BUDGET 2009 – 2010

The budgetary requirements for all Grand Lodge Committees were used in the preparation of the annual budget for Grand Lodge for the year ending April 30, 2011. The requirements of the Grand Lodge committees for the coming year total \$147,800.

The budget for the General Fund for the coming year is set out in the appendix of this report which reflects anticipated revenues of \$793,000, and expenses of \$926,300 resulting in a projected deficit of \$133,300 before the application of unrealized gains or losses on investments.

Your committee submits for consideration and approval the estimate of revenue and expenses as they relate to the General Fund for the period ending April 30, 2011. The committee believes that the budget set out in this report is realistic and provides for items that can be reasonably be foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the coming fiscal year.

CHARITABLE DONATIONS

The Committee on Audit & Finance reviewed the donations made by the Grand Master on behalf of Grand Lodge. The donations totaled \$2,500 and were made to M.S.A. for Haiti earthquake relief, PNB for Philippine Typhoon relief and Demolay.

As such we recommend the approval of the same.

GENERAL

A thank you is owed to the Grand Secretary and the staff of Grand Lodge for all their assistance during the past year. To the members of my committee: M.W. Bro. Raymond S. J. Daniels, R.W. Bros. G. Dowling, T. R. Davies, N. McCarthy, P. McGrenere, M. Coulter, S. Drummond and V.W. Bro. P. Skazin, thank you, as my job would have been impossible without your assistance

Respectfully and fraternally submitted on behalf of the committee.

JAMES C. SUTHERLAND, Chairman

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. C. Edwin Drew, seconded by M.W. Bro. G. A. Atkinson, and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

It is my distinct pleasure and honor, on behalf of the Committee, which is composed of all of the Past Grand Masters, to present the report on the Grand Master's address.

We join with the Grand Master in extending a welcome to all of our guests and members, and sincerely hope that each of them will benefit in some way from this annual communication. We also endorse the tributes paid to our departed brethren and their ladies, their passing will leave a void that will be difficult to fill.

The Grand Master's consistent endorsement of Education and Instruction, always based on a foundation of Understanding, is a message that is heartily endorsed by the Committee. The Committee joins with the Grand Master in congratulating the recipients of the William Mercer Wilson Medal, and concurs with the conferral of Past Rank, the Honorary Board of General purpose appointments, the Award of Merit, the Awards Committee, and the Grand Representatives.

The Especial Communication of Grand Lodge, which was held in Sudbury, was well received and very successful and the Committee is pleased to note that this initiative is to be repeated in Ottawa on October 16th 2010.

The programs to support our troops serving in Afghanistan have been diligently pursued and well supported by the brethren, and have resulted in the establishment of Canada Lodge U.D. operating in Kandahar Air Base, and the distribution of \$41,000 in Tim Horton swipe cards to the troops. Bro. Horton would be proud of your efforts and the Committee joins with the Grand Master in congratulating all who are involved in these worthy efforts. God Bless our troops!

The Grand Master has represented our Grand Lodge at many conferences and annual communications during the year, in addition to significant anniversaries of lodges within our jurisdiction. The Committee is proud to note that he has represented our gentle craft with quiet distinction.

In July 2010 Toronto hosted the 136th Imperial Council Sessions of the A.A.O.N.M.S. at which Imperial Sir George A. Mitchell, a Past Master of Perfection Lodge No. 616 G.R.C. in St Catharines, was elected and installed as Imperial Potentate. The Grand Master terms the Imperial Sir as a "Shriner's Mason", he brings honor to our jurisdiction and the Committee endorses the Grand Master's tribute to our distinguished brother.

The Grand Master's commitment to increased public awareness and public interest in Freemasonry is readily apparent in his focus on media attention, the appointment of a media officer and the subsequent benefits.

The partnership with Brock University is moving toward a three-phase project: the Annual Lecture, the International Conference and a Chair in Masonic Studies. The attendance of five hundred at the inaugural Charles A. Sankey lecture is proof of the interest in the subject.

The notes on Discipline are well taken as a reminder to us all. Action has been taken where necessary with the few who have abrogated their Masonic duties.

The Grand Master pays a fitting tribute to the Grand Treasurer, R. W. Bro. T.R. Davies, noting that he has been a valued advisor to nine successive Grand Masters, and to two long serving members of the Board, R. W. Bro. Brian Schweitzer and R. W. Bro. Jim Kingston. The Committee is pleased to endorse this tribute.

The Grand Master acknowledges with appreciation the contributions of the Grand Lodge team: The Deputy Grand Master, The Past Grand Masters, The Grand Secretary, The Custodian of the Work, The District Deputy Grand Masters, Members of the Board of General Purposes, The Grand Wardens, The Grand Registrar, The Grand Chaplain The Grand Director of Ceremonies and the Assistant Director of Ceremonies.

The Committee, having all served in this position, are fully cognizant of the importance of team support and totally endorse the appreciation.

The Committee also realize the importance of support on the home front, Lady Brenda has done and continues to do an outstanding job, particularly in the early days in office when navigating a wheel chair and performing nursing functions were needed.

The Grand Master concludes his address stating that we are on the threshold of even greater opportunities, and seeks Divine Guidance to enable us to realize our potential in the Cause of Good.

Respectfully and fraternally submitted on behalf of the Committee.

C. EDWIN DREW, Chairman

REPORT OF THE LIBRARY, MUSEUM AND ARCHIVES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasure to report on the activities of the Library, Museum and Archives Committee of this Grand Lodge for the past year. The Masonic year 2009–2010 has been a year of progress and of setting a course for the future.

LIBRARY

This year, your committee consisted of R.W. Bros. Lanny Salmon (Team Leader), James Ford, Grand Librarian, Ron Bivens, W. Bros. Tom Peddle, Donald Falconer, Alliston Gowling and Louis Jansurik. They were supported by the following volunteers: V.W. Bros. Charles Willmore, William Brimes and Bro. Glenn Molnar.

This past year we renewed our membership into the M.L.M.A. (Masonic Library Museum Association) of North America. We have also renewed our yearly leasing agreement with Library World On-Line Service. This special software program is working very smoothly and controls the total inventories and movement for both Libraries.

We are pleased to announce that all lending materials (books, DVD's, magazines, etc.) in the lending Library have been catalogued and entered into our computer for the brethren to view and place an order for those items that they want us to send them.

The reference Library (non lending) is about 75% completed and we expect to have it available for viewing by the brethren by the end of June 2010.

Last year we did not have any books sent out for restoration. That will change for the coming year. We are currently negotiating with 3 or 4 people who specialize in that type of work.

Last year our hours of operation were Tuesday, Wednesday and Thursday from 3:45 PM to 7:45 PM during the months of September, October and November 2009 and February, March, April and May 2010. For those brethren who could not visit the Library, Museum and Archives show rooms during the posted hours, special arrangements were made to meet their needs. We will be expanding our hours of operation for next year.

A new desktop, laser photocopier, printer and scanner was purchased to assist us in communicating information to the brethren.

Your committee has spent many hours in developing a stand-alone website for the Library. We expect to have it up and running by the end of June 2010.

MUSEUM AND ARCHIVES

The committee consisted of V.W. Bros. Daniel Glenney, Grand Archivist (Team Leader), Michael Jenkyns, Grand Historian. They were supported by the following volunteers: R.W. Bros. John Quinn, Graydon Jones, Marvin Smith, Andrew Downes, V.W. Bros. Greg Lotz, John Sutherland, John Schaeffer, William Utton, W. Bros. Roy Gomes, Prince Salvaraj, Bros. Terrence Van Horne and Greg McKinnon.

Work continues on researching and ultimately commemorating the grave sites of our deceased Grand Masters. There are 64 sites scattered over Ontario and Quebec. Of these, 19 have been visited and photographed by committee members and volunteers, 16 sites have been designated, but await a visit by a researcher, while 29 grave locations are still to be determined.

Masonic artifacts are our link to the past. The committee has been searching for the missing Masonic apron of Robbie Burns, which supposedly was brought to Eastern Ontario early in the nineteenth century, and the gavel used by prominent Masons Sir John Graves Simcoe and John Ross Robertson. The committee is also looking into establishing an inventory of other Masonic treasures located with lodges, lodge buildings and public/private buildings around the jurisdiction.

The committee supported Wilson Lodge No. 113 in Waterford with a plaque from Grand Lodge celebrating their 150th Anniversary and erection of a memorial stone to commemorate the War of 1812.

Other important projects are on our active list for attention in 2010–2011. These include listing Masonic cornerstones and heritage markers, commemoration of Masonic War Veterans on the website and plans for anniversaries such as Bicentennial of the War of 1812.

We would like to thank the Grand Master and the Deputy Grand Master for their continued support of the goals and objectives of the Library, Museum and Archives Committee.

In closing, I would like to extend my appreciation and sincere thanks to the members of the Library, Museum and Archives Committee for their time, effort, contribution and co-operation, to all the volunteers including the students from Sir John A. MacDonald Secondary School in Hamilton for their time and contribution, to the Grand Secretary and the Grand Lodge office staff for their help and co-operation and to V.W. Bro. Robert Kliaman for his special effort and contribution.

Respectfully submitted on behalf of the committee.

REPORT OF THE COMMITTEE ON SEMINARS AND WORKSHOPS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to thank the Seminars and Workshop Committee: V.W. Bro. John Moncrieff (Secretary), R.W. Bros. Les Armstrong (Vice Chair), Terrence Murphy, Alain Brown, and W. Bro. Damon Allen, for their dedication, support and experience which has provided a large diverse variety of topics that will prove to be exciting and informative for the participants and to the many Grand Lodge committees that continue to provide workshops throughout our Grand jurisdiction.

Mission Statement – To act as an administrative body to formulate, organize, promote, convene, and co-ordinate educational programs as approved from time to time by the Board of General Purposes.

Immediate Mandate – To provide the Management Committee with suggested seminar topics, details, and possible presenters for their consideration for presentation on Tuesday afternoon at the 2010 Annual Communication at the Fairmont Royal York Hotel, Toronto.

Seminars & Workshops – Tuesday, July 20, 2010

Seminars are scheduled to begin at 1:30 p.m., 2:30 p.m. and 3:30 p.m. and will be 50 minutes in duration, allowing participants time to move to the next room. Computer resources will be running continually throughout the afternoon in a room convenient to the seminar rooms.

The following sessions are planned for this year:

Alberta Room: Seminar given twice.

- “*Preservation Pondering*”

Presenters: Michael Jenkyns, Grand Historian and David Cameron
 Preservation of Grand Lodge records, information on the display of the Kipling Gavlle and the story on how it was found. The importance of preserving Lodge Artifacts. "Preservation" the link to the impact on the project of having historical Masonic documents available to study.

Alberta Room: Seminar given once.

- *"The Impact of Freemasonry"*
 Presenters: Dale Graham, David Cameron and Dr. Schimmelpennick Van der Oye, from Brock University
 The New Lecture series looks at the Masonic Lodge and its role in society. "Perceptions of Freemasonry from the 18th Century to the Internet." Contribution of Freemasonry to Canadian society over the last 300 years. The thirst for knowledge and opportunities for Masonic knowledge through the College of Freemasonry program.

British Columbia Room: Seminar given once

- *"Keeping the Roof Over Our Heads"*
 Presenter: Terry Horner
 Assisting Masonic Temple Corporation Directors or sole proprietor Lodge Trustees in resolving their building, planning, organization and/or financial concerns. How to recognize the need and the advice available for maintaining our physical premises. The impact of future potential building code changes.

British Columbia Room: Seminar given twice.

- *"P & E Essentials"*
 Presenters: Gordon Crutcher, George McGowan and Jack Mittleholtz, G.D.C.
 The George and Gord show: lead by example, common mistakes that are made and how to avoid them. And what it is like travelling with the Grand Master as told by the Grand Director of Ceremonies.

Quebec Room: Seminar given once.

- *"Engaging the New Mason"*
 Presenters: Damon Allan and Kristopher Stevens
 Emphasis on the young Mason and succession planning for the future. Dynamic interaction with the attendees. Keeping new members engaged and wanting more.

Quebec Room: Seminar given once.

- *"Learn to Listen, Listen to Learn"*
 Presenters: Barry Snider and Kim McGeagh
 Mentoring and Mentoring versus Coaching
 The Dictionary Version:
 - Mentor: Wise and Trusted Advisor
 - Coach: A Tutor in a Specialist Subject

Quebec Room: Seminar given once.

- *"The Ceremony of Installation"*
 Presenter: Dennis Hawman
 Installed Masters: Come see the changes first hand and get the revised book. Under the dictation of M.W. Bro. Donald H. Mumby, Custodian of the Work. Explanation of the changes in the mechanics, ask questions and much more, etc.

Computer Resources — Running continually throughout the afternoon

- Robert Kliaman and Kris Nickerson and the team will once again offer assistance with email summons, security of documents and the privacy of member information, along with answering questions from the brethren.

The committee extends appreciation to the Grand Secretary and members of the office staff for posting the schedule of sessions in the notice, as well as, arranging accommodations and equipment. Also, the assistance of the above noted dedicated and knowledgeable Masons to prepare and present these seminars for other members of our fraternity.

Respectfully submitted on behalf of the committee.

LLOYD HAMMELL, Chairman

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Ongoing Projects:

As our meeting places are the expression of Freemasonry in our communities, it is imperative that they be well run and kept in good repair to maintain and reinforce the name of Freemasonry within these communities. With this in mind, your committee this year, has undertaken a review of its mandate with respect to the condition of Lodge Buildings in general.

The committee has reviewed and updated the Design Guidelines and Construction Requirements for Lodge Buildings, the Check List for New and Renovated Lodge Buildings and Properties and has also developed a Safety Check List. All of the above items have been recommended to the Management Committee for acceptance.

Additionally, the following projects have been reviewed.

- **Burford Lodge No. 106** (Brant District) had undertaken maintenance repairs to their Lodge Building that had earlier been considered as renovations. As such, this undertaking can be deleted from the list of outstanding projects.
- **Mississippi Lodge No. 147** (Ottawa District 1) had been reported as undertaking renovations to their lodge; however, after conversation with the Lodge Secretary, it was determined that the work was of a maintenance nature. This undertaking can also be deleted from the outstanding projects list.
- **River Park Lodge No. 356** (Toronto West District) had undertaken work on their lodge that can only be considered as normal building maintenance. This undertaking can also be removed from the outstanding projects list.
- **Percy Lodge No. 161** (Peterborough District) A new Lodge Building has been completed during the past year and Grand Lodge is now considering a date for the dedication ceremony. Certificates indicating Final Inspection and compliance as per the Ontario Fire Code, Ontario Electrical Code, Municipal Building Code and the Ontario Building Code are outstanding at the time of this writing.
- **Rising Sun Lodge No. 85** (St. Lawrence District) was earlier reported as contemplating renovations and modifications to their lodge however after contact with the lodge, it appears that the request was for information only and no project is planned.
- **Rideau Lodge No. 460** (Frontenac District) Although this lodge has never requested Design Guidelines and Construction Requirement forms from this committee, there has been extensive renovations undertaken to the lodge building. It is reported that the building should be completed in June 2010, at which time a D.D.G.M. Construction Inspection Report form and a Lodge Buildings Committee Inspection form should be completed. These forms will then be forwarded to the Grand Secretary prior to the lodge requesting a date for rededication of the building.
- **Maxville Lodge No. 418** (Eastern District) had requested a copy of the Design Guidelines and Construction Requirements for New Lodge Buildings to assist them in constructing a new lodge room in the Maxville Fair Grounds Building. The information was provided and the project is essentially complete with the exception of a few minor items. The inspection reports related to the Ontario Fire Code, Ontario Electrical Code, Municipal Building Code and the Ontario Building Code are outstanding at the time of this writing.

Brethren, I must stress that if your lodge is planning to undertake the construction of a new building or renovation of an existing building, it is recommended that this committee be contacted for help and guidance. Additionally, the regulations stipulated in Ontario Fire Code, Ontario Electrical Code, Municipal Building Code and the Ontario Building Code must be followed and inspected to limit any possible liability should an incident occur.

All of which is respectfully submitted on behalf of the committee.

J. DAVID BELL, Chairman

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge
A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We are happy to report that the committee has gained considerable currency over the past three years with both lodge and temple. This has been due, in part, to the composition of the committee, their commitment and the support of the Grand Master, Deputy Grand Master, the Grand Secretary, and the Grand Lodge office staff.

Life and Honorary Membership continues to be a serious issue as lodges look to modify by-laws and provide, "Freedom from Dues" for certain members. A noble cause, but the Benevolent Fund should serve the purpose without hindrance to the lodge.

Additionally, Life and Honorary Membership are still being reviewed without considering the financial impact in the short and longer term. The good news is that we are all on the same page and the Grand Lodge office alerts the committee to potential difficulty and we are responding with appropriate recommendations.

More enhancements in this regard may be forthcoming, but we feel certain the issue is manageable.

Temples are and will continue to be a real challenge. We applaud the Building Committee for the in-depth analysis of our temples in general. Much work, both physical and financial, is absolutely essential if our meeting halls are going to survive.

The fact remains, however, that many temples will reach their final destinations soon. There are many reasons. Some can be corrected; some cannot. Therefore, as temples go dark, we should be ready to assist with a ceremony that is dignified.

The formula for Financial Success has been available from Grand Lodge for many years. Just one example: "*Meeting the Challenge*," June 1976 – Treasurer and Secretary, Page 12: Quote: "The lodge, like any business, must be responsible in its accounting. At all times the brethren are entitled to know how their dues are being used and what expenditures are being made and WHY. They must feel confident their funds are being properly handled, protected and invested and that all financial arrangements are being carried out with THEIR APPROVAL." Do the brethren of your lodge know this?

Budget, Page 12 – "Right after his Installation the Worshipful Master will request the Finance Committee to bring in a budget. It will be presented to the Committee of General Purposes for approval and recommendation to the lodge. EVERY MEMBER should have a copy." Is this happening in your lodge – your temple?

"The budget should set out financial goals which will inspire the members to maintain their membership and induce the lodge to be a productive unit in the Masonic family. The members will have a fuller understanding of the financial situation if the Finance Committee gives a quarterly report showing . . . performance against budget and explaining all extraordinary expenses and non-budget items." Is this happening anywhere?

Initiation Fees and Annual Dues, Page 12/13 – "If a brother realizes that the fee charged at his Initiation is being held in trust rather than being used for day to day operations, he is more likely to retain his attachment to the lodge. Some lodges have been able to survive on low dues mainly because most of their members stay home . . . low annual dues lead the Mason to place a low value on his membership in the fraternity. Normally, the dues will be set with reference to the budget." Here it comes brethren – sage advice from brethren of the 1970's. How to calculate DUES. "In the simplest terms, the amount of the anticipated regular expenses, plus a reasonable allowance for contingency and inflation, less rental income and interest DIVIDED by the number of members (all members anywhere) EQUALS THE Annual Dues."

The formula for financial health in lodge and temple has been available for many years. *Meeting the Challenge* was written in 1976 by knowledgeable Masons and is but one of many books available through Grand Lodge. Acting on this advice has been somewhat slow.

Summary

We should all know the procedure by now, but a great many apparently do not. So your committee remains committed to the implementation of good financial practices within lodge and temple. There are new challenges that face both. GST is now HST at 13% versus 8%. The Building Code is going to change to reflect new disability requirements. There are solutions to minimize the financial impact. Please contact us.

Respectfully submitted on behalf of the committee: R.W. Bros. David Armstrong, Robert Collins, Robert Wands, V.W. Bro. Bill Birdsall, W. Bros. H. Alan Fryer, Vince Phillips. Special advisor V.W. Bro. Robert Kliaman, C.A.

TERRENCE HORNER, Chairman

REPORT OF THE COMMITTEE ON PUBLIC AWARENESS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with great pleasure that I present this report on behalf of the Committee on Public Awareness and its members: V.W. Bro. Alan Arbuckle, Media Officer; R.W. Bro. Ian Miller; R.W. Bro. Harvey Street, Team Leader, Special Events; R.W. Bro. Allen Hackett, W. Bro. Ivan Tees; W. Bro. Richard Green; W. Bro. Michael Rolston; W. Bro. Ian LaFleur.

Ensuring the promotion of Masonry throughout the jurisdiction being the primary focus of the Committee on Public Awareness, several initiatives were undertaken and disseminated by the committee.

A feasibility study on the future use of the Grand Lodge event tent was undertaken and the result presented to the Management Committee. This Grand Lodge asset has been used at a number of events, most recently and successfully at the International Plowing Match held in Earlton, ON. The disposition of the tent based on the recommendations of this committee has been outlined, with provisions for its use, storage, and maintenance requirements. The Committee on Public Awareness will continue in its responsibility for the tent through a Special Events team. The tent will be used in the St. Thomas area for their Plowing Match.

The committee conducted a general survey of lodges having held an Open House since the beginning of the Masonic year. At the time of this writing 63 Lodges in 32 of 44 Districts have held an Open House. The survey revealed that most lodges avail themselves of the use of at least some of the Grand Lodge materials and offer supplemental presentations in support of those materials. The committee concludes that a great amount of work on the part of the lodge goes into conducting a successful Open House and the most successful are often connected to other community events, serving to create that public awareness and participation so vital to the prosperity of the Fraternity.

Members of the committee also contributed ideas and thoughts of their own on a number of prospective projects for consideration. Each of these offered the potential to improve the awareness of the Masonic Fraternity in the community including a suggestion for participation in the "Adopt a Highway" program. These suggestions remain open for consideration and further discussion.

Forthcoming events which are being supported by the committee include placement of the Grand Lodge display booth at the Shrine Circus July 25, in Vaughan, with planning and preparation well underway.

The use of a dedicated Media Officer, R.W. Bro. Alan Arbuckle has resulted in several articles in local news publications. A generic press release having been drafted was used with appropriate modification to the circumstance. Alerts of the Grand Master's impending visits were sent to the local media and interviews were encouraged. These efforts resulted in a front page story and interview of the Grand Master in the Kitchener-Waterloo Record and other substantial articles at least one of which was republished as far away as Newfoundland and Saskatchewan.

HENRY KRAJEWSKI, Chairman

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

DAY TO DAY ACTIVITIES

Regional Representatives

We have regional representatives to service the districts and lodges across the province. Over the past few years we have been examining what their role should be and have been trying different strategies. These have included reporting forms on education activities, informal reporting, mandating the running of Lodges of Discussion, setting up regional meetings, and scripts for their lodge visits. None of these were very successful strategies. It seems the best strategy is simply for them to contact the D.D.G.M.s and District Chairs of Masonic Education and ask for their input into what they would like in the way of assistance from the Committee on Masonic Education.

Reflections

We publish a quarterly newsletter which is available by subscription. It contains educational pieces given in lodge by Ontario Masons. It is useful as a source of talks and inspiration for D.D.G.M.s, education chairs, and other interested brethren.

College of Freemasonry

The College runs two programs, Masonic Arts and Science: An Introduction for Master Masons and the District Deputy Preparatory Course. These courses are now available on-line as well as by the traditional paper-based correspondence course mode.

The *Introduction for Master Masons program* is a survey course of study designed to orient the Freemason to the history, application, organization and function of the Grand Lodge of Canada in the Province of Ontario. Study topics guide each learner through basic aspects of Freemasonry and our Grand Lodge.

The successful graduate is acknowledged by the Grand Master as a *Fellow of the College of Freemasonry*. He is encouraged to reveal this dedication using the appellation FCF. We congratulate the following brethren who have achieved this distinction:

- Bro. Richard Gardner, FCF, Mosaic Lodge No. 559, Toronto Don Valley District
- Bro. Kenneth Jay, FCF, Pythagoras Lodge No. 137, Grey District
- Bro. Jacques Lacourse, FCF, Nipissing Lodge No. 420, Nipissing East District
- Bro. George Warner, FCF, Westgate Lodge No. 734, Toronto West District
- Bro. David Plumb FCF, Pembroke No. 128, Ottawa 2 District
- Bro. Richard Cadotte FCF, St. Mark's No. 94, Port Stanley District

The *District Deputy Grand Master Preparation Program* – is recommended for interested Master Masons, expected of candidates for D.D.G.M. and suggested to the potential District Secretary. Through it one learns many facets of the role of the D.D.G.M. and the running of a district.

Alumni Association of the College of Freemasonry – The Fellows of the College have been participating in active discussion via email. Having completed the Introductory Course, they have a wealth of knowledge, but also a genuine desire for furthering their knowledge. They also are keen to share with lodges and districts. All you need to do is ask!

E-mail Educational Bulletins

Once a month, we distribute a short piece of Masonic education by e-mail. It is initially sent to 700 Masons, but they are asked to forward it as they see fit. We don't know how far or to how many it goes, but many lodge secretaries who get it forward it to all their members. The topics range from the practical to the obscure. I would like to convey my special thanks to R.W. Bro. Wayne Elgie for co-ordinating the distribution and to M.W. Bro. David Bradley, R.W. Bros. Donald Hamilton, Michael Diamond and William White for contributing articles.

Book Sales

V.W. Bro. Iain Mackenzie and his team again provided us the opportunity to purchase Masonic books at reasonable prices, both at the Annual Communication and throughout the year at the Grand Lodge office.

G15

There has been great interest in the Manuals developed by the G15. These workbooks which were adapted from Australian and Korean sources are intended as an additional educational resource for candidates and their mentors to work through together should they wish to delve more deeply into the philosophy of Freemasonry. Over 100 Masons have received PDF files for the EA and FC manuals, from which they can reproduce the books for their lodge's use. The Master Mason's Manual has been revised and at the time of writing, was in the hands of the Custodian for his review and approval. Please see the education page of the Grand Lodge website for updates.

PROJECT ACCOMPLISHMENTS

Booth

A booth was constructed for the Annual Communication to highlight our programs and allow brethren to register for *Reflections* and the College of Freemasonry and to purchase G15 Manuals. This will help raise the knowledge about these excellent resources. One can also read about them and how to register on the Grand Lodge website.

Inter-committee Work

Representatives of the committee have participated in several inter-committee task forces. We compiled a list of Grand Lodge publications including which committee is responsible for updating each and made recommendations on how things should be reprinted. We looked at education for present and prospective Grand Lodge officers. A motion to make the College of Freemasonry's D.D.G.M. Preparatory Course mandatory for those running for D.D.G.M. and Grand Registrar will come to the floor this session. Another task force is examining how we can support "Renaissance Masons," that demographic of 25–40 year olds who are joining in large numbers.

Grand Master's Project

Several committee members were seconded to the *ad hoc* committee for the Grand Master's project. The project's goal is to raise funds to establish a centre to encourage research into the significant impact fraternalism in general, and Freemasonry in particular, have made on our society here in Canada and throughout the world. The first phase of this project is to initiate an annual lecture series presenting world renowned and local Masonic scholars. This lecture series is named in honour of R.W. Bro. Charles A. Sankey (1905–2009). Dr. Sankey served as Chancellor of Brock University from 1969 to 1974. A renowned Masonic scholar, he was active in all the concordant bodies of Masonry, including the Ancient & Accepted Scottish Rite, the Royal Order of Scotland, and Royal Arch Masons. His extensive collection of rare Masonic books and papers is in the Special Collections of the James Gibson Library at Brock, providing a rich resource for research scholars and students.

The Inaugural Charles A. Sankey Lecture occurred on April 17, 2010, at Brock University. It was given by Dr. Andreas Önnarfors of the Centre for Research into Freemasonry and Fraternalism at Sheffield University. As an academic and a member of the Swedish Order of Freemasons and its research lodge, Dr. Önnarfors has experienced firsthand the pitfalls and successes of forging cooperation between academia and Freemasonry, establishing the highly regarded International Conferences on the History of Freemasonry in Edinburgh. His lecture was entitled, "Perceptions of Freemasonry from the Eighteenth Century to the Internet," and interest was so great that it had to be moved to a larger venue.

Recognitions

Thanks and recognition is given to the committee: W. Bro. Dennis Cook, FCF, Secretary; W. Bro. Kris Stevens, G15 Rep.; W. Bro. Gordon Hendrie, FCF, College Alumni; R.W. Bros. Michael Diamond, FCF, and Stewart Greavette; W. Bro. Bruce Palanik; Regional Representatives: R.W. Bros. REPORT OF THE BLOOD DONORS' COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the Blood Donors' report on behalf of the committee members: R.W. Bros. George Hinds (Vice Chairman), Tom Forbes (Secretary), Bob Barker, Gary Bloomfield, Harry Danford, Ross Ferguson, Rob Fleming, David Fraser, Randy Hunt, Richard Kallio, Doug McLaren, Don Rumble, Wm. Sylvester, W. Bros. Hans Helleman, Tom Weihmayr, V.W. Bro. David McCallum, Arthur Inch and (Centre of Excellence Leader) R.W. Bro. Ed Standish.

Special thanks to all the D.D.G.M.s and their district chairman, volunteers and donors.

Goals

The goals of this committee are to enlighten the jurisdiction that there is a desperate need for blood. We as Masons, for many years have done our best to fulfill this need as best as we can. We urge all to continue to do so and encourage others to help with this gift of life.

Partners for Life (P4L)

The number of districts that are now enrolled in the Partners for Life Program is increasing, (twenty eight to be exact). R.W. Bro. Tom Forbes has been acting as a liaison with Charlene Goodwin, the CBS (Canadian Blood Services) Co-coordinator, to assist all districts to participate. As staff within the CBS often changes, this committee found that some replacements were not versed in this program, hence Tom Forbes has worked closely with them to provide assistance.

Listed below are the numbers of plasma, platelet, and whole blood donations by district from April 1, 2009, to March 31, 2010.

Organ and Tissue Donations

The Trillium Gift of Life Network was created by the Ontario Government in 2000 and is called Trillium Gift of Life Network Act. This legislation is designed to increase organ and tissue donations. The website is www.giftoflife.on.ca.

This committee and the CBS support organ donations, but are not directly involved.

International Plowing Match

The CBS attended the Masonic tent at the Plowing Match, held in Earlton this past September. The CBS of Sudbury stated they had more exposure from this event than any previous means. Letters of appreciation were sent to this committee. R.W. Bro Tom Forbes attended on my behalf.

The CBS of London have accepted an invitation to attend in St. Thomas this September.

Certificates of Merit

The certificates of merit are being requested as in the past. To date, we have issued a total of 48, from first time donors to 700. V.W. Bro Albert Harding and V.W. Bro. Jim Abrams have reached this milestone. Congratulations to all. This is a certificate from your Grand Lodge which is personally signed by your Grand Master, and without a doubt a keep sake.

Plaques

Three awards are awarded annually to outstanding districts. It is the wish of this committee to present the following:

Most Donations from sponsored clinics — Hamilton District B – 9300

Most Improved from sponsored clinics — Ontario District

Most Improved using the Partners for Life — London West District

Conclusion

We see an increase of donations this fiscal year, and I extend a special thanks to all who participated. As important as donors are, you, the volunteers are equally important. Thank you again.

This committee is grateful that many districts are taking advantage of the P4L program, which has accuracy and simplicity. It is our hope that in the near future all will be enrolled. Masonic blood donations are recognized in many clinics across our jurisdiction. To increase our visibility, this committee is pursuing another avenue. The committee, under the direction of R.W. Bro. Rob Fleming (Sudbury-Manitoulin) and R.W. Bro. George Hinds with the support of the Prince Hall Masons, is currently planning a Masonic Blood Donor Day across Ontario. Much work has been done and much more to do.

As we strive to make Masonry more visible to the public with our blood donations, we know that M.W. Bro. Daniels Masonic studies project will aid all in that we endeavor to do.

Respectively submitted on behalf of the committee.

THOMAS A. SIEMIERNIK, Chairman

**REPORT OF THE COMMITTEE ON
THE CONDITION OF MASONRY**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on the Condition of Masonry for the 2009–2010 Masonic Year. It has been a very busy, challenging, and rewarding experience for this committee as a number of new initiatives have been set in motion to further enhance the service that this committee provides for your Grand Lodge.

As we continue to build upon the significant advances that this committee has made in recent years and to incorporate current technology into the reporting process, we recognize that in order to better serve the constituent lodges of the jurisdiction, we must continue to

evolve in the way we gather, review, report, and act upon information that comes to this committee by way of the Official Visit Reports of the D.D.G.M.s. To this end, this committee is adapting and updating the way we do things to more efficiently manage the vast amount of information that outlines the life and times of the 570 lodges in this great jurisdiction.

As outlined in Section 136(c) of the Book of Constitution, our mandate is “to examine the reports of the District Deputy Grand Masters and to study the Condition of Masonry in General and make recommendations arising there from for the benefit of the Craft.” As of Grand Lodge in July of 2009 and the passing of the constitutional amendment to Section 104 which deals with the filing of D.D.G.M. reports to Grand Lodge, Section 104(b) states that “the District Deputy Grand Master shall send to the Grand Lodge Chairman on the Condition of Masonry within 14 days of his official visit to each lodge in his District either by electronic transmission as an attachment, or facsimile or surface mail, a copy of his report.”

As a result, this committee was charged with the task of managing the information from two years of D.D.G.M. reports in this Masonic year.

To facilitate this process we set our goal to complete the examination of the 2008–2009 reports by January and continue to work with the 2009–2010 reports as they arrived throughout the year with the aim of having all the reports for both years completed and reported on by this Grand Lodge. As an examining committee, we look forward to embarking upon the 2010–2011 Masonic year with only current year D.D.G.M. reports to manage in September of 2010.

At the writing of this report our task is on track, and we fully expect to accomplish our goal. After completing the 2008–2009 reports in early January, the results were tabulated on a newly designed spreadsheet document that presented the material in Lodge, District, and Jurisdiction Format, providing statistical information on many facets of Craft Lodge experience and operations. This document was completed and presented to Grand Lodge in the spring. Upon receiving and reviewing the final D.D.G.M. report for the 2009–2010 year a similar document is scheduled to be presented to this Grand Lodge as we meet in July.

It is with a great sense of gratitude that this committee extends our sincere appreciation and congratulations to all of the D.D.G.M.s and District Secretaries who worked so diligently to complete these reports with accuracy and completeness and to manage their electronic submission in such a timely fashion. The monthly reporting of your efforts demonstrated a consistent improvement in the percentages throughout the year. The implementation of Amendment 104(b) has been successful and has provided a benchmark for D.D.G.M.s in the years to come.

Committee Meetings

Along with managing the reporting process, the Condition of Masonry Committee has been involved in other activities throughout the year. Three full committee meetings were held in September, January and May with many members in attendance. Our full agenda meetings could be best described as animated and high energy with a great deal being accomplished on each occasion.

D.D.G.M. Orientation Sessions

In the fall of 2009, many members of this committee participated in the District sessions held by the D.D.G.M. Orientation Committee and made use of our Condition of Masonry PowerPoint Presentation to outline the function of our committee as well as aspects of the reporting process.

The Condition of Masonry Committee welcomes the opportunity to share in the presentation of the D.D.G.M. Orientation Sessions and extends our sincere appreciation to R.W. Bro. Green and his committee for including us in these presentations.

D.D.G.M. Mid Term Meeting

In January of 2009, this committee chairman took part in the D.D.G.M. Mid Term session held in Scarborough. This provided a valuable opportunity to meet personally with the D.D.G.M.s and to discuss current issues with them as well as receive feedback on their experiences with the new reporting process. Mid term reports were received from each district and included with the other lodge reports filed by the D.D.G.M.s throughout the year. As well, reports from each breakout feedback session were sent to this committee and copies were forwarded to the Deputy Grand Master for distribution.

D.D.G.M. Exit Session

In July of 2009, following the Board meeting on Monday afternoon, the Condition of Masonry Committee met with all attending D.D.G.M.s for a one hour session relating to "Life after serving Office." This session was conducted by R.W. Bro. Giles Loshaw, chairman, and assisted by R.W. Bro. Greg Hazlitt, Chairman of Long Range Planning. The meeting included a 20 minute break-out session with the Condition of Masonry Committee Chairman, in groups of ten with moderators, discussing previously provided exit survey questions, a 20 minute session with the Chairman of Long Range Planning, and a 20 minute session on, "What do I do now?" The meeting concluded with a question and answer period. As the value and success of this meeting was evident to all, it is the intention of this committee to conduct a similar session at this Grand Lodge in July.

PROJECTS**D.D.G.M. Tracking**

In August of 2009, the Condition of Masonry Committee was charged with producing a D.D.G.M. report tracking system to manage the incoming D.D.G.M. reports following the newly amended Section 104 (b) of the Constitution. This proposal was submitted and approved in October and the resulting new spreadsheet document entitled, "COM D.D.G.M. Report Tracking System" has been in use throughout the year and has proven to be a valuable tool in the managing and reporting of the flow of the D.D.G.M. Official Visit reports.

Report Tracking

A similar, slightly modified version of this spreadsheet was also created for the use of the committee to internally track and manage the flow of Official Visit reports from the D.D.G.M.s to the committee chairman, from there to the committee members who review and report the information contained in those reports, and the return of the data findings back to the chairman. This report tracking system worked well this year and can be used again next year with very few modifications.

COM PowerPoint Presentation

At our September meeting the committee received and reviewed the newly produced PowerPoint presentation outlining the structure and mandate of the COM committee and the various aspects of the new D.D.G.M. reporting process. After a few alterations and refinements it was submitted for approval. It was originally intended for use by our committee members in presentations throughout the jurisdiction on the Condition of Masonry Committee, its function and expectations, but has more recently become merged into the D.D.G.M. Orientation PowerPoint presentation where its use has proven to be of significant value.

COM Grand Lodge Report Summary

Built upon the reporting spreadsheets established by R.W. Bro. Loshaw for documenting the 2007–2008 reporting statistics, and R.W. Bro. Blain Moffat of Ontario District, the committee introduced a new spreadsheet document designed to report the findings of the committee in a spreadsheet format that provides a wide variety of report statistics in a clear, organized and efficient manner. This one document is designed to collect, organize and present data from a Lodge, District, and Jurisdiction perspective with summary totals and percentages, and includes areas for anecdotal comments as well. At present, this first stage document is set to report data under 22 different headings and is expandable to include further examination of data when required. This project proposal has been submitted to the Management Committee for approval. However, as it is a work in progress, it is the intent of this committee to continue to refine this document in the future to further enhance its usefulness. Presently, this document is being used for the 2008/09, 2009/10 two reporting years as a pilot project, and upon approval can be modified to be utilized in future years.

Lodge Assistance Document

A proposal for a standard format Lodge Assistance Document has been established and submitted for approval. The form, under the letterhead of the Condition of Masonry Committee, is designed to be sent to various committee chairmen outlining areas of concern

that may appear evident from the information contained in the D.D.G.M. Reports. The document will contain pertinent information and comments in order that the receiving committee may be able to provide some help to a lodge that may benefit from Grand Lodge assistance.

Recommendations

As there have been initiatives adopted from past years and a number of new ones established, it is the recommendation of this committee to continue utilizing the activities that are currently in place and to explore the areas of D.D.G.M. Report refinements, Internal report modification, redistribution of committee task assignments, and the organization of a seminar or workshop presentation on the various aspects of the "reporting process." Each of these initiatives will require further attention as the operation and management of this committee continue to evolve.

Summary

As of this Grand Lodge the members of this committee will have reviewed and reported on approximately 1140 Lodge reports along with attending meetings and District sessions and other committee work that has been described above. Sincere appreciation is extended to the valued members of the committee for the diligence, sincerity, and dedication with which they approached the tasks presented to them this year. The committee appreciates the support of the Grand Secretary, M.W. Bro. Shand, and the staff at Grand Lodge, and as chairman, I would like to extend a personal thank you to our Deputy Grand Master, R.W. Bro. D. Garry Dowling for his guidance, support, and encouragement throughout the year.

All of which is respectfully submitted on behalf of the committee.

JOHN HAY, Chairman

REPORT OF THE LONG RANGE PLANNING COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the members of the Long Range Planning Committee, I am pleased to submit our report.

OVERVIEW

1. The Centre of Excellence model presented at the February 2009 Think Tank in Hamilton, then implemented in July 2009 as the method of managing the Grand Lodge committees has significantly change the focus of the Long Range Planning Committee. The new COE structure paved the way for the evolution of the Long Range Planning Committee from a tactical committee that ran Long Range Planning seminars to get districts going on their plan and charted committee projects via the WINS chart, to the strategic focus we have now under the Centre of Excellence model. At the outset our role and mandate within the structure was not as clearly defined as it could have been. This however was expected to some extent, during the implementation of the Centre of Excellence Model. A new focus was needed. To that end we have met with the Deputy Grand Master in November to discuss and define our role moving forward. The meeting produced frank and honest discussion and helped define our role.

Some of the highlights of our brainstorming session that day:

- Management Committee and Long Range Planning are to maintain the Strategic Plan and amend and update as needed.
- The Long Range Planning focus has moved from a tactical committee to that of a strategic committee.
- Initiatives and projects must support the "Strategic Themes" of the Craft as outlined in the Strategic Plan.
- The Management Committee, with input from the Long Range Planning Committee would be responsible for keeping the Strategic Project hopper full.
- For projects to succeed at any level of the Craft, a defined deliverable or goal has to

- be set and a strict, but reasonable time line.
- All day to day activities of each committee must continue to maintain the status quo. Projects should improve or enhance the day to day work.
2. During the term the Long Range Planning Committee continued the work on, and finalized the Grand Lodge Strategic Plan, “Rebuilding the West Gate” getting approval for the Vision and Mission Statements.
Vision Statement: “To ensure the timeless vitality of Freemasonry in Ontario.”
Mission Statement: “Grand Lodge will achieve its vision by providing effective and sustainable leadership to Ontario’s Masonic community and by preserving the timeless Masonic Initiatory system as a framework for all good men to transform their lives through the ancient and enduring tenets of brotherly love, relief and truth.”
 3. Other aspects of the Rebuilding of the West document included a visual pictorial of the workflow of the new COE model; this pictorial view is available from the Long Range Planning Committee.
 4. In concert with the Deputy Grand Master, the Long Range Planning Committee assisted in the development of a list of strategic projects which was rolled out on March 1, 2010, as part of the “Rebuilding the West Gate” document.
 The projects are:
 - Project 2010-01: Leadership Identification and Succession Planning
 - Project 2010-02: District Deputy Grand Master Training
 - Project 2010-03: Strategy for Capturing the Interest of New Masons
 - Project 2010-04: Ontario Mason Address Database
 - Project 2010-05: Information Systems Strategy for Grand Lode Committee Shared Computer Resources
 - Project 2010-06: Grand Lodge Officer and Committee Chairmen Job Descriptions
 - Project 2010-07: Establishment of Publishing Review Committee
 - Project 2010-08: Proposal for MasoniC.h.I.P. Business Model
 - Project 2010-09: Strategic Plan Tracking and Reporting

These projects fit into one of 6 strategic imperatives: (Craft Stewardship, Membership, Communications, Operations, Community Outreach, and Plan Execution) Long Range Planning will work to identify “Key Performance Indicators” (KPI’s) to measure the success and impact of each project as well as overall KPI’s for the strategic imperatives.
 5. Over the course of the year several draft and discussion documents were developed and held for further evaluation. These addressed various portions of the Strategic Plan, and included work in progress documents on, key performance indicators as they pertain to the strategic imperatives, samples of balanced score cards, and the strategic frame work. These documents will be reviewed during the last 3 months of the term.
 6. The Long Range Planning Committee has developed a job description for the committee activities and responsibilities. This was submitted to the Deputy Grand Master in March.

GAP PROJECT

“Does Grand Lodge has a strategy in place to attract men of the highest quality.”

To get a handle on if we have a strategy we wanted to look at “what is out there” that the public can access to learn about Masonry in general and our Grand Lodge in particular. R.W. Bro. Wes Libbey took a look at several websites and compared them with our own. R.W. Bro. Brian Seabourn took a look at all printed matter available to the public that is available from our Grand Lodge. Several of us also took time to re-watch the “Friend to Friend” video.

As a general conclusion, there is much good information available, some dated. The information contained in several of the pamphlets is excellent, but the presentation is not eye catching, and there seems to be many formats for printed matter, with no standardized format.

The Long Range Planning Committee would recommend that a “style manual” be

established for all publications used by lodges in the public form, i.e. Fairs, Trade Shows, Open Houses.

Recommendations:

1. Continue the development of the COE model as the way Grand Lodge manages the work of the Board of General Purposes.
2. Develop, finalize and publish a full set of key performance indicators for the six strategic imperatives outlined in the rebuilding the West Gate document.
3. Develop a balances score card framework for measurement of project success.
4. To refocus a portion of the Long Range Planning Committee, to assist of the districts, in the formation of their long range plans. The Long Range Planning Committee should also review District long range plans. By doing this we can see if districts have come up with concepts or programs that could benefit all of Grand Lodge.

Conclusion:

I would like to thank the participation and support of the Long Range Planning Committee. Their work ethic was exceptional. I also must thank personally my Vice-Chair, R.W. Bro. S. Weston Libbey for picking up the ball when my work commitments required me to step back from Grand Lodge activities for a time.

On behalf of R.W. Bro. Wes Libbey (Vice-Chair), Neil Dolson, Brian Seabourn, Peter Mouriopoulos, William Sweet, Steve Dekruf, V.W. Bros. Jim Thornton, John Forster, and our hard working secretary, Bro. Stephen Brash.

All of which is respectfully submitted.

BARRY F. BURCHILL, Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In 1926, the committee on the seventy-fifth anniversary fund charged with the responsibility of recommending a method to augment the benevolent fund reported:

"Your committee, therefore, recommends that a fund of at least a quarter of a million dollars be accumulated by June 1930, such fund based and inaugurated to be known as the 'Grand Lodge Memorial Fund,' to be an open, continuous fund, to which additions by way of grant, donation, devise or bequeath may be made in the future by individual Masons and Lodges, and from Masonic functions and events, the fund to be invested and its revenue or income to be used for benevolent purpose by and under the control and direction of Grand Lodge."

The following indicates the expenditures and receipts during the year ending April 30, 2010, as regards the Memorial Fund:

Expenditures:	Grants (Applications)	\$ 49,400.00
	Salaries (Office Staff)	12,000.00
	Fees (Firm of Scotia Cassels)	<u>7,565.18</u>
	TOTAL	\$ 68,965.18
Receipts:	Income on Investments	\$ 55,125.36
	Donations/Bequeaths	<u>151.60</u>
	TOTAL	\$ 55,276.96

Constitutionally, the required Annual Meeting was held on April 8, 2010, at the Grand Lodge office. At that time, the committee reviewed five (5) Applications for which the recipients had previously received a grant. Additional grants were recommended to four of the applicants. One application was denied. There were also four (4) new applications for

which grants were recommended.

The Powerpoint Program has been reviewed and up-dated. The committee is of the opinion that the program would best be used as a 'teaching tool' to assist those directly involved with completing the Application Form rather than simply used to impart general information as regards the historical background.

The Application Form is also under review. Often, there are not sufficient details to allow the committee to make informed decisions as to the Applicant's financial situation. It is a case of trying to alleviate inconsistencies of information and making sure that the information provided is clearly stated.

The use of a free Conference Call service has been used this year by the committee which greatly enhances our deliberations. It speeds the processing of the Application upon receipt.

Tasks to be completed by request of the Deputy Grand Master (i.e. Cash Account at the Office for emergency use, Committee Job Description and Inventory) have been completed in good faith.

On behalf of the members of this committee, I wish to express an appreciation to the District and Lodge Chairmen of Benevolence for your compassion towards your Brother Masons and/or their dependents. Be mindful, however, that your task does not end until you are replaced in that office. Continue to be vigilant of the needs of others' every day, every week, and every month as long as you hold the title of Benevolence Chairman.

In addition, I extend a heartfelt thank you to M.W. Bro. Terence Shand, and Mrs. Stacey Birks, Supervisors of Benevolence at the Grand Lodge office. Your caring and diligence to all concerned is much appreciated.

Respectfully submitted on behalf of the committee: R.W. Bros. W. M. Atkinson, Jr., T. Richard Davies, Robert C. James, James A. R. Keith, Robert E. Kerr, J. D. Kingston, Paul J. Mullen, K. L. Whiting, and Charles A. Woods.

GREGORY H. HAZLITT, Chairman

REPORT OF THE LODGE RESOURCES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Lodge Resource Committee mandate is: *"To provide, the effective continuance of the Friend to Friend, Mentor, Officer Progression, and Brother to Brother Programmes, for the betterment of the constituent lodges and their members, within each District of the Grand Jurisdiction."*

The Vision Statement is: *"To present these Masonic Membership initiatives in a timely, regular and on a rotational basis, providing for the monitoring and reporting of the program(s) usage and improvement, and to develop new initiatives to better serve our membership needs."*

This has been a most productive year and the results achieved are from the combined efforts and the dedicated commitment of the team members. It has been an honour and great privilege to work with these talented and dedicated Masons and I am pleased as chairman to present the following combined Lodge Resources Committee and TEAM Leaders Report.

TEAM LODGE RESOURCES

In August, the Deputy Grand Master tasked the Lodge Resources Committee with the responsibility of responding with recommendations to two GAP questions that came about as a result of the Committee of General Purposes Feedback seminar arranged by the Lodge Resources Committee in February of 2009. These GAP questions arose in answer to the Questionnaire that was filled out by the participants. These questions and answers formed the basis of the committee reply, and they are included in this report with the following recommendations:

1. ***"Grand Lodge has programs in place to help it clearly understand and prioritize the needs of current and future members."***

OBSERVATIONS:

The committee in general agrees with this statement; however, it would remark that the programs of Grand Lodge are not well communicated, and therefore under utilized by the lodges and their members giving the impressions to the membership that none are available for use.

- (a) The committee by consensus feels that as a result of this general failing of communication of these programs and their availability that the District Deputy Grand Masters and the Board of General Purpose members are lacking in conveying and promoting these programs, and thereby the possible benefits of utilizing these initiatives of the committees of Grand Lodge become superfluous.
- (b) Therefore, as little or no knowledge of the programs of Grand Lodge are discussed nor promoted at the district or lodge level by the above, we appear to talk the talk but not walk the walk. The committees by in large, as a result of this lack of program communication and the benefits of usage, continually attempt to re-invent the wheel each year in order to get the message out to the constituent lodges.

RECOMMENDATIONS:

- (a) It is recommended that an "Advertising Initiative" be endorsed by the Grand Master, Deputy Grand Master, District Deputy Grand Masters and Members of the Board of General Purpose in each and every year, actively promoting these programs and their possible benefits, relying on the results of published success stories to aid and assist them in conveying program benefits.
- (b) Further that the Grand Master have the importance of the programs communicated at the Regional Meetings, when he meets with the District Deputy Grand Masters of the jurisdiction in August, and that follow ups are done via questionnaires at the Mid-term Meeting in January of each year with them. And, the results supplied to the Chairmen of the respective committees of Grand Lodge.
- (c) In addition, that the Chairman of the District Deputy Orientation Committee reinforces to the prospective District Deputy aspirants, the importance of the programs of Grand Lodge with handouts and contact information for the chairmen of these committees.
- (d) That new programs be introduced as defined by committee to peak the interest of the current and new member experience.
- (e) That a focus group be established to evaluate the current members experience and what their expectations for their continual involvement in Masonry might be in the future.
- (f) That District Masonic Associations and Past Grand Lodge Officers be mobilized to assist in the communication and where desire is indicated, participate in the presentations of these initiatives.
- (g) Communicate at the Annual Communication and at a Booth, the College of Freemasonry Courses and the Masonic Review, thereby providing the opportunity for the member to enhance his Masonic experience.
- (h) That the districts network be improved/established to assist and communicate the lodges in using the available resource material and that this be done first, before Grand Lodge committees are contacted. If the district is not equipped with the resources to assist, then the particular Grand Lodge committee chairman be contacted. In addition, the Grand Lodge committees would be responsible for improving and enhancing the program material and conducting regional workshops to facilitate usage.
- (i) That the Districts of the Grand Jurisdiction elect in addition to the District Deputy, a District Convener to act as the chairman of district committees seeing that the district chairmen are administering the programs of the district, thereby freeing the District Deputy's time up for more ceremonial responsibilities. In the second year the District Convener would become the District Deputy Grand Master of the District. In this way the District Deputy would be well informed of the benefits of these vital initiatives. In the second year, a new District Convener would be elected and take his place as District Deputy the following year.

2. *"Grand Lodge understands the critical elements of the new member experience and has the programs in place to retain and continually engage them."*

OBSERVATIONS:

The committee in general disagrees with this statement and observes the following: The new member experience begins with the application process and ends with the Brother receiving the third degree. The new member has an expectation, through this experience, which stimulates his interest and curiosity and his thirst for knowledge is peaked, aroused and satisfied after receiving each degree. He is challenged by the requisite requirement to “prove his proficiency” after each degree. Unfortunately, there is no program in place to continue to neither satisfy nor challenge that curiosity once the degree process has concluded.

RECOMMENDATIONS:

- (a) Make the completion of the College of Freemasonry Course the “History and Origins of Masonry,” mandatory for each newly raised Master Mason thereby keeping his level of curiosity and thirst for knowledge wetted and enhance his Masonic experience. This might be offered through the new “Intra-Net” being developed by the Grand Lodge Communication Committee, thereby providing easy of use for the new member experience.
- (b) Establish an independent “Focus Group” with qualified facilitators to conduct jurisdiction wide, “New Member Experience Sessions” for members with more than one year, but less than five year’s seniority.
- (c) As new members are more sophisticated, educated and informed through the use of the Internet, develop new initiatives with five year time lines which are renewable after evaluation, if deemed to satisfy the new member experience.

Although it is recognized by the committee that some of the recommendations have been supported by the respective committee chairmen of Grand Lodge, it is agreed that communication of the vital programs available to the constituent lodges has been under “Promoted and Endorsed” at every level of Masonry in the Grand Jurisdiction in the past.

I would stipulate that the opinions and recommendations of the committee members in this response are based on personal opinion and observation over several years.

ESPECIAL COMMUNICATION OF GRAND LODGE

In addition, the committee was pleased to make three presentations from the TEAM Leaders of Officer Progression, Friend to Friend, Mentor and Brother to Brother at the Especial Communication in September 2009 in Sudbury, and we thank the members of Sudbury-Manitoulin District for receiving us so warmly.

TEAM BROTHER TO BROTHER**OVERVIEW**

An exhaustive review of the B2B Program – Section 4 in the Lodge Resources Manual was conducted. Its purpose was to reaffirm the value of the program material and make adjustments where necessary in the content and format. This was completed by April 2010 and the team has established the review process as a yearly function of the team.

- Program overview sessions entitled, “Making Good Lodges Better” were conducted in our focus region of Northern and Western Ontario, which included Algoma, Algoma East, Sudbury-Manitoulin, Temiskaming, Nipissing East, Muskoka Parry Sound and Western Districts. In addition, requested overview sessions were held for Ontario District, Hamilton Districts Master and Wardens Association, and Wilson North District. Following each session participants completed a questionnaire that provided feedback to the team on the program material provided. Following these sessions the brethren indicated that they improved their comprehension of the program material substantially. Many of the individual comments clearly indicated that they had received direct and measurable benefits from their participation.
- Distribution and promotion of the NEW Lodge Greeters Team Guide was accomplished through the network of team members across the jurisdiction and through the overview

sessions conducted. The guide was received by many lodges as a value added initiative, particularly in its suggestion that the EA, FC, and new Master Mason be included so that they are more quickly introduced to all lodge members.

- A Rusty Mason Event Guide has been developed for inclusion in the “RENEW” section of the B2B program and its purpose is to provide assistance to the constituent lodges as they put together an event to help long absent brethren become more familiar with the business and degree elements of a lodge meeting. It is held in a casual and social setting so that the brethren taking part don’t feel too intimidated as they are reminded of some of the key elements in our ritual. Those lodges who have implemented such an initiative have had good success in bringing these brethren back into the Light of Freemasonry.
- The team this year has made a concerted effort to develop an increased ability to make presentations through the jurisdiction. This has been accomplished by involving many new team members and using their individual skills to enhance the team’s ability to provide value added presentations. We will continue to grow this valuable resource, and we will work with the committee as a whole to expand into a regional presentation team concept.
- The team played an integral role in the presentation of Lodge Resources Chairman Workshops held in Brant, Hamilton A, B & C, Niagara A & B, Waterloo, Wellington, along with Wilson North & South Districts, and the Idea Sharing Sessions held in Toronto Don Valley, Toronto East, Toronto Humber Valley, Toronto West and York Districts. More than 180 lodges received substantial direct benefits from these sessions. During the Idea Sharing Sessions, we encouraged lodges to have their new Masons attend and the resultant effect was a greater understanding of the types of activities that these new members were looking for from their lodges.
These included, but were not limited to:

Formal banquet hour	Small Ritual parts	Masonic education
Structured mentoring	Family outings	Casual fellowship outside lodge
Electronic newsletters	Web based forums	Charitable work in community

PROJECT GOALS:

- The Cornerstone Project was the team’s special initiative this year. It is a lodge recognition program that provides the designation of “Cornerstone Lodge” to lodges that has well rounded yearly programs for their members and who meet prescribed standards. The Cornerstone Project was piloted in fifteen districts and we have been extremely encouraged by the number of lodges that have chosen to enroll in this value added initiative. The following is just a small example of the positive impact the Cornerstone Project has had with those enrolled:

“It has improved participation in lodge activities like workshops and ladies nights.”

“Members are more involved, it has made everyone more proactive and interest has increased in new and older Masons.”

“Involvement has created a new focus on the core principles of Freemasonry.”

“It has improved teamwork, there is more pride in what we are doing and it provides measurable objectives that challenge the lodge.”

“It has helped our lodge re-focus on the basics, it has created an environment that has allowed us to re-examine what we are doing and as such, lodge officers are finding ways of making lodge meetings more interesting.”

TEAM RECOMMENDATIONS:

1. The Cornerstone Project has proven itself, during the piloted phase, to be a valuable

tool for Making Good Lodges Better. It has not just been about recognizing lodges for their proficiency and quality of programs for members, it has more importantly been about lodges who have taken up the challenge, improved member services and raised the bar in many areas of lodge operation. This is the underlying goal of the Cornerstone Project and we believe that the first big step has been taken. The team strongly recommends that a means be found to involve all constituent lodges.

2. Continue with the development of the regional presentation team concept. As we expand our pool of presentation resources, we enhance our ability to provide value added benefits to the constituent lodges in a timely manner.
3. Based on the information gathered through this year's feedback questionnaires submitted by each participant, there is a tremendous desire on the part of lodge members to attend annual Lodge Resources and idea sharing sessions conducted by the districts. Establishing a means to meet this expressed need should be a priority in the coming year.

This is the third year in which Brother-2-Brother has played an integral role in the much larger Lodge Resources Committee. In our view the decision to conjoin Friend to Friend, Mentor, Brother-2-Brother, and Officer Progression continues to pay huge dividends. Being allowed to showcase these programs in an integrated manner demonstrates the success that can be achieved if the programs are fully embraced by the constituent lodges of the jurisdiction.

TEAM OFFICER PROGRESSION

OVERVIEW

The Officer Progression Program is designed to provide resource material and workshops that assist and support Lodge Officers and Lodges as they move towards the chair of King Solomon. The programs can be requested and presented as a District session, a combined District session or as an Individual Lodge session.

The Officers Progression Program includes an Officer Preparation and Master's Chair workshop, as well as a Deacon's self directed learning module. The Team participated in the Lodge Resources Committee and Lodge Resources Manual overview sessions and presentations as they were scheduled around the province. An Officer Progression Team Job Description and a Team Leader Procedure Manual has been developed for use as a template and guide for the duties of the Team Leader and Team Members. Work continues on a "Call to Order" module, a Training Needs Analysis Tool, and a Duties and Responsibilities of Officers module for utilization of the lodges.

In 2009–2010, the Officer Progression Team participated in two Lodge Resources (LR) Manual rollout sessions (Wilson Districts and Niagara A and B), the LR Manual Feedback Sessions in Toronto and York Regions, an Officer Preparation workshop in Thornhill and Oshawa, a Master's Chair presentation in Hamilton, and a joint Brother-to-Brother/Officer Progression session in Woodstock.

In addition representations were made in the Lodge Resources Committee Tour of Northern and Western Ontario, which included Algoma, Algoma East, Sudbury-Manitoulin, Temiskaming, Nipissing East, Muskoka Parry Sound and Western Districts.

LOOKING FORWARD

The Officer Progression TEAM looks forward to another productive and active year next year as part of the Lodge Resources Committee. The Officer Progression Team will continue to actively support and assist in the development and presentation of the programs and projects of the Lodge Resources Committee and Officer Progression Team.

TEAM RECOMMENDATION:

The Officer Progression TEAM recommends the following modules for presentation consideration at the Overview Sessions:

MODULES

1. Deacon's Floor Work
2. Call to Order
3. Masonic Leadership
4. The Master's Chair

SUGGESTED PARTICIPANTS

All junior officers, Junior and Senior Deacons
 All officers and or members
 All officers, Junior & Senior Wardens
 All officers, Wardens and Worshipful Masters

The modular approach will provide training geared to the level of authority and responsibility of the various offices.

It is our hope that the new modules will be approved and ready for the Officer Progression Committee to offer during the 2010-2011 Masonic year.

TEAM FRIEND TO FRIEND AND MENTOR**OVERVIEW**

I am pleased to report that the Friend to Friend and Mentor Committee has been active throughout the jurisdiction in 2009–2010. Over 25 individual lodges have held Open Houses either strictly as an Open House or in conjunction with another event such as: a MasoniCHiP Clinic, a Family Night, Christmas Event, a Friend to Friend Event, a Fish Fry, Community Breakfasts and many others.

There have also been over a two dozen Friend to Friend and Mentor events and presentations by committee members from Sudbury to Sarnia, Peterborough to Port Dover, Sudbury to Thunder Bay and on into Western District with the Kenora brethren hosting. Several phone calls and e-mails were received for information and the TEAM was indeed pleased to be able to successfully direct most queries to the Grand Lodge website in general and the Friend to Friend and Mentor Program locations in particular for the necessary information to conduct awareness raising events. These encompassed the full range of events from an evening dinner Friend to Friend Event, Friend to Friend Mentor combination event.

The Especial Communication in Sudbury in September 2009 afforded the opportunity to bring 'the Grand Lodge Experience' to an area which, due to travel distances, will often not have the opportunity to view such an event. The committee chairman over viewed the Friend to Friend and Mentor Programs for the brethren in attendance, and was sincerely warmed by the reception and courtesies of our northern lodges.

LOOKING FORWARD

A Draft Open House Manual was completed for use throughout the jurisdiction to maintain the ground swell of community involvement that Open Houses across the province have engendered. This manual, along with an updated Friend to Friend and Mentor presentation CD and a brand new Friend to Friend DVD, will provide the current and relevant tools necessary to continue to aide the districts and lodges of the jurisdiction to provide information to both the prospective initiate and the community at large.

IN CONCLUSION

This year the TEAMS, as they did last in the last two years, have gone to great lengths to encourage and create an environment of cooperation and open communication between the committee, districts and constituent lodges. It was our goal to build on the momentum created from passed efforts, and we have been extremely pleased with the results. We have traveled together throughout the jurisdiction promoting and presenting these vital lodge programs.

Your Lodge Resources TEAM is blessed with a fine group of dedicated brethren at each TEAM level and I thank V.W. Bro. Kevin Smith, Officer Progression TEAM Leader, R.W. Bro. Kim McGeagh, Friend to Friend/Mentor TEAM Leader, and V.W. Bro. Iain Wates, Brother to Brother TEAM Leader, as well the brethren who form the backbone of these TEAMS and served so unselfishly, donating their time and talents to the initiatives of TEAM Lodge Resources for the betterment of the lodges and Districts of the Jurisdiction.

In closing, I wish to express my appreciation to the Grand Secretary, M.W. Bro. Terry Shand and the staff at Grand Office for their unqualified support. I also extend to the District Deputies of the Jurisdiction the gratitude of the committee for their co-operation in scheduling the Overview, Feedback and Training Sessions, without your assistance we

would not have had the Program exposure so necessary for their success. We also thank you, the members of this great Fraternity, for the support and inspiration that you have provided to each of us as we endeavour to serve you in a manner that you so rightly deserve.

It is imperative that the use of these Programme(s) be communicated at every level, and on every opportunity throughout the Lodges and Districts of the Grand Jurisdiction, now and in the future.

All of which is respectfully submitted on behalf of the Lodge Resources Committee.

DAVID R. DAINARD, Chairman

REPORT OF THE D.D.G.M. ORIENTATION COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We as a committee have been quite active. We conducted eight Orientation Sessions across the Grand Jurisdiction: Seven in October and November in 2009, and one in April 2010.

We had a number of objectives for the past year which we believe were accomplished as listed below.

1. Streamline PowerPoint Presentation for the Orientation of prospective D.D.G.M.s and prospective District Secretaries.
2. Incorporating into our Orientation Seminar presentation time for the Condition of Masonry Committee. This has worked quite successfully and we want to thank R.W. Bro. John Hay and the committee members for their cooperation and assistance in melding everything together.
3. This year we availed each aspirant who attended a seminar with 4 hard copies – The PowerPoint Presentation, Duties of the District Secretary, The Role of the District Deputy Grand Master, and Information for Prospective D.D.G.M.s. These documents can be used for future reference.
4. Our committee also sent a letter in early March to each aspirant who attended a seminar in the fall asking if they wanted any further information or assistance that we might provide them.
5. In our presentation we emphasized the contact information of W. Bro. Dale Graham who provides all information for the D.D.G.M. Correspondence Course.

This spring we acquired the assistance of W. Bro. Richard Kaufman of Waterloo District to update and further streamline our PowerPoint Presentation. We want to thank W. Bro. Kaufman for the generosity of his time and expertise.

Our committee is pleased to report that 130 aspirants attended our seminars and we thank them for their interest. We also want to express to our current D.D.G.M.s our thanks for their promotion of our seminars in their respective districts.

RECOMMENDATIONS

There is a recommendation coming forward that all candidates for D.D.G.M. be required to take the D.D.G.M. Correspondence Course as a Constitutional Amendment. Further suggestions:

1. D.D.G.M. candidates be required to attend a D.D.G.M. Orientation Seminar.
2. All aspirants for District Secretary be required to attend a D.D.G.M. Orientation Seminar.
3. Candidates for Office of Grand Registrar should attend a D.D.G.M. Orientation Seminar.

R.W. Bros. Norm McCarthy, John Hay, David Cameron, W. Bro. Dale Graham (College of Freemasonry) and myself also corresponded on what could be recommended to further educate Grand Wardens, Grand Registrar and appointed Grand Lodge officers through some training course, an information pamphlet or booklet. Further discussion will be required to consider recommendations that will be feasible for these positions.

During the seminars, we sold fourteen hundred dollars worth of Grand Lodge books and pamphlets. This is an increase of 40% over last year.

Our committee is continuing to work with the Deputy Grand Master to develop a Strategic Plan for D.D.G.M. Training.

During this past year, I have had the opportunity to work with eight very dedicated Masons who have demonstrated their commitment to our great fraternity. I want to publicly thank them for their contribution: R.W. Bros. Jack Nancekivell, Paul Johnson, Norm Allingham, Tom Keith, Dave Snedden, Dushan Surovy and V.W. Bros. Les Sulzer and Bob Ledingham.

All of which is respectfully submitted.

JOHN C. GREEN, Chairman

REPORT OF THE COMMUNICATIONS COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The implementation of a Communications Centre of Excellence within the framework of the Strategic Plan of Grand Lodge saw four teams place under one operational structure. In conjunction with R.W. Bro. D. Garry Dowling, Deputy Grand Master, R.W. Bro. Paul Todd, Management Committee Liaison and the Team Leaders: R.W. Bro. Douglas Conway, V.W. Bro. W. Bruce Miller and V.W. Bro. Kris Nickerson and their respective teams, everyone worked diligently to help form a cohesive network. I wish to thank everyone for their assistance and support throughout the year.

Publications

The committee provided technology assistance to the Custodian of the Work in conjunction with the Grand Secretary for the electronic reproductions of new releases of the following material in Microsoft Word format, as well as in portable document format (PDF) with the "Read Out Loud" function activated for Acrobat Reader for visually impaired brethren.

- I. Book of the Work – 2009
- II. Book of the Work (EA Edition) – 2009
- III. Book of the Work (FC Edition) – 2009
- IV. Book of Installation – 2010
- V. For the Information of the Man Who has Expressed Interest in Masonry (Booklet 0) – 2010
- VI. The Entered Apprentice (Booklet 1) – 2010
- VII. The Fellowcraft (Booklet 2) – 2010
- VIII. The Master Mason (Booklet 3) – 2010

License Plate Project

In conjunction with the Grand Secretary, the committee assisted in the liaising with the Ontario Ministry of Transportation in bringing the Masonic License Plate Project to fruition. The license plates are available for purchase from the Grand Lodge office while supplies last or from the Ontario Ministry of Transportation.

Registration

Our third year using the notebook computers for Registration at Grand Lodge went off without a hitch. V.W. Bro. Kris Nickerson's registration program accurately noted each registrant and his lodge numbers and data for future publication in the Proceedings. His team is also responsible for the count of the ballots cast for election to the various offices at Grand Lodge.

Grand Lodge Web Page (www.grandlodge.on.ca)

The Grand Lodge website to date has received 918,000 visitors. The website is comprised of several thousand pages of Masonic information from within our jurisdiction. These numbers are quite extraordinary as far as websites of this nature are concerned. In order to maintain the quality and predominance of our website within the Masonic community at large, the Deputy Grand Master has instituted a Website Strategy Review Committee.

The host for the Grand Lodge and the Grand Lodge Library websites were move from a private hosting service to a service completely managed by Grand Lodge which will result in a better and more secure future for our website.

An interim Webmaster was appointed by the Grand Master, Bro. Travis Dafoe a member of Simcoe Lodge No. 79, to manage the website and I wish to thank him for stepping to the role and assisting Grand Lodge in the management of its website.

Internet Participation

We have to date, 49 District Websites which have received approval, or are in the process of being approved. There are 147 Lodge Websites which have received approval, and 5 Specialty Websites. These District and Lodge websites have to uphold Grand Lodge website policy to receive and retain approval, (as detailed on the Grand Lodge website, and which are also adhered to by the Grand Lodge website itself).

Respectfully submitted on behalf of the team.

ROBERT KLIAMAN, Chairman

INTERNAL COMMUNICATIONS

The Internal Communications Team achieved the following results throughout this Masonic year:

- I. Email distribution contact lists for Past Grand Masters, current D.D.G.M.s and Grand Lodge Officers were maintained so that itinerary updates for the Grand Master, special announcements from Grand Lodge Officers and committees as well as notices of other newsworthy events could be communicated in a timely manner. As of this writing, 155 distributions have been made which is a significant increase from previous years efforts. It is noted that many D.D.G.M.s took the initiative and had these items redistributed to their district email lists. A District Communications Committee Chairman can be of great assistance with this task.
- II. D.D.G.M. Trestle Boards for all districts were collected and distributed in Adobe PDF format. Ready access to the published information is always of great assistance to many Grand Lodge Officers and committees.
- III. The required maintenance of the Grand Lodge web link of 'What's Happening' was kept up to date by the Webmaster. Most data is derived from the D.D.G.M. Trestle Boards, but special event announcements are also added as they relate to either a Grand Lodge or district event. Internal Communications by necessity maintains a close connection with our Webmaster.
- IV. The committee monitored the Guest Book on the Grand Lodge website and answered all membership queries. Interested prospective Masons from Ontario were referred to the Grand Secretary for distribution and contact through the D.D.G.M.s.
- V. The committee again reviewed district and lodge websites to check that they are being kept up to date and that the data and links are correct. If updates had not been made, this was reported to the Webmaster for follow up and possible deletion of the link.
- VI. The committee administered the Awards Program for Lodge Summons, Lodge or District Newsletters and Websites. Again this year, an Award Winner was selected along with a Merit Winner from those submissions made by the Grand Master, Deputy Grand Master and D.D.G.M.s.

The winners for this year are as follows:

Category	Award Winner	Merit Winner
Lodge Summons	Lorne Lodge No. 622 Algoma East District	Humber Lodge No. 305 Toronto Humber Valley District
Lodge or District Newsletter	District 'C'hronicle Hamilton District C	The Ashler Frontenac District

Lodge or District Website	Sarnia District	Bayport Lodge No. 249 Georgian North
---------------------------	-----------------	---

Summary

This committee was only able to accomplish its objectives this year through the hard work of our members who all contributed.

The information your Internal Communications Team disseminates to all the brethren is for your reading, learning and contemplation, as well as assisting you with your time management. We shall continue to work diligently at ensuring everyone can see, hear or read our message.

Respectfully submitted on behalf of the team.

COMPUTER RESOURCES

Seminars

We have conducted several seminars throughout Ontario this Masonic year. The attendance and interest has been rewarding, and will bolster our plans for continuation.

July 14, 2009	Grand Lodge (3 seminars)
September 12, 2009	Onondaga (Brant District)
November 7, 2009	Woodstock (Wilson North, Wilson South Districts)
November 12, 2009	Elliott Lake (Algoma East, Sudbury-Manitoulin Districts)
November 21, 2009	Peterborough (Ontario, Peterborough, Price Edward, Victoria Districts)
January 16, 2010	Cambridge (Waterloo Districts)
May 15, 2010	Chatham (Chatham, Erie, Windsor Districts)
May 31, 2010	Hamilton (Hamilton A, B, C Districts)

Computer Resource Disks Produced and Distributed

Over 600 CD's and DVD's were produced and distributed throughout the jurisdiction to the brethren via the seminars and to all of the District Deputy Grand Masters (D.D.G.M.s). The disks contained a significant amount of information including all current Grand Lodge forms as well as significant other resource material for the benefit of not only the lodge Secretaries and Treasurers, but the three principal officers of the lodges as well.

Grand Lodge Office Technology Audit

In the fall of 2009, a technology audit was completed at the Grand Lodge Office. As a result of that audit, recommendations were made for the implementation of a three-year continuous improvement program for hardware and software technology at the Grand Lodge Office.

New Equipment

As result of the Technology Audit, the first phase of the implementation plan was set into place which saw the replacement of the server and backup devices at the Grand Lodge office. Subsequent phases will see the implementation of new workstations, software and printers.

Grand Lodge Forms

Several Grand Lodge forms, including the Semi-annual Return, are posted on the internet in the Grand Lodge Forms site (www.grandlodge.on.ca/Forms). These forms have been restored to the Computer Resources Distribution CD and postings are made to the Forms Site as updates are applied so that these are available to all in a timely manner.

Most of these forms and the Semi-annual return may be completed on a computer using Adobe Acrobat Reader, available as a free download from www.adobe.com or from your Computer Resources Representative.

Lodge Programming

The Distribution CD for 2009 – 2010 contains the following files:

Acrobat Reader 6.0	Full installation program (older Windows programs)
Acrobat Reader 7.0 + Update	Full installation program
Acrobat Reader 8.0 + Update	Full installation program
Lodge Finance Programs	Microsoft Excel and Quicken Files
Helpful Utilities	Some DOS graphic conversion programs
Masonic Graphics	Square and Compass files, etc.

Microsoft Applications	Templates for dues card creation, summons, etc.
Microsoft Works	Some templates for database, summons, etc.
Zip Programs	WINZIP
Spygraphic A	Website recorder for concerned parents
Pretty Good Privacy	Alternative Security Program
Lodge Database Program	Written by W. Bro. Robinson, Moira Lodge No. 11
PDF995	Full suite PDF programming and explanation
Summons	An overview of the rules, programming needed, method of preparation and reception of summonses sent by the medium of email. A copy of the most recent Powerpoint email presentation is included.

Sight and Hearing Challenged Brethren

The lodges who have members who are sight impaired may apply for a special CD, designed to be used with the voice synthesizer in their computer. We also distribute copy of the Book of the Work in Large type, on 8 1/2 x 11 paper.

Both of these items are available to any member who suffers sight impairment. Application to Grand Lodge for this CD or large type must be made by the lodge on behalf of the member, on lodge letterhead and signed by the Master. The following publications are available:

- VII. Book of the Work – 2009
- VIII. Book of Installation – 2010
- IX. Book of Constitution – 2009 (the 2010 edition will be made available after July 2010)
- X. Guide and Mechanics – 1985
- XI. Meeting the Challenge – 1998
- XII. Several other Grand Lodge Publications

These files are password protected and formatted in Microsoft Word and Adobe Acrobat format as required by the standards set down by the manufacturers of voice synthesizer equipment and approved by the C.N.I.B.

Respectfully submitted on behalf of the team.

KRIS NICKERSON, Team Leader

ONTARIO MASON MAGAZINE

I thank you for the opportunity of serving as Editor of the Ontario Mason magazine for the year 2009 – 2010.

The Ontario Mason magazine again endeavoured to produce a higher quality magazine printed on 60 pound Allegro gloss paper. The focus was on stories that used larger pictures and more feature stories. We produced 50,00 copies that were able to achieve a much reduced number of returns due to an improved database.

The Ontario Mason magazine continues to be the public face of Freemasonry in Ontario. It communicates to the public, and to our brethren, what Masons do privately and publically to serve our communities while carrying on a proud tradition of education and character building. It also continues to be a primary tool for recruitment by attracting the interest of non-members who have their interest elevated by seeing that Masonry isn't a "secret society," but one that, while it may have secrets, invites its members to participate in their communities in building a better nation and better men.

My greatest thanks to the efforts of the Grand Secretary, M.W. Bro. T. Shand, V.W. Bros. Robert Kliaman and Kris Nickerson for their efforts, understanding and guidance in furthering the completion of this project.

I strongly recommend that we continue to produce the Ontario Mason magazine using a further improved dynamic database involving all of our lodges.

The committee was comprised of the following brethren, whose valuable assistance helped bring the magazine to fruition:

- XIII. Robert C. McBride (Assistant Editor)
- XIV. Douglas Crawford (Graphic Design and Layout)
- XV. David Wiggins (Advertising Chairman)
- XVI. Don Hanton (Advertising)
- XVII. Matt Flikweert (Reporting)

Respectfully submitted on behalf of the team.

W. BRUCE MILLER, Team Leader

REPORT OF THE YOUTH INITIATIVES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This committee was formed by our former Grand Master, M.W. Bro Allan J. Petrisor at our Grand Lodge Communication in July 2007. As a new committee of Grand Lodge, we had to start at the bottom and decide what and how we were going to proceed. Our first objective was to come up with a mandate and a motto.

MANDATE: "Goal is to grow, solution is out there, it begins with us."

MOTTO: "Masonry is in the hands of our youth."

The three youth groups in Ontario are the DeMolay, Rainbow for Girls and Jobs Daughters. All the youth groups range in age from eleven to twenty, with twenty-one as their age of majority when they can become advisers to their groups. DeMolay and Rainbow for Girls are open to everyone; the Jobs Daughters must have a Masonic connection some place in their family history to belong.

Our place as Masons is to not interfere in the operations of any of the youth groups; they have managed just fine without us for many years. We are there to offer support by our presence at their meetings and to contribute financially where needed.

Our committee noticed in our first year that these youth groups did not know that a lot of Masons were already supporting them. We brought this to the attention of our Grand Master, and at the next year's Grand Lodge Communication he authorized the wearing of our regalia at all youth group meetings. What a difference this made in our presence at their meetings. They could now see the amount of support the Masons were giving to them.

Before our committee came into existence, we were averaging 20% of the DeMolay who went on to join Masonry after they became 21, and they were ones who had a family connection with Masonry. Now, three short years later, we are averaging 75%. This has happened by our support of the youth groups over the last three years. Our lodges are inviting the youth groups to their lodges to put on demonstrations and give talks about their group. This has resulted in the DeMolay growing from 60 members three years ago to over 160 members today. Dad Ernie Loisselle commented that two years ago the DeMolay were known as the DeMo-What??? But now DeMolay is an accepted part of the Masonic Family in Ontario.

Last year our committee assembled a pamphlet to promote the youth movement. The success of this pamphlet has gone beyond our imagination. Last year the Jobs Daughters had only one Bethel left in Ontario and that Bethel had only one member, due to the age of majority of their members. Now they have 10 new members and the possibility of a new Bethel in Toronto. They advised us that 3 of the new members were directly attributed to the youth pamphlet we produced.

Each year, the DeMolay select a Provincial Sweetheart from among the Rainbow for Girls and the Jobs Daughters, and then select a charity to raise money towards during the year. Two years ago the charity was Prostrate Cancer, last year the charity was MasoniCh.I.P., and this year it is the Shrines' Hospital. Each year they have raised over \$2200.00. What an accomplishment! They do this and have fun at the same time.

This year our committee has received permission to create an annual Youth of the Year Award. The recipient will be selected from the three youth groups according to their accomplishment in their group, school and community. I know that this will be a very tough decision to select one from the many who deserve. The recipient will receive \$500.00 and their home chapter, Bethel or assembly will receive \$300.00. A large plaque will be created to include their name and group and will be added to each year, as well as a smaller plaque to keep.

Last year at the Grand Lodge Annual Communication, M.W. Bro. Allan J. Petrisor was installed as an Honorary Member of DeMolay. An impressive ceremony was witnessed by several Masons and their families — M.W. Bro. Petrisor kneeling on one side of the Altar and Provincial Master Councilor Andrew Brown kneeling on the other side of the Altar, giving the obligation to our Grand Master.

I had the privilege of receiving the same ceremony, when I was honoured with the full rights and privileges of Honorary Membership of DeMolay, from Provincial Master Councilor Andrew McDonald at the Sweetheart Ball spring convention on March 6, 2010,

at the Consistory, in Hamilton. As I knelt at the Altar, 19 new DeMolay initiates formed a triangle behind me and then placed their right hand on each others shoulder. When I felt the hands of these new DeMolay, one on my right shoulder and one on my left shoulder, I was reminded of that General Charge in the Installation Ceremony "from generation to generation."

W. Bro. Gerry Ouellette, one of the Youth Initiatives Committee members, and the Toronto East District Youth Chairman, had the pleasure of accompanying R.W. Bro. William Utton to a Rainbow for Girls meeting on March 13, 2010, at the Scarborough Temple and presented the Rainbow for Girls with a cheque for \$1500.00 on behalf of North Gate Lodge No. 591, that went dark last year, and on March 28, 2010, he accompanied R.W. Bro. William Utton and W. Bro. Dean Bergerson and presented the Boys of DeMolay with a cheque for \$1500.00 at Doric Temple. Thank you North Gate Lodge for thinking of our youth groups!

During the last year, three senior DeMolay, upon reaching the age of twenty-one, joined the Masonic fraternity. All three received their Master Mason degrees together on April 17, 2010, at Irvine Lodge, in Fergus. What a day for these young Masons and for the future of our great fraternity. Yes my brothers, *"Masonry is in the hands of our youth."*

My brother, you can not believe the great feeling you get out of being with these young men and ladies and the wonderful ritual they perform. I have witnessed the growing up of some of the finest young people you will ever meet, and I have a feeling that our country will be in better hands from their involvement in the Masonic youth groups. Do yourself a favour and visit one of their meetings. You will leave in a better frame of mind and feel young again.

Our committee would like to express their appreciation for the assistance and advice from our Grand Master, Deputy Grand Master, Grand Secretary and our Centre of Excellence Leader.

I would like to thank the members of this committee for their unselfish time in the support of the youth of this province: R.W. Bros. Barry Hutton (Vice chairman), Steven Armstrong, Allin Brown, Ernie Morrison, David Nichols and Andrew Dobbie, V.W. Bro. Scott Dunlop, W. Bros. Richard Loomes and Gerry Ouellette, Bros. Sheldon Kofsky (Secretary) and Jason McGregor.

Respectfully submitted on behalf of the Youth Initiatives Committee.

REPORT OF THE LEADERSHIP TRAINING DEVELOPMENT COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The committee applauds the Grand Master and his Deputy for their recognition for the need to assist in the development of the future leaders within our Grand Lodge.

Our mission – To contribute to the advancement of Grand Lodge by enhancing and/or recognizing leadership skills necessary to create a more positive change in our fraternity and provide the opportunity to develop needed skills.

A Resource Guide for the New Members of the Board of General Purposes has been distributed to each honorary, elected and appointed member. The fourth orientation session for inductees was conducted last August bringing to a total 23 graduates. Sixteen of those are still current members of this Board. Change is inevitable however beneficial and with this high a turnover it is important that we provide some working tools for these individuals. Feedback has been positive and rewarding and we welcome the opportunity to continue this practice in the ensuing years. This document while in use will continue to be updated, refreshed and reissued.

Many of our Committees are now using PowerPoint presentations as a form of communication at seminars and via the GL web site. Most have had no formal training in PowerPoint presentations and a number of these presentations are lacking in style and content. A guideline has been developed for each committee to use in their preparation of these presentations complete with a standard title page and separate template for subsequent

slides that creates a common 'branding'.

An online questionnaire or survey was developed to measure the experience of the Grand Lodge committee members. Our first attempt was reasonably successful, however we were not able to accurately measure the results. We were able to determine that just over one half participated representing 21 of 24 committees. Of those respondents approximately fifty percent claimed to be serving on a committee for the first time and we congratulate those for offering their service to our Grand Lodge. Further analysis indicated several anomalies that were not anticipated. A second survey conducted toward the end of the Masonic Year will provide a better review of the impressions of those 253 committee chairmen, team leaders and members. These results will hopefully assist the Grand Master and his Deputy in the committee assignments for the next year.

This committee is working to develop a skills inventory form for the members of the Board of General Purposes to complete. This would include skills developed through academic training, professional career experience, volunteer expertise outside of Masonry and his involvement within the various aspects of the Craft. From the information provided, the talent could best be matched with the needs of our Grand Lodge. Once this form has been adopted it is recommended that all committee members complete it. Future considerations will be given to the availability of the form on the Grand Lodge Website for any Master Mason who is interested in offering his services.

This committee completed a comprehensive review of the Management Committee Elections format and their findings are included in a separate addendum to this report. Continued efforts of your Leadership Training Development Committee focus on Leadership Identification, Succession Planning, Grand Lodge Officer Job Descriptions and Committee Terms of Reference

It is has been gratifying to work with these committee members representing such a diverse group, with prolific proficiencies – R.W. Bros. Scott Drummond, Gareth Taylor, Dave Wood, W. Bro. Larry Barrett, and Bro. Graeme Boyce along with our advisor R.W. Bro. Terry McLean.

Respectfully and fraternally submitted, NORMAN G. MCCARTHY, Chairman

ADDENDUM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Leadership Development Committee advocates the adoption of the following addendum report.

Management Committee Elections. The duties of the Management Committee are found within the Constitution [Section 136; Part J] while the composition of the committee is described in the Constitution [Section 134; Part K]. A thorough review and proposal relating to the role for the members of the Board in the selection process for those elected members of the Management Committee has been completed. This proposal has been recently reviewed by the Management Committee and contains recommendations for both constitutional and non-constitutional changes. The Leadership Training Development Committee seek the endorsement of the Honorary, Elected and Appointed members of the Board of General Purposes for the following recommendations for the operations of the election to the Management Committee commencing in July 2011 (no election will be held this year as the current set of elected members is out of sync):

1. The election process must be fair to all and transparent to anyone and everyone. No campaigning or solicitation of support is permitted.
2. Self Nomination forms can be submitted by any eligible member of the board to the Deputy Grand Master by April 1st for April 15th confirmation.
3. The Deputy Grand Master will communicate the names of those nominated to the members of the board after the confirmation date along with the date and time of the elections.
4. Elections will take place at the Annual Communication of Grand Lodge immediately following the Grand Master's Banquet and the announcement

- of the general election results.
5. Any person nominated for election to the Management Committee who is elected to another Grand Lodge office will not be eligible and their name will be struck off the ballot.
 6. Pre-printed ballots will be utilized. A separate ballot will be used for each position on the Management Committee. If a second ballot is required the name of the successful candidate in the first ballot will be struck off the second one.
 7. Eligible voters consist of the 35 Honorary, Elected and Appointed Members of the Board of General Purposes as per section 131(c, d & e) of the Book of Constitution.
 8. Majority of members voting will constitute election.
 9. Elections will be conducted by the Deputy Grand Master (with the Grand Master as an observer) who will appoint two Scrutineers and announce the name of the successful candidate for the position(s).
 10. The terms served of each member of the Management Committee will be shown on the Grand Lodge Officer's List and in the Grand Lodge Proceedings.

The constitutional changes to be developed upon approval of the Members of the Board concern:

- a) The number of terms that a member of the Board can serve on the Management Committee be limited to three (3) consecutive or non consecutive, for a maximum of nine (9) years.
- b) The term of the two (2) appointed members of the Management Committee would change from three (3) years to two (2) years. The Grand Master following his installation will appoint both to coincide with his term in office. There will be no limit to the number of terms for appointed members of the Management Committee.

Respectfully and fraternally submitted,

NORMAN G. MCCARTHY, Chairman

REPORT OF THE COMMITTEE ON MASONICHIP PROGRAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to take this opportunity to thank all the members of our team this year. We have accomplished a great deal as a team, and through their efforts, our goals and objectives have been accomplished this Masonic year. We have spread the word into every District in our jurisdiction.

During the Masonic year 2009 – 2010, we have held 169 clinics, compared to 123 in the same period one year ago. Since the Grand Lodge Communication in July, the program has made great progress across our jurisdiction. We have held our clinics in 92 communities located in 41 different Masonic Districts. This brings us to 42 Districts that have held clinics. We have surpassed the 30,000th child.

We have 65 EZ Child ID systems at this time located in 7 locations across our jurisdiction.

Presentations by committee members and district coordinators:

Lodges	165
District Associations	8
Concordant Bodies	21
Professional Bodies	23
Corporations	15
Interest Groups	61
District/Lodge Coordinators	25
Media	111

We continue to receive accolades in the media. Our program is providing a huge dividend for our Grand Lodge and Masonry in general. We are offering this program because, unfortunately, it is needed.

Respectfully submitted on behalf of the Masonic Ch.I.P Committee.

RAY DOBBS, Program Director

REPORT OF THE PROTOCOL AND ETIQUETTE COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

If an analogy could be made comparing Freemasonry to a magnificent and imposing edifice, then surely its enduring strength – its foundations and framework – would be the equivalent of our Rituals and Ceremonies.

Many other components and finishes are added to complete a structure, before it is ready to serve its intended purpose. One of these key components, from a Masonic perspective, is Protocol and Etiquette. Protocol and Etiquette thus becomes an integrated and important feature of the finished masterpiece.

If Masonry chose to abandon the basic fundamentals of Protocol and Etiquette, the Craft as we know it would deteriorate; indeed it could even disintegrate and eventually cease to exist. Protocol and Etiquette is one of those essential components which make Masonry truly distinctive from every other organization.

Many of our brethren learn the basic principles of Protocol and Etiquette by observation, or by trial and error. Some learn from a mentor, or at a District Workshop, or at a Grand Lodge of Instruction. Some diligently pursue the excellent material that can be found in two of our Grand Lodge's publications, "*Meeting The Challenge*" and "*The Masonic Manual*."

It is the mandate of the Protocol and Etiquette Committee to promote our standards and to assist the brethren in becoming competent in them.

As the committee's third year of activity comes to an end, it is a pleasure to report that there is a strong awareness of the importance of Protocol and Etiquette in our various Masonic endeavours. The questions received from individual brethren – in person, by telephone and by e-mail – about all aspects of Protocol and Etiquette, have noticeably increased.

Formal requests for the committee to conduct a Protocol and Etiquette presentation reached an all-time high this year. Twenty-nine separate Protocol and Etiquette presentations were given by committee members over the past twelve months, throughout the province. And the interest and attendance at these workshops and seminars was excellent.

A concise, informative educational bulletin called, "*P&E Essentials*," continues to be distributed by e-mail throughout our Grand Jurisdiction on a regular basis. We are grateful for the assistance of the District Deputy Grand Masters and so many Lodge Secretaries in the distribution effort. The intent of this publication is to provide our members with useful P&E material, in an easy-to-digest format, and to stimulate feedback and interest in this important topic.

The committee continues to address the importance of two specific aspects of Protocol and Etiquette in many of our presentations, namely:

1. The Reception of Grand Lodge Officers; and
2. Banquet Hall protocol.

In addition to an information package on these particular topics, this year the Protocol and Etiquette Committee also developed a comprehensive educational guide pertaining to the Ceremony of Installation and Investiture.

Hard copies of these documents are made available to brethren who attend our presentations. They are also posted on some District websites and many copies have been distributed electronically.

Work is underway on another presentation topic (and handout) which incorporates suggestions and guidelines designed to assist a Director of Ceremonies to carry out his responsibilities more effectively.

The task facing the committee is an immense one. It will likely never be complete. However, the approach of using the electronic medium of websites and e-mail messaging, together with the more personal "hands-on" venue of District workshops, appears to be fairly effective.

The pleasure of addressing this formidable task was considerably enhanced by the

opportunity of working with a dedicated and accomplished committee. The following brethren have deservedly earned my deep appreciation – and hopefully yours as well – for all their efforts and contributions: R.W. Bros. George McCowan, (Secretary), William Chatwell, Robert Day, William Elliott, Dennis Hawman, Robert Manz, David Mead, Terry Pachal, James Pearson, Garnet Schenk, (Editor of P&E Essentials), V.W. Bros. Keith Anderson and Larry Carter, and W. Bros. Ian LaFleur and Terry Lanning.

Respectfully submitted on behalf of the committee.

GORDON C. CRUTCHER, Team Leader

THANKS

The Grand Master extended his sincere thanks to Bro. Clifford M. Tootell, Chairman and Committee on Credentials, their committee personnel; and W. Bro. George F. Benton, Chairman of the Committee of Scrutineers, and their personnel.

The Grand Master declared the above brethren duly elected.

REPORT OF THE AWARDS COMMITTEE (William Mercer Wilson Medal)

This Report was presented by M.W. Bro. R. E. Groshaw, Chairman, seconded by the Deputy Grand Master, and received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The William Mercer Wilson Medal for Meritorious Service was adopted by this Grand Lodge in 1945 and the regulations were amended in 1993.

Over the years, many uniquely talented and hard working Master Mason have been decorated with this prestigious award. This year the calibre of those named in certainly ver impressive and we tender our felicitation. Indeed, all nominees have achieved great prominence by their good deeds and actions and we trust that all lodges realize that repeat nominations are welcome for those not named below.

All lodges considering a petition should obtain from the office of the Grand Secretary, the sheet of regulations updated in August 2009.

In addition to these items listed on that sheet this committee has been impressed by the submission of supporting signatures of lodge members and the wide geographic distribution of petitioning Lodges.

In alphabetical order, those selected to receive the William Mercer Wilson Medal of Meritorious Service are:

- | | |
|-------------------------|---------------------------|
| 1. Robert Gordon BRYSON | Sudbury Lodge No. 658 |
| 2. Alexander CAIRD | Ontario Lodge No. 521 |
| 3. William George DODDS | Richmond Lodge No. 23 |
| 4. William James LEWIS | Hugh Murray Lodge No. 602 |
| 5. Gerald SIDDALL | Shuniah Lodge No. 287 |

Respectfully submitted on behalf of the committee.

R. E. GROSHAW, Chairman.

M.W. Bro. C. Edwin Drew was appointed a member of the Awards Committee for a three year term.

REPORT OF THE GRAND HISTORIAN

This Report was presented by V.W. Bro. S. Michael Jenkyns, Grand Historian, and on motion of the Deputy Grand Master, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to express my gratitude to the Grand Master for honoring me with the office and title of Grand Historian last July. This report is submitted to the Grand Master and to Grand Lodge to fulfill part of the duties of the Grand Historian according to the book of Constitution, "to record matters that are connected with the history of Freemasonry in

Ontario.”

Fifty years ago, on June 25, 1959, Queen Elizabeth and President Dwight David Eisenhower formally opened the St. Lawrence Seaway with a short cruise aboard the Royal Yacht *Britannia*. Now one Seaway “laker” or ocean carrier would carry the equivalent of 870 trucks or 225 rail cars of mineral ores, other raw materials, agricultural produce, manufactured goods, or other products by water to consumers around the world.

The Great Lakes and their waterways were formed about 9,600 years ago, and for us the Great Lakes and St. Lawrence Seaway System (colloquially known as Highway H₂O) stretches an imposing 3,100 kilometres from western prairie lands to the Atlantic Ocean in the east. It offered a rapid and efficient transportation route for the early inhabitants of today’s North America albeit with many obstacles such as falls and rapids. These often became portage points and gave rise to many small hamlets, villages and towns.

Until 1959, three impediments prevented the full use of a water route: (1) the Lachine Rapids at Montreal, bypassed by a canal in 1825 which would, by World War II, become a bottleneck, (2) Niagara Falls, which would be bypassed with construction of the Welland Canal in four stages between 1829 and 1932, and (3) the many rapids along the St. Lawrence between Kingston and Montreal, particularly in the Long Sault area. After a decade of planning and construction, the St. Lawrence Seaway would see Highway H₂O become reality.

BUT, the greatest physical impact of the St. Lawrence Seaway which is felt, even today, concerned the construction of the navigable channel through the Long Sault rapids, as well as hydroelectric stations upriver from Cornwall and Massena. Lake Saint Lawrence, behind the Moses-Saunders dam, would flood land including that which had been occupied by six villages and four hamlets in Ontario (usually referred to as the “Lost Villages”), the site of first Upper Canada Village and for Canadians, an area which had seen several major battles during the War of 1812.

The Lost Villages were located within Cornwall and Osnabrock townships — two of the original eight “Royal Townships” established along the St. Lawrence River in Upper Canada. This area was first settled by members of Sir John Johnson’s King’s Royal Regiment of New York. Surprisingly and often forgotten, parts of Iroquois and Morrisburg themselves would be moved rather than leave them to be inundated. *In the case of Friendly Brothers’ Lodge No. 143 at Iroquois (established March 19, 1861), it would physically relocate as a result of the inundation and is still working. Excelsior Lodge No. 142 at Morrisburg (established January 4, 1861) would also be moved to higher ground and it worked until February 7, 2006, when it closed.* Even in the twenty-first century, the descendants of people who were relocated, often unwillingly, still distinguish between the pre- and post-Seaway environment. Residents of Iroquois today still refer to “old Iroquois” and “new Iroquois” partly to preserve their linkage with the past.

Fifty years after wards, it is important to recall these villages and hamlets:

Aultsville - (originally called Charlesville until 1867). Its first store and tavern was opened in 1787 and its citizens played a major role in fighting during the War of 1812. It was a busy port town until 1934 and the opening of the International Bridge at Cornwall. By the 1950’s the town had about 400 residents and as part of the agreement with Ontario Hydro many of the town homes were moved to the new village of Ingleside. *The original Farran’s Point Lodge No. 256, instituted at Farran’s Point on June 15, 1871, had relocated to Aultsville in 1901, where shared facilities in the Temperance Hall were superior and membership potential was considered better. The Lodge later worked with other fraternal organizations in the construction of the Aultsville Fraternal Hall, remaining until the “great flood” of 1958 when it would remove into a purpose built Fraternal Hall (for Masons and Oddfellows) at Ingleside. With this move, the Lodge changed its name to “Farran-Ault” in memory of its two lost locations. The Lodge was a relatively strong country one whose membership peaked at 124 in 1934, fell to 99 by 1951 and grew to 107 by the time of the 1958 relocation to Ingleside.*

Dickinson’s Landing - was first settled during the 1600’s by French traders at the end of a portage around the Long Sault Rapids where Barnabas Dickinson would establish the first government contracted boat and stagecoach mail service in 1815. It would boast 1,000 people by the mid-nineteenth century, but decline thereafter with the advent of the Cornwall canal and the Grand Trunk Railway. With the Seaway inundation the population and many residences would be moved to Ingleside. The Lighthouse was removed to the new Upper Canada Village. *John Ross Robertson wrote that Lodge No. 23 (Upper Canada — Antients)*

was working at Santa Cruz and Farran's [sic] Point during 1810. It does not appear after this year in any records. Other than this tenuous reference, there was no resident Masonic Lodge and Freemasons would have travelled to those which were close by in Farran's Point, Aultsville and Wales.

Wales - just north of Dickinson's landing, was settled about 1790 following the revolutionary war. Homes and a hotel grew up to service the agricultural area. Its original name of Dickinson's Landing Station was changed in 1860 following a visit by the Prince of Wales. In spite of a disastrous fire (September 21, 1906), Wales provided support for the farms in the area. With the Seaway commissioning some buildings and homes on high ground survived and others were moved. *Wales Lodge No. 458 (instituted in October 1902) had a prosperous existence paralleling that of the town. With the Seaway inundation and move caused in 1958, the Lodge relocated to Long Sault where it occupied the former Moulinette United Church Hall which Ontario Hydro had removed to Long Sault to be used as a new Masonic Hall. Again we have a good strong country Lodge whose membership would grow from 21 in 1902 to 134 by 1930, fall through the depression to 116, and eventually regain its size at 129 in 1958 when it removed to Long Sault. Hopes for strong growth did not materialize and by 1985, membership had fallen to 69. Wales Lodge relocated to the new purpose built Fraternal Hall at Ingleside, but the move did not halt the decline and on June 8, 2006, Wales Lodge amalgamated with Farran-Ault Lodge to form the Lost Villages Lodge No. 256.*

Farran's Point - first settled with a land grant given to Loyalist Jacob Farrand, an officer of the King's Royal Regiment of New York. A small canal and lock was constructed in 1847 to deal with a sharp and rapid three-foot rise in the water affecting up-bound boats. Growth of this small rural town was good until the mid twentieth century with two churches, schools, Stage Coach Inn, homes and other businesses. Here again homes and other buildings were moved before the inundation. *The original Farran's Point Lodge, No. 256 (instituted on June 15, 1871) figured in the community and the Lodge accompanied M. W. Bro. Richard Thomas Walkem, Grand Master, in laying the cornerstone of a new church in Avonmore in 1889. The Lodge relocated to Aultsville in 1901 where shared facilities were superior and membership potential was increased.*

Woodlands - settled by Loyalists in the 1790's the area never grew beyond "hamlet" size to service farmers in the area and provide a riverside summer vacation area. *There was no resident Masonic Lodge and Freemasons would have travelled to those which were close by in other locales.*

Maple Grove - first settled by American born British officers receiving land grants after the revolution. In its prime, Maple Grove contained the French Mills, a hotel, The Carriage House and Shop, a sports area for fishing and swimming and Lock 20 on the Cornwall Canal. It was here that the main Seaway power dam and generating station was constructed. Maple Grove's cemetery with 317 graves was moved to an Anglican cemetery near Cornwall, homes were removed and one was relocated to the new Upper Canada Village. *There was no resident Masonic Lodge and Freemasons would have travelled to those which were close by in other locales.*

Santa Cruz - three miles east of Farran's Point, this hamlet grew up as a residential area for builders of the Williamsburg Canal and also served the adjacent farming community. By the 1930's and 1940's, it had become a summer tourist area but was too small to have its buildings relocated. *John Ross Robertson notes that brethren in and around the area of Dickinson's Landing and Santa Cruz, with the recommendation of members of Athol Lodge No. 3 of Cornwall, applied to William Jarvis for a warrant and were supposed to have received Warrant No. 23 for Union Lodge in 1810. Robertson notes that there are no surviving records of the Lodge which, he says, met for some time in the Denning House at Farran's [sic] Point. 1810 appears to be the only known year the Lodge worked. It is not listed in John Lane's, "Masonic Records 1717-1894." Other than this tenuous reference, there was no resident Masonic Lodge and Freemasons would have travelled to Farran's Point.*

Moulinette - was settled by Adam Dixon (a relative of Sir John Johnson) who built a dam and mill, attracting other Loyalists. The earliest churches were Methodist and Anglican.

Benefiting from the new Cornwall Canal, Moulinette became home to several more mills, wharves, cheese factories and schools. Moulinette's residents were relocated to Long Sault and some facilities were relocated to the Lost Villages Historical Society grounds at Ault Park. *There was no resident Masonic Lodge and Freemasons would have travelled to those which were close by.*

Mille Roches - about five miles west of Cornwall was a small settlement near a portage where water speed over the rapids giving rise to a number of paper and other mills. Jeopardized by the Cornwall Canal (1834), the local black limestone quarry and paper mills received a shot in the arm with the arrival of the railway and construction of a small four-turbine generating station (2.25 MW output). The main paper mill (actually the last one in the area) shut down in 1952, when it was replaced by new facilities at Thorold, but the town with its three churches, hockey-skating arena, railway station, shops, school and homes remained until 1955. Some were removed and relocated, but the power house was shut down and left behind, now underwater. *John Ross Robertson wrote that little is known about Lodge No. 21, warranted by the Antients Provincial Grand Lodge of Upper Canada in 1810, at Mille Roches. It is not listed in John Lane's Masonic Records 1717-1894. Other than this tenuous reference, there was no resident Masonic Lodge and Freemasons would have travelled to those which were close by in larger towns like Cornwall.*

The communities of Maple Gove, Mille Roches and Moulinette, would become part of a new village of Long Sault.

Sheek's Island - primarily a farming area which adapted and expanded into a tourist island area called Ault Park, near Cornwall. An archaeological excavation undertaken before the Seaway inundation identified a possible 3,500 year old native village — which now lies under water. *There was no resident Masonic Lodge and Freemasons would have travelled to those which were close by.*

From out of this disturbance would come many benefits but a significant one would be in the form of a planned community, 20 kilometers west of Cornwall — Ingleside. It was laid out in 1955 to accommodate the residents of the "Lost Villages" and includes a purpose-built Masonic Hall.

Ingleside - the amenities include a medical center, schools, churches, a variety of small town merchants and excellent recreational facilities which includes the Upper Canada Golf Course. *The Ingleside Fraternal Hall was constructed in the 1958-60 period for the use of Freemasons and Oddfellows and is now the Ingleside Masonic Centre, owned by Lost Villages Lodge. It has excellent facilities which include a large Lodge room and dining room and kitchen. It was dedicated on May 27, 1960 by M. W. Bro. Clarence McLeod Pitts, Grand Master. It is now home to four Lodges including the youngest, Lost Villages No. 256, which was formed on June 8, 2006, by the amalgamation of Farran-Ault No. 256 and Wales Lodge No. 458, in the presence of the Grand Master, M. W. Bro. Gary L. Atkinson. The Lodge name was chosen in memory of the lost villages. By way of background, the hope for growth of Farran-Ault Lodge was not achieved and, as with many Lodges in Ontario and across Canada, membership would decline through the balance of the century — from 111 at December 31, 1960, to 89 (1970), 75 (1980), 57 (1990), 39 (2000), and 30 (2005). A similar membership challenge affected Wales Lodge — from 132 at December 31, 1960, to 92 (1970), 79 (1980), 74 (1990), 53 (2000), and 49 (2005). The three other Lodges now resident in the Ingleside facility include: Cornwall No. 125 (instituted July 12, 1860) which celebrates its sesquicentennial on April 10, 2010, (which is actually two Lodges as Eastern Lodge No. 707, formed March 27, 1962, out of Cornwall Lodge No. 125, had amalgamated back into its mother Lodge in 2005); Finch Lodge No. 557 (formed September 30, 1919) and Corinthian Lodge No. 669 (formed March 13, 1952).*

Ingleside is now more than just a purpose built community. It is also a reminder of the ability of mankind to move forward into the future, to face change and accept the challenges which it will create. The Masonic Temple and its constituent lodges honours the Masons and the communities from which they came.

I would like to express my thanks to: R.W. Bro. Glenn Dafoe (D.D.G.M. Eastern District, 1968-69) of Farran-Ault Lodge and V.W. Bro. W. Douglas McNaughton (Grand Steward, 1964-65) of Wales Lodge, both of whom are now members of Lost Villages Lodge, for this assistance in preparing this presentation.

All of which is respectfully and fraternally submitted.

MICHAEL JENKYNS, Grand Historian

PRESENTATION OF NOTICES OF MOTION

The following Notices of Motion, presented on the floor of Grand Lodge, were duly adopted.

Section 50 (a) remains the same:

50. (a) A candidate for the office of District Deputy Grand Master must be a Past Master of a lodge of the district and be a resident thereof, or his place of residence must be considered by the Grand Master to be near enough to the district to enable such District Deputy Grand Master to discharge his duties and responsibilities to the district in a satisfactory manner.

Section 50 (b) added to read:

(b) A candidate for the office of District Deputy Grand Master or Grand Registrar shall be in possession of a certificate of completion of the course for prospective District Deputy Grand Masters as offered by the College of Freemasonry.

Section 50 (b) changed to be Section 50 (c):

(c) Should a Past Master, at the time of his election, be in office as Master of his lodge, and should his election be confirmed by the Grand Master, such election shall operate to vacate his office of Master, and a new election shall be held forthwith by the lodge.

INSTALLATION

M.W. Bro. W. R. Pellow to conduct the installation.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report of your Committee on Fraternal Correspondence. This forward introduces 25 Reviews of Sister Grand Lodges received this past year. We again extend sincere thanks to R.W. Bro. Colin Heap for his dedicated and perceptive reviews gleaned from the Annual Reports received by our Grand Lodge.

Membership is again the most concerned challenge mentioned by most Grand Lodges. They list many undertakings to address this problem, which touches upon Recruitment, Retention, Mentoring, Masonic Education, Leadership Development, Enhancing Community Recognition and Appreciation, and Improving Financial Position.

Membership is still on the decline in Masonic Jurisdictions in North America except for Three Grand Lodges, Newfoundland, Massachusetts, and Delaware. Many changes are being introduced to impact identified weaknesses in existing systems and practices. Such as lowering age for joining, One day Degree Marathons, Holding Open Installations, and Open Houses at Lodges, as well as changes to By-Laws and rewriting Constitutions.

We recommend the reading of these reviews to learn of the varied programs attempted, and to become aware of the broad happenings in Masonry world wide. The Grand Lodge of Louisiana because of hurricane destruction, and their role in Disaster Relief to their Masonic Families, have paid out over \$525,000 in aid costs. To address desires to improve Public Awareness and cast a kinder shadow, Masonic Chip programs are being introduced and expanded.

This committee identified four activities that we would include in our reviews that parallel successful programs of our Grand Lodge.

- Ritual Improvement Programs: 8 Grand Lodge Reviews list these.
- Masonic Chip Programs: 7 Grand Lodge Reviews list these.
- Leadership Development: 10 Grand Lodge Reviews list these.
- Membership & Mentoring: 20 Grand Lodge Reviews list these.

Recommendations for this committee to undertake:

- Broaden the involvement of our Grand Lodge Representatives to other Grand Lodges in soliciting their Annual Reports on a timely basis.
- Circulate more condensed Reviews throughout the year. Possibly one each month.
- Arrange to include a couple of our Reviews on the Grand Lodge Web Page, and District Web Pages.

Sincere appreciation is extended to the Deputy Grand Master for his guidance, focus and inspiration, as well as to our COE Representative, and thanks to the Grand Secretary and his staff, particularly Rose Blandin for securing and dispatching the Annual Reports from the Grand Lodges.

Respectfully and fraternally submitted.

JAMES D. KINGSTON, Chairman

7,472 Membership

A survey of the successful lodges in Alberta was completed in 2008, resulting in the creation of "best practices" for all lodges in the Jurisdiction. Based on observations in the Reports of D.D.G.M.s and Grand Lodge Officers, it was concluded that the Condition of Masonry continues to be a concern. Losses due to Demits still exceed the number of men attracted to the Craft. Membership as a proportion of the mature male population is at a historic low. The vast majority of lodges continue to suffer from declining numbers. What is particularly worrisome is the low level of energy that is evident through the quality of meetings. Finding a new energy and sense of purpose is the challenge. We are fortunate to have hundreds of dedicated members who work tirelessly to strengthen and grow our Craft. Unfortunately they represent about 10 to 20 percent of our membership. We need to re-engage the remaining 80 percent in the practice of Freemasonry.

Consequently, a Strategic Plan for the Grand Lodge of Alberta has been developed that focuses on "Strengthening our Lodges." The Plan contains goals for Lodge Leader, Lodge Management and Operation, and Membership Management. The Plan was endorsed by the Board of General Purposes, moved as a Motion at the Annual Communication and adopted. The Goal of Improved Lodge Leadership is to ensure that all Worshipful Masters have completed Senior Deacon, Junior Warden and Senior Warden Leadership Training Programs during their progression to the East. All Worshipful Masters and their senior Lodge Officers should frequently visit lodges within the length of their Cable Tow. Leadership skills can be improved by observing other lodge leaders in operation.

The Goal of Lodge Management and Operation is to cultivate and improve the mind. Education need not be restricted to Masonic subjects, but could include presentations on Art, Sciences or Finance. Lodge meetings need to focus on this by including educational subjects that are relevant to the day and allow discussion of the practical application of Masonic principles to the topic. A continuous culture of improvement will encourage attendance and participation. Successful organizations must have succession plans for the positions of Senior Deacon and beyond and update them annually. All Lodge Officers should be mentored by more experienced members so they can benefit from their skill and knowledge. The key position in any lodge is that of Secretary. All Secretaries must, within their first year of office, complete a training school provided by the Grand Secretary or his designate. A lodge has a responsibility to ensure its widows are remembered by contacting them at least once a year and any necessary assistance provided.

The Goal of Improved Membership Management is to achieve a significant reduction in Demits/NPD from 328 a year to 25 to 50 a year, a reduction of 80% to 90%. Care and feeding of members should be an ongoing process from petition to death. We need to ensure we attract the right men and continue to excite them throughout their Masonic journey. Therefore, all Candidate Investigation Committees must be properly trained. All Brethren must have a mentor throughout all their degrees, in meaning as well as proficiency. Ways must be found to include our newer/younger members in the Work of the lodge, not necessarily Ritual or Office holding. Finally, all brethren who have not attended lodge in over a year are to be contacted by a lodge committee.

Successful lodges in Alberta exhibit many or all of these "best practices," and their success is consistent with successful lodges in other Jurisdictions throughout the world. They invite friends to social events and include their families. They strongly support Masonic Charities and those in their communities, such as the Food Bank or Salvation Army.

The report frankly states that there is no "quick fix" to the Condition of Masonry in this Jurisdiction. But the goals outlined in the Strategic Plan could turn things around over the

next 5 to 10 years if acted upon and SUPPORTED BY ALL LODGES.

In summary, M.W. Bro. Brian William Shimmons, Grand Master, said in his Inaugural Speech, "Now is the time for the movers and shakers of this Grand Jurisdiction to pull together with determination to strengthen our Foundation so Freemasonry can guarantee a bright future for both its members and society in general. Our strength is directly proportional to the strength of our lodges. We will thrive together or dive together."

M.W. Bro. David H. Luebke, Grand Master, remarked, "As I come to the end of my term, it is time to ask, "What were the goals? What was done?" My goals were simple; to improve communication and the working relationship with members of the Masonic Family and to set the stage for a return to the basics of Freemasonry. With that in mind, here are my comments on the State of the Craft in Arizona.

The value of Freemasonry is displayed in many ways, the primary one of which is to provide an environment for like minded men dedicated to making good men better. It has been my observation that in recent years we have lessened our focus on the educational portion of Freemasonry in favor of a more social environment. Brethren, if we are to return to our roots and take our mission more seriously, we must each renew our obligations and spend more time studying what Masonry is all about.

A second issue which has been much discussed for years within the jurisdiction is the monetary value of the Craft and this is displayed in our fees and dues, which have been generally been kept low. It is my opinion that men will expect more of an organization in which they have made a substantial investment AND these same men will also exert more effort towards the success of the organization for the same reason. More than a few lodges changed their By-Laws to increase their dues and Initiation fees in an effort to improve their financial position and add value to Masonry. Many do not take these steps because of a fear that such a course of action will cost them members. However, it is unrealistic to believe that a lodge can operate without taking action to keep their operating budget in line with rising costs.

Almost all our lodges are struggling today; some through lack of goals and some through lack of funding. Many are trying to overcome these obstacles. Some believe they cannot and have given up. While it takes hard work and planning, there is no obstacle that cannot be overcome. There's an old adage worth repeating here, "Whether you believe you can or can't, you're right." How to get members and who should they are topics we have discussed for years. We have always measured success by the number of Masons we have raised each year. We have tried one-day classes and reduced proficiencies. What we did not do was pay attention to the retention of these new members and in many cases they were leaving through the back door as rapidly as they came through the front.

The root of the problem is that many men who join our Fraternity are not prepared for the amount of effort they must expect to exert to become the "better men" we promise to make them. Many are misled in this regard. Some are surprised when we, as Masons, do not fulfill our responsibilities in helping them. We must renew the vows we have taken at the altar of Freemasonry and to the lessons contained in the Ritual. I believe we must change our view from one of quantity to one of quality. This will not be easy, but I believe that we have lowered the bar to the point where good prospective members are no longer interested in joining the Craft. All the efforts I have made this year addresses these issues, to insuring we receive Petitions from men who understand what the Craft is about and are prepared to undertake the responsibilities. The number of young men now knocking on our doors has increased. They are serious about joining our Fraternity and require that we do what we say and promise. They are not interested in one day sessions. They are coming to us, in many

cases, with a greater knowledge of Freemasonry than many of our current members. They are young men of the electronic age and represent a considerable challenge to us and we have only done a moderate job in accommodating them. It is therefore the obligation of every Mason to participate in the making of Masons.

This leads me to redefine the roles I have mentioned above, starting with Grand Lodge. It is not our job to micro-manage lodges, but to provide them with the tools and assistance they need to get the job done and to remain current and competent in all areas through practice and training.

It is the role of every Mason to explain in detail to every potential candidate what will be required of him and sign only those petitions he believes are for men who meet our rigorous standards. He must participate to the best of his ability in the Ritual Work and ensure that candidates are mentored from the time they apply for membership, through their Degrees and beyond, thus setting the requirements for the future leaders of his lodge. This is not a radical change to Masonry, but a return to the basics.

I relate this to a concept many of you have heard about, "It takes a community to raise a child." Our lodges are communities. Yet, there is the practical consideration of staying in business and being viable. This does require some magnitude of growth. Based on the population of this state and the high caliber of men we meet, this should not be the challenge it appears to be. We have a great product. We simply need to update the way we promote it. Let us make competent Masons who will continue on their road to becoming better men from the time they are initiated until the Great Architect calls them home."

It is said that Freemasons are opposed to change. It is therefore interesting that in this Masonic year a dispensation was granted to the Ritual Committee by the Grand Master, M.W. Bro. Steven Godfrey, to permit a pilot project, an Installation of a lodge open to the public. The lodge was opened, the Master and Wardens obligated, then the lodge was declared 'at recesses and visitors were admitted. The remaining Investitures were conducted and Addresses were given in public, along with explanations as to what was occurring. The 'recess' portion of the meeting concluded after the Job's Daughters performed Ritual of their own. The visitors retired and the remaining lodge business was conducted before closing. The ceremony was in the opinion of those in attendance, conducted with dignity and competence befitting our Fraternity. All visitors were respectful of the solemnity and importance of the occasion. No Masonic signs were given. There were many positive comments by non-Masons.

However, the reviews were mixed. This was not an ordinary Installation of Officers. The Incoming Master was a Past Master, and therefore no Board of Installed Masters was required. Most American jurisdictions do not have a Board such as we do and anyone is allowed to sit in the Master's chair. Our Book of Constitution and Regulations forbids this. Therefore, the Ritual would have to be modified regarding the Board. There is no provision in our Constitution for something called 'recess.' A lodge is either open or closed, either at labour or refreshment. Non-Masons are not permitted in a lodge that is open. These are ancient and established customs. As 'recess' doesn't exist, there are no provisions in our Constitution for it. Being so, there is nothing stopping a Master from declaring a lodge 'at recess' for whatever purpose he chooses. If this is to be authorized by our Grand Lodge, surely some Constitutional guidelines should be put in place first to govern what it is, how it is to be authorized and the only things permissible when a lodge is under it. While the ceremony was conducted expeditiously, several Officers were not present to be invested and six were invested in one fell swoop with some ad lib comments. Under normal

circumstances, the ceremony would be far longer than open American ceremonies. We have received a great deal of input from members of the Craft about the concept. Most of the opinions were against Open Installations in our jurisdiction. There is opposition from the Ritual Committee as well. They feel that there are many events a competent Master and well functioning lodge can plan for involvement of families and friends to enable them to learn more about the Craft, and that our ceremonies should be for Freemasons only, irrespective of what is done in the United States.

The Report of the Grand Secretary alluded to this Open Installation concept in terms of its effects on membership. "We appear to be bottoming out of the free fall our membership had descended into. However, we must not become complacent. A rough preliminary report generated from the recent Annual Returns shows a total loss of 334 members over the calendar year, a figure which substantiates a bottoming out trend, but is still of concern. One thing is sure; despite the successes we have achieved in implementing a Five Year Plan, actions designed to set this jurisdiction on a road towards some clear visions of where we are and where we wish to be, there is no magic button to push to solve this problem. Freemasonry has tried the one day class; tried lowering the standards; tried the inclusive family approach – all with marginal success. So maybe we should think seriously about one size Freemasonry that fits all, and admit that we have beer and pizza members as well as vintage wine and filet mignon members. Which is the better matters not, as long as we enjoy the Freemasonry we practice."

4,552 Membership

The Report of the Grand Secretary noted a loss of 49 members during the previous year. Gains were offset by Demits and Suspensions and the ever potent factor of death. Despite efforts to bolster membership, numbers continued to decline. The fact that Demits and Suspensions together total 78% of the number of candidates raised was of special concern. However, the future course of Freemasonry in Washington, D.C. was laid out in a very positive manner by the Grand Master, M.W. Bro. Robert B. Heyat, in an Address to the Communication entitled, "Investing in your Craft."

"This is an exciting time for us as Masons, because there is a renewed interest and vitality in Freemasonry in our jurisdiction. There is also a positive change of direction with constructive projects within our lodges. We will reaffirm our basic Masonic principles and traditions to meet the needs of our Fraternity and evolving world conditions. As I have said, the most effective leaders never say "I." They do not think "I." They think "We." That is why I believe so much in our partnership in promoting our Masonry. If our Fraternity is to flourish we need more leaders and not mere followers. I pledged to you that I would concentrate my efforts to initiate programs and projects that would strengthen our lodges and prepare our Grand Lodge to meet the challenges of today and the future. Our vision and mission has been to become a truly exemplary Masonic institution, to promote healthy, strong lodges with quality membership, effective leadership, sound organization and responsible financial management. I have visited each and every lodge to see their needs and identify how best they may be assisted by the initiatives we have introduced:

- **MASONIC EDUCATION:** This is the main focus of my agenda. To raise the standards of Freemasonry we have to raise the level of Education and Mentoring through workshops in general Education in Masonic subjects. This is an important element of our Craft and will attract and retain quality members. Our lodges must become a gathering place and knowledgeable men with a deep belief and understanding of our values and commitments to the goals and missions of Freemasons in society. Most important of all,

the officers in lodge must be well versed with their functions and duties. To this end, we have initiated programs to educate, train and prepare quality leaders for the future.

- **RITUAL PROFICIENCY:** The Masonic Ritual is the fundamental element of a lodge. A Brother, Initiated, Passed and Raised in his own lodge through great Ritual Work, receives an unforgettable experience which stays with him, and forges a bond between him, his brethren and his lodge. I asked the Works and Lectures Committee to schedule special sessions of the Grand Lodge School in the form of Lodges of Instruction. Rather than hold a session in one location and be disappointed in the number of brethren who attended, we took the program directly to individual lodges in each Masonic Hall in the jurisdiction. The result of this policy has been very successful.
- **CHARITY AND COMMUNITY OUTREACH:** We know that Charity is one of the important aspects of Freemasonry. However, it is important that the charity project is a worthy cause with effective and concrete results as well as promoting and enhancing the profile of the Fraternity in the community. Therefore, it will not serve our purpose to change the target of our charities on an annual basis. We should establish, with continuity, a number of worthy causes which have traditionally been a high priority. Children in need of assistance, their education, handicapped youth, helping veterans, are all important issues in our communities. We can focus on them, reaching out in partnership with other civic entities and local authorities. Upon the request of the Grand Master of the Grand Lodge of Minnesota, I recently made a young, severely injured veteran of the Iraq war, who comes from a Masonic family, a Mason at Sight at Walter Reed Army Medical Centre. This is not only an effort to honour service and sacrifice, but an endeavor to enhance our image, promote our Fraternity and bring Masonry to our people and communities. I am a firm believer in the future of our Fraternity if we continue in our present direction. Today our Grand Lodge and Masonry in Washington, D.C., stands out among the U.S. and other major sister jurisdictions as progressive, proactive and dynamic. We are received in Masonic communities as a highly respected and esteemed partner. I must emphasize that this was not and could not be the work of one or a few leaders. It was the teamwork of our brethren building on the foundations of the past. We are the stewards of the present and future. I am grateful to those who have answered the call. I believe that together we will succeed.”

M.W. Bro. P. G. Lowndes, Pro Grand Master, had many positive things to share concerning the Condition of Masonry in the United Grand Lodge of England. He began by reminding those who had just been invested with Grand Rank that such an honour is not just conferred for past services to the Craft, but equally for the expectation of future commitment to ensuring that Freemasonry continues to excel. He gave the Grand Master's Mentoring Scheme particular attention. "I want to emphasize what the Grand Master said, that it does not matter how much mentoring we give a new member after he has been Initiated, if we do not ensure all candidates for Initiation have a proper understanding before they join of what we expect of them, and indeed, of what they expect from us. If all of us get that right and we look after them after they are members, then we will lose far fewer members in their early months and years and have a much more enlightened and satisfied membership. Brethren, I don't believe that there's been any time during my thirty seven years in the Craft when there has been so much pride shown in being a member. Gone are the days when we might shy away from having a conversation with our non-Masonic friends about our involvement. At long last, we have the confidence to explain that we expect, and generally get, all our

members to behave in such a way that benefits society. This does not just mean the considerable sums that Freemasonry gives to non-Masonic charities each year. It means that all our members are expected to behave in a civilized, lawful and neighborly manner at all times. We have a strict code of conduct. If we vet our candidates properly we will go a long way to reducing the possibility of misconduct. Take care that your involvement in any recruiting ensures that only men of quality are selected. Many of you will know that a great deal of work has been going on to launch our new United Grand Lodge of England website. It is well researched and is designed as both a public relations exercise and recruitment tool. Most importantly, it underpins our whole philosophy of open communications. It is especially designed for those who are thinking of joining and who have just joined. Interestingly, over ninety per cent of potential joiners looked us up on our website. It will help Masons when they talk to their family, friends and acquaintances. Equally, it will go a long way to dispel myths with our detractors. Brethren, I think we have all been more than a little irritated to discover that some applications for jobs and certain offices have a question asking whether the applicant is a Freemason. As a result of the European Court ruling, we are now actively pursuing any government body or organization which specifically asks such a question on its application form. We are now turning our attention to the Ministry of Justice and we have given them to the end of the month to remove the direct question. I might add, that although most Masons would be delighted and proud to say they are Masons, the inclusion of such a question is, nonetheless, flagrant discrimination.”

An inspiring Address, “Building Bridges-Freemasons’ Hall in the 21st Century,” was delivered by the Grand Secretary, V.W. Bro. C. N. R. Brown. “The first bridge could be described as operative, the leasing to a private corporation of a formerly sealed part of Freemasons’ Hall called the Connaught Rooms. They are completely refurbishing the building at a cost of five million pounds to restore it to its former glory. The result is that the Grand Hall is once again one of the most impressive banqueting rooms in London. Refurbishment also resulted in the uncovering of a black and white marbled floor. But the speculative side of building bridges is the main topic, Freemasonry in the community, building bridges with non-Masons. By allowing Freemasons’ Hall to be used more extensively, a conscious implementation of strategy, plus having a policy of open communications in all our dealings, we have moved to a position of respect within the local community, resident’s associations and Municipal Councils. Examples of building bridges are holding open days for locals and based on previous form we are expecting two and a half thousand visitors to a single event. One of the reasons is that they see us as the iconic building for the area. We want all members, wherever they are, to see the building as important to and representative of the whole English Constitution. This wonderful building, completed in 1933 as a memorial to all those Masons who died in the First World War is still, in the 21st century, one of the finest Art Deco buildings internally and externally. The actual shrine is a focal point and it is heart-warming to see the high level of support from Freemasons and families of those who have been killed, or from very seriously injured soldiers themselves in Afghanistan, in the most ferocious fighting since the Second World War. Our highly successful events go from strength to strength with thousands of people coming through our doors each year on our regular tours of the building and who visit our centre of excellence, the Library and Museum. We have been appointed a unique venue of London. The rigorous membership criteria means we are considered to be representative of London, alongside St. Paul’s or the Natural History Museum. We are one of the top locations for availability, accessibility and services to the film industry.

Freemason’s Hall is our 21st century brand name and we are highly respected within the events industry. On one occasion we had five hundred journalists in over two days – none of whom thought they were allowed in, and all of whom were wowed by this fantastic building. Clearly the revenue stream is important – we raised a great deal of money to maintain the fabric of the building – and another real benefit is the soft PR for the Craft as

a whole. Our relations with the media have improved dramatically. At the same time we will take no nonsense. We are building bridges with our membership in the Metropolitan area, the Provinces and Districts. We have built bridges with the four Masonic Charities, all of whom have moved into the building. These then are snapshots, the flavor of a few of the things we do for good of all members. And it is important that all our members throughout this vast geographical expanse appreciate the vital role that this iconic building, the Mother Lodge of the World and the Headquarters of the English Constitution, plays to Freemasonry in general and to them specifically. This is a working building, run on 21st century business lines, linked to over 8,000 lodges, coupled with the Royal Arch, which is also run here, giving us a total of over 11,500 lodges and chapters. So, Brethren, with the leadership of our Rulers and the direction of the Board, we will continue to build and strengthen those bridges as we move happily forward from a strong base toward our three hundredth anniversary in 2017 and beyond. We commend to every single member, wherever you are, the true value of Freemasons' Hall and all it stands for in the 21st century."

M.W. Bro. Donald E. Mosier, Grand Master, reviewed his year in office by restating the theme he selected, 'Engineer Our Future.' "It expressed my belief that the Fraternity can be strengthened by continually re-examining our goals, methods and procedures and making conscious decisions to execute well thought changes. This process works in business, in engineering and it will work in our Fraternity. Young organisms learn, grow and then change. Likewise, we are constantly renewed by new members, ideas and activities. Old organisms stagnate, decay and die. Static institutions are doomed to failure. As Jonathan Swift once said, "Everyone wants to live forever, but no one wants to grow old." By staying young and continually adapting our methods and processes to match the needs of our times, we can continue to grow and thrive. Our Craft has often been described as a society of old men. I cannot entirely deny the truth of that statement. I can point with glee to a decrease in the average age of our membership. I must admit that anyone under forty seems young to me. But, it is obvious that many new members are younger than that. There is no question that they have very different expectations of their Fraternity. They think, act and communicate differently. Yet, they come to Freemasonry looking for exactly what we advertise and what we so often fail to deliver. How do we know? We asked them. We invited men who had been Master Masons for less than three years and asked them to talk. What they said was not surprising. What was surprising was how universally they all said the same thing. They wanted more Masonic Mentoring, Education, History, Traditions, Courtesy, Law and Jurisprudence. They want more knowledge so they can truly feel part of something larger than themselves. They don't just want to belong. They want to be part of it. That is what the Fraternity is all about. That is what we advertise and promise. That is what we must deliver. To communicate these findings to the Craft, we initiated a series of Membership Retention Meetings and invited all Masons in Iowa to participate. We reviewed membership statistics and paid close attention to the number of Demits and Suspensions. Then we asked the attendees to give us their thoughts and ideas for explaining these numbers. Their words were different. Their language was more 'Masonic', but their core ideas were the same as our new Masons. That means we already know what needs to be done. It's no mystery. We need to include, teach and engage our new Brethren and truly MAKE THEM MASONs.

I therefore recommend the following: Provisions are to be made to prevent suspensions without good cause. One way to do this is to create a standing committee of the Grand Lodge for suspension review. Any lodge planning to suspend a Brother must submit a report

outlining their reasons to this committee, whose approval will be necessary for suspension. In case of disagreement, the Grand Master will be the final arbiter. Similar provisions are in effect in Illinois and are reported to be having good effect.

I recommend that a Lifetime Dues Annuity Program be adopted. This is not a life membership, which has different implications, but a lifetime dues guarantee. If done properly, this could prevent suspensions for Non Payment of Dues and ensure future Lodge and Grand Lodge funding.

I will introduce a New-Member Mentoring Program called, 'A Passport to Light,' and recommend it be universally adopted by all Iowa lodges and that every lodge create a Mentoring Committee to aid in its use.

I further recommend a Membership Education Program to include courses on all the subjects heretofore mentioned. Education is incredibly important. Our future depends on it. The ad hoc Long Range Planning Committee will be continued. Change is a way of life. At some point in our recent past Masons stopped thinking about the needs and expectations of men who were younger than them. Although the number of men raised in Iowa continues to increase as it has slightly over the past several years and should be a cause for celebration, our membership continues to decline. Grand Lodge statistics show that 2007 marks a new low in North American Masonic membership. The reasons and solutions are described above and deserve our attention. This situation must be reversed. Other States have turned the corner. South Dakota had positive membership growth last year. It can be done. We need to take the steps to ensure it is done. The keynote speaker at this Communication, Robert Guthrie from Oklahoma, outlined the alternative. "I am becoming increasingly fearful that if we do not change our vision and behaviors of what we are supposed to be doing in lodge, we may lose the last generation of men who can save us from our own demise. First impressions are extraordinarily important today. And you can be sure that if our young men do move out our back door, they will take their impressions of us with them. And soon we will also not see their friends."

IRELAND

Annual Report

Dublin, Ireland, 2008

The Annual Report provided a broad overview of the condition of Irish Freemasonry not only in Ireland, but also in India, Africa, Jamaica and the Bahamas. A catalogue of reports detailed the successes, concerns and challenges facing the Craft and several themes emerged, among the most important being Image, Charity and Membership. M.W. Bro. George Dunlop, Grand Master, outlined these issues and discussed the positive response of Grand Lodge.

IMAGE: Irish Freemasonry in the year 2009 is at last beginning to emerge from many of the fears and constraints that have inhibited its progress for much of the past one hundred years. For the present members, it is difficult to believe that in previous eras Freemasonry was highly regarded by all branches of society. Notices for lodge meetings would have appeared in local papers and its many social events and other activities were regularly reported by the national press. We were proud to be recognized and respected. Sadly, this golden period came to an end about the time of the First World War. This was largely due to changing politics and the increasing hostility of the leaders of the mainstream churches. In time, this led to Brethren being reticent about their involvement. Membership declined and many of the Order's activities were conducted in an undercover manner. We have been plagued by poor image and negative publicity. Thankfully, we are now in a time when things are beginning to change for the better and public perception has improved. I have commissioned a film documentary called, "Irish Freemasonry," through an independent producer, whose work we will monitor to ensure we do not have another media witch-hunt,

as we have experienced in the past. It will take a year to complete and will be sold to the mainstream television channels. We continue to welcome meetings with the media, churches and other community groups to reassure the public of the true nature of our Order. I have recently received a request to meet with the 'Hard Gospel' group of the Church of Ireland and have appointed a Masonic group to meet with them later this month. We constantly strive to correct the public's perception of Freemasonry and acknowledge that secularism is a growing threat to the moral standards which we embrace.

CHARITY: We have always stressed the commitment of Freemasonry to help society in general and we have not fallen short. 2008 was the year of the Grand Master's Festival of Charity. Our Grand Lodge has raised over 600,000 Euros for Alzheimer's sufferers, their families and those who provide care. Our support of Children's Hospices has been wonderfully well received. Our regular Masonic Charities have not been forgotten and were equally well supported. We may gain plaudits for our Charity work, but we must always remember that the most important image is the one we personally portray in public; being proud to be a Freemason and never denying our membership. We must not only convince ourselves that we are a force for good, but we must be seen to be so. This can be successfully achieved without compromising or jeopardizing the Order's Ancient Principles.

MEMBERSHIP: Membership losses and associated financial issues do cause concern, not only in Ireland, but worldwide. In view of such losses, I believe that the total energies of all Brethren should ideally focus on the salvation of their own lodge rather than seek dual membership. One particular anomaly has been the drop in membership and closure of lodges in the Inner Belfast Area. This situation requires particular attention. These losses have engendered closer study by a project team who are making progress with a Membership Analysis of the Belfast Metropolitan Area. A report of their findings will be presented to Grand Lodge and these results will come to hand in the early part of 2009. Finding a solution to this problem will, all being well, help to return overall membership to a more acceptable level. Research projects have been undertaken by other jurisdictions which have indicated that the cause of loss varies for each Constitution or Provincial Area, thus justifying the Belfast Project. We will also reconsider the function of the Provinces. There is a feeling in these modern times that a general review should be undertaken to assist in determining any changes which may prove to be logical and appropriate. I trust that these issues will be resolved soon so that lodges may move forward with certainty and confidence. I stand here today as your Grand Master and assure you that I will do all in my power to maintain and enhance the status and dignity of our Order in Ireland."

M.W. Bro. S. Bruce Easterly, Grand Master, commenting on the State of The Craft, began, "Louisiana shares with other jurisdictions similar problems, such as recognition by the non-Mason, new membership, retention of existing membership and financial concerns. We have presented a program to improve the viability of Freemasonry in Louisiana and bring it back to the station it once enjoyed as being one of leadership, respectability and integrity. We must leave the four walls of our lodges and once again become visible in our communities. We cannot allow our so-called secrecy to rob us of our place in society. Our abilities as leaders and philosophers are needed to maintain our great nations' traditions and ideals. My experience as an administrator convinces me that a team approach in addressing the challenges of a business operation is the most successful. The Business Plan presented to the Brethren consists of several elements.

COMMUNITY INVOLVEMENT is the most essential. The Constituent Lodges must

become more involved with their respective communities and become active partners with similar organizations that have the same goals – the improvement of our society. We must practice selective recruitment and introduce Freemasonry to individuals who have the qualifications to become a good Mason. Eighty percent of the American population does not know we exist. We must gain their trust and respect and inform them what Freemasonry is about and not allow those with no knowledge to do it for us.

We all know MEMBERSHIP in our Fraternity is a problem that has plagued us for years. The Plan is studying the experiences of other jurisdictions in holding One-Day Classes as tools to increase membership and offers recommendations for retaining existing members. In spite of our problems, it is most important to remember that quality individuals only should be considered for the Craft. The Warden's Retreat, held annually, features outstanding speakers and valuable information for those in the leadership roles of your lodge and will help to lead to your success as Wardens and Worshipful Masters. YOUTH PROGRAMS such as DeMolay and Rainbow are essential to the future of Freemasonry in our State. I have challenged lodges and the Eastern Star Chapters in those areas where the programs do not exist to become involved and assist in the formation and operation of these organizations in their respective areas.

Our FINANCES are divided into two categories, Fraternal and Charitable. Only Fraternal can be used to fund the activities of Grand Lodge. Our Plan recommends an increase in the per capita, encouragement of plural memberships and the contracting of a professional fund-raising corporation to assist in raising capital.

The Grand Lodge does its business by COMMITTEES and this element was studied to increase the efficiency and effectiveness of the system. Each committee was asked to submit a purpose and need and to list its goals and objectives. Results showed that many committees exist in name only, have not met for many years and/or serve no purpose. We recommend they be abolished. Overlapping committees will be merged into ones with written duties, goals and objectives. New committees required to implement our Plan will be established with specific purposes, such as rebuilding our membership base in the years to come, so all may operate in the most effective manner to the benefit of Grand Lodge and the Craft.

In the midst of all this, we must not forget that CHARITY is the brightest jewel in the Masonic Crown. The recent hurricanes drastically affected the South Louisiana population. Some lodges were totally destroyed, resulting in membership loss and a slow recovery to full operation status. As the State recovers, so will activity in the lodges. Disaster relief to Masonic families, widows and lodges has exceeded over \$525,000.

We have experienced dramatic and dynamic change in many facets of our Fraternity and there is more to come. But for the first time, we have established a Plan to help us ensure the Craft remains alive and well in Louisiana. It is a living document that will change as time requires and will keep us on course to bring our beloved Fraternity to light, not only in our eyes, but also in the rest of the world in which we live. We must remember that we were founded on the principle of 'The Brotherhood of Man,' and that there are men of good quality waiting to be introduced to our Craft so that we may sustain our existence."

M.W. Roger W. Pageau, Grand Master, reported on the success of the central objective of the Grand Lodge of Massachusetts, to increase membership. "As one of the leaders in the Masonic community, we know that the lodge is the backbone of Freemasonry and that membership is our most important product. I am pleased to report that, along with Delaware and Newfoundland and Labrador, we are one of only three jurisdictions in the United States and Canada to achieve a membership gain in 2007. This is particularly significant as it does

not reflect a one-time event or a One-Day Class or any other kind of special program. In less than three months I have signed 1500 diplomas for new Master Masons. These impressive gains are directly attributable to our information programs, Open Houses and your efforts. The men we have brought into the Craft have really brought a new sense of pride and enthusiasm to our Fraternity. You have all received the call to re-invigorate the Craft and have answered in a clear and positive manner. But we cannot rest on our laurels. I am introducing new programs that will enable Massachusetts to build upon this success.

Themes for 2009 will stress the need to ensure quality along with quantity. Our goals for membership must meet the criteria of a Grand Lodge initiative called SMART, an acronym for: Specific, Measurable, Attainable, Realistic and Timely. The first is the Masonic Rookie Award Program, developed by the Membership Committee to encourage new Master Masons to become actively involved with their Lodges and Districts. It includes a series of requirements that he will need to complete to receive a special pin and award certificate. Included are attendance at lodge meetings, Lodges of Instruction, and full participation in lodge activities.

The second is the creation of a Committee on Youth to encourage participation of the Grand Lodge and Constituent Lodges in youth programs that promote Masonic values. They include DeMolay, Rainbow, Boy Scouts and other organizations. Unfortunately, these programs have suffered a significant decline in membership for a variety of reasons. Like Freemasonry, many people question their relevance in the twenty-first century. We know they are important because they teach the moral lessons to our youth that they may not receive from any other venue. They are an important source of future Masonic members and leaders. Simply throwing money at their current problems is not adequate. We must provide active support, leadership, guidance and assistance.

One of our local accomplishments was to establish a plan to hold a New England-wide Lodge Open House this fall to promote Freemasonry throughout the Six-State Area. I will also grant a dispensation for each District requesting to conduct a One-Day Class, to be performed by themselves alone or by a group of Districts. Other developments around Grand Lodge include the acquisition and implementation of new digital technology equipment by the MYCHIP Committee. Although there has been a slight decline in the number of children processed this year, it is still significant and highly praised. In the belief that it is now a community service rather than a Masonic Awareness project, I have moved it to the Service Committee, who also oversees the needs of Masons and non-Masons.

All of this activity reflects the energy and vitality of our Grand Lodge and keeps us on the cutting edge of Masonic and Fraternal activities. In this Commonwealth and indeed in this country, we are experiencing a significant resurgence in curiosity about, and interest in, Freemasonry. The average age of a member is becoming lower for the first time in a long while. But we are not done yet. We must continue to bring good men into the Craft so that it will be enjoyed by future generations long after we have laid down our working tools. We have miles to go before we sleep . . . and more promises to keep."

An object lesson on how sound financial fortune can turn on a dime was provided by the Report of the Grand Treasurer. The current recession delivered a hard blow to the Finances of Grand Lodge. Funds are diversified across different market segments, within fixed income and equity investments to further reduce the risk of losses. Overall, funds decreased by 31.6% over the previous year. Capital losses net of capital gains and investments was \$1,584,740 in 2009 compared to \$39,072 of actual gains in 2008. The Reserve Fund performed poorly. Capital losses exceeded gains by over \$1.3 million. The Fund is managed

as a long term investment and will always have a large percentage of its value in equity securities. Grand Lodge operations have been able to continue without accessing any of the balances in the Reserve Fund. This demonstrates the benefit of sound, long-range financial planning. It is raining, but Minnesota has an umbrella. However, \$115, 681 was transferred from the Reserve Fund to cover Annual Life Membership payments from the Prepaid Dues Fund, the original name of this program. Investment income and capital gains are not keeping up with the annual payments to the lodges. The fund decreased 38% this year and would have been over 50% if Reserve Funds had not been accessed. There are 3,189 Life Members. The buy-in cost to the Program is approximately \$2000. The situation is compounded by the fact that since 2003 the average annual dues of living members had risen from \$47.90 to \$62.85. The fund would have to generate an annual investment return of 4.75% to cover this aspect alone.

What are we to do? First, no pay outs were made for deceased members this year. Second, we are committed to the original intent of the Fund: to assist our lodge members with the pre-payment of their dues, thus guaranteeing they would always remain members of their Constituent Lodges. When Fund returns warrant, payment will once again be made for deceased members, to support a Constituent Lodge after a Brother has passed to the Celestial Lodge above. Third, a new Actuarial Study will be completed by the Grand Lodge Finance Committee to determine if pay-in rates for new Life Members need to be raised. We may have to invoke a provision which will allow Grand Lodge to cap its contribution to a Member to 5% of any increase of his Constituent Lodge Dues. The Perpetual Life Membership Program will also continue to accept credit card payments of fees and allow them to be paid in installments, interest free, for up to four years. Lodge dues must continue to be paid in full by the individual until the entire fee is paid in full.

But all is not doom and gloom. In spite of the capital gains and losses, the receipts of the Fund were just over the disbursements. While the value has dropped by \$1.3 million, we must compare that to the long term growth of the Fund from its initial value of \$604,000 in 1993. This reflects solid management and a long term view. As long as Grand Lodge can continue to do this, we will remain in a good financial position. Finally, Memorial Life Memberships may be purchased for \$100 or more in memory of a deceased Brother of a Lodge.

Optimism for high investment returns and full payment of all members dues has exacerbated our current situation. Grand Lodge will receive a more detailed plan of recommended activities this year as we move through uncertain economic times. Financial health is one essential part of our Long Range Plan. The health of our lodges is another. The centerpiece in the coming year will be the Lodge Retention Program, with particular emphasis on mentoring. Our efforts need continual updating and renewal. Retaining old members and attracting new ones is vital. Consensus among our Grand Lodge Officers is that mentoring has an impact upon nearly all facets of Masonry and is the foundation and the lifeblood of our Craft.

"As I have travelled through the state on my Official Visits," said M.W. James G. Kelly, Grand Master, "I have found that all of the lodges are functioning well and most are doing excellent Ritual Work. Most of the lodges have a full slate of Officers and are conferring Degrees and making new members. With the influx of younger men coming into the Fraternity, I hope our lodges can meet the challenge of maintaining their interest so they will keep attending their lodge. One of my goals this year was to find more time in our meetings for Masonic Education. My suggestion was to encourage them to change their way of doing business at the stated meeting by reducing the amount of time spent on forms and business.

Several lodges have changed their By-Laws accordingly so they can try this idea. This is an exciting time to be in the Fraternity. The combination of new members and qualified Officers doing an excellent job leads me to say that I believe that the State of the Craft is very good at this time."

Reports of several committees indicate that the Grand Master and the Grand Lodge of Nevada are not content to take this situation for granted. Continued success requires continued effort. One of the highlights of the Masonic year was a Masonic Education Seminar held in Reno entitled, "Masonic Vision-Building a Better Lodge." Research and input from lodges across the State addressed current challenges and outlined a course of direction for the future. Ideas from the participants about creating successful lodges included public events, social functions, good ritual, involvement in charities and just plain human relations to achieve the goal of making good men better. The tone was established by the opening lecture called, "The Masonic Franchise," which outlined the elements of a business franchise and the duties and obligations of the franchise and franchisee. Although the Grand Lodge and Constituent Lodge relationship is not based on the production of income and profit, there are similarities in the area of duties and obligations and the organizational goals are the same. The product of the Masonic Franchise is Brotherhood. Proper introduction of the product is vital, particularly the manner in which the prospective candidate is approached. There are dos and don'ts in the way of informing a man about Masonry. The care and feeding of the candidate, the essentials of handling the instruction, encouragement and advancement of a Brother begins with the process of the Petition, investigation, coaching, quality of Ritual and the role of the Brethren in the making of a Mason.

How are they treated by the investigating team? How well do the Master and Lodge Secretary communicate with them throughout the process? How are they treated when they show up for their first and second Degrees? The resources, knowledge, insight and enthusiasm of experienced Brethren and Officers should be directed towards fulfilling the individual expectations of all members, young and not so young, as they experience and understand the meaning of Masonry. It is the experience that matters if the intent is to make good Masons, instead of simply increasing membership. As with all products, success is defined by quality. The committee recommended that the considerable resources of both the Grand Lodge and all its members be harnessed and utilized to promote these seminars on a continuing basis.

The Grand Orator captured the essence of the discussion in his closing remarks, "The future of our Fraternity lies in the quality of our new Masons, not in the quantity of our new members. What we pass on, and how well we pass it on to our new Brothers, will determine the direction of Masonry through the next generation. This is our responsibility. This should be our mission."

"I leave with a mixture of relief and regret," M.W. Bro. William C. Boone, Grand Master, said, reflecting on his term of office. "Relief that the Great Architect of the Universe has allowed me to finish my term and regret that I have not accomplished more. Any declaration that the health of the Craft is in one way or another would be totally subjective on my part. There is ample evidence that some lodges are busy with Degree work and that is encouraging. Others have the opposite experience. Without a true membership figure, that is, discounting multiple memberships and affiliates joining and demitting, I cannot say whether we are forging ahead, holding our own, or declining. Up to date membership figures continue to be a source of concern. Under the present system, Lodge Secretaries submit their information once a year, which may be 9 or 12 months behind. Until we can afford an

electronic data base, we suggest that lodges submit a semi-annual report, the first in January and the second in June that would include the changes in membership status. Perhaps we are using the wrong criteria for measuring membership statistics, therefore distorting our focus on a solution. Deaths, we can do nothing about. Thus, for the purpose of this exercise, if we ignore for the moment Demits and Suspensions, we quickly realize that in order to maintain the status quo, we need only to replace the deceased Brethren. Anything beyond is a gain. Demits and Suspensions, we can do something about. Technically, such Brethren are still members, though for financial administrative reasons, they are deemed removed. Perhaps a more proper term is inactive. And herein lays the perplexing problem: how to re-integrate them into active membership. We have tried many approaches to educating the Brethren, none of which has proven effective over the long term. At the time, participants in the various program formats have sung its praises, but for some unfathomable reason, it rarely has an impact on the lodge as a whole. Why? Before we can see any success at renewing the wayward members, we must first tackle these tough questions and then be willing to implement measures to counteract the effect we are experiencing. It takes more than lip service. It will take determination, commitment and the honest desire to make progressive changes in the way we do things. The old catchphrase, "We have always done it that way," must be totally eradicated from our vocabulary. Our Fraternity has some of the best minds in the world. Let us tap this resource.

Some lodges continue to surprise me. Two in particular had faced a bleak future for several years. Yet, in a short space of time they experienced a remarkable improvement. Both had a new Master. Without taking anything away from any Past Master, it has long been my theory that as a Master goes, so goes the lodge. If he is a go-getter with vision and gets others involved, the lodge will thrive. In my opinion, there lies the key to renewal. Careful selection of the Master of a lodge will do more for the healthy growth of a lodge than all the programs Grand Lodge can devise. Imparted programs are usually received with skepticism or outright rejection. That is human nature. Grand Lodge should be a resource center, not the implementer of programs. If the lodge generates a program, designed by them, for them, then it will be accepted and it will work. Lodges are the foundation of Freemasonry. It is here that membership is initiated, instructed and integrated. Grand Lodge is merely an assembly of these members who come together once a year to formulate unity, harmony and resourcefulness. Let us therefore concentrate on working with our lodges and the rest will take of itself.

Only the Great Architect of the Universe can know with any certainty what lies ahead for the Fraternity. But I do know this with equal certainty that we cannot rely on a miracle to stimulate growth and prosperity. We need to set objectives, plan how to achieve them, make changes when required and be continually alert to the pitfalls impairing our ability to sustain ourselves. We have given only lip service to the five year plan concept but never really had the will to develop one to suit our needs. There is not a shred of doubt that what we need is the means of bringing all our members together, from the youngest Entered Apprentice to the oldest Past Master, in a weekend retreat to develop a plan in which everyone will feel a sense of ownership. This is my challenge to the incoming Grand Master. Make it a priority. Make it work."

M.W. Bro. Robert G. Hatfield, Grand Master, emphasized the importance of becoming involved in regional activities which shed a positive light on Masonry in order to build a stronger and better future for the Fraternity in New Hampshire. He recommended that all lodges promote public awareness by sponsoring semi-public and public events. He

recognized the contribution of new, younger members who take Masonry further by becoming active in their communities, thereby presenting the Craft in the most favourable manner.

The Grand Master expressed his belief that the State of the Craft is continuing to improve. Progress is maintained by adhering to certain standards. The Grand Master recommended that Lodge Officers achieve proficiency in all three degrees as stated in the Manual of Grand Lodge. Ritual performed in a sincere and dignified manner will impress upon the candidate the importance of Masonry and inspire him to adopt for his own life all the principles on which the Fraternity has been built. He noted the success of the Grand Master's Classes, aimed at progressive line Officers moving to the East as a means of imparting to prospective Worshipful Masters a body of knowledge with which to assist them in successful terms as leaders of their prospective lodges. As successful lodges are the foundation of a successful jurisdiction, he noted the importance of the Grand Master's Award System, designed to stimulate excellence in all aspects of lodge management. Seven Lodges met the criteria in 2009. Highlights of the program are:

- A lodge must have raised at least one Brother to the Degree of Master Mason.
- Each line Officer (Stewards to Worshipful Master) will receive points for attending a Master's Class in his District.
- A lodge must have a 'phone tree in place so that a large nucleus of the membership can be alerted whenever an important occasion requires immediate notification.
- A lodge must have a directory of its members with addresses and 'phone numbers available for every Brother.
- The Worshipful Master, Senior Warden and Junior must attend a Lodge of Instruction in New Hampshire.
- The required Officers of the Lodge (as per the Constitution) must attend the Annual and Semi-Annual Communication for the entire session, excluding the Installation.
- The lodge must invite the District Deputy Grand Lecturer to at least two rehearsals and view the Master's proficiency in the Ritual and sign the log.
- At least four members of the lodge, including the Officers, must attend a minimum of four visitations within and without their Districts.
- A lodge must have demonstrated an effort to promote Masonic Awareness by accomplishing at least an involvement in a local charitable or voluntary activity or presented a Community Builders Award to a non-Mason who has made a notable contribution to the betterment of the region.
- The lodge must prove that it has endeavored to increase its attendance at meetings by three initiatives, including: a Brother to Brother Night, a Veterans Award Evening, to include their family members, an invitation to the Grand Master to attend at least one of their lodge meetings.

"Masonry is growing," the Grand Master said in conclusion. "However, there is an imperative we must not ignore; the continued support of our Youth Organizations, DeMolay and Rainbow. The positive impression of Masonry that we leave with them will ensure that when they become of age they will want to become members of our Masonic Order. Their future is our future."

The President of the Board of General Purposes moved that a proposal called the Mace Report, named for a Past Grand Master and which has been circulated and discussed, not without controversy, since December 2007, be adopted. It calls for the Restructuring of

Grand Lodge and the implementation of all proposals therein contained. "The current Board of Benevolence and the Board of General Purposes will both cease to exist by June 2009, and be replaced by one Board only to be called, The Governance of the Craft. It will not have an operational role as such, but will focus on governance issues, setting policy, auditing progress, and reporting and monitoring performance. Small, concise and focused, it will consist of only 8 members: the Grand Master, Chairman, Grand Registrar, Grand Treasurer, Grand Almoner and three appointed members, one from each of New Zealand's three Divisions, North, South and Central, following a nomination process.

The authority and autonomy to administer and manage the Division will devolve to the three Divisional Grand Masters. They will be, so to speak, at the coalface of Freemasonry. They will be responsible for pastoral care, mentoring and training, officer selection and succession and general implementation of policy. They will be assisted by District Grand Masters, elected from those who have the ability to manage and administer a District, assist lodges and Brethren in all areas of Freemasonry and ensuring benevolence is maintained to the highest levels of visibility, whether in the form of assisting those individuals in need, or lodge/district projects in the community. They will also be the reporting conduit between lodges and the Divisional Grand Master. There is almost universal acceptance that this will streamline the existing two Board structure and de-centralize the decision-making process so more control and guidance will occur at a Divisional level rather than from a Wellington based regime. It is a new environment we are entering, a brave new world as they say. We must gear ourselves for the future, in the best, leanest and most effective format possible. And what if problems are found? We will monitor progress, tweak improvements when sensible changes are suggested, so that the process tends to be one of evolution rather than a revolution. But in the meantime, each and every Grand Lodge Officer should focus not on the machinations of Grand Lodge, but instead on how to promote Freemasonry at a community level and raise a positive profile for our lodges and districts, which is where the future of the Craft lies, not on preserving some super-structure at an almighty level. Head Office, as some Brethren refer to it, cannot be the ones who are going to get the Brethren or new members into lodges. Only the lodges themselves can do that.

We are an organization of less than 10,000 members. Our structure was devised over many decades, when we were larger. We face issues not foreseen even a few years ago. What we do now must be appropriate for Freemasonry as it advances into the future. In spite of all our successes in the areas of Benevolence and Charity to our Brethren, their families, Hospitals and University Scholarships, our numbers have dropped by two thousand in the last three years. This is alarming, as so many losses are due to resignations.

Freemasonry exists at other levels than the lodge and one of the facts is that we are both a Craft and a business. One cannot succeed without the other. We are taking a lesson from the marketplace and appointing proven managers and administrators to control the major policy directions of the Craft. All that is needed is forward thinking, practical application of our rules and acceptance of change without in any way deviating from our Ancient Landmarks. Looking back, I perceive that what has happened is that we have expected people of limited commercial skills or business acumen to achieve high levels of management. There are many and varied reasons for this. No doubt the "nice guy with time on his hands" often got the job. But a good Craftsman is not necessarily the best leader. We need to identify the best leaders among our Craft and utilize their skills and ability to the best advantage of Freemasonry in New Zealand. To rule has been the lot of many; to rule well has been the fortune of but few."

M.W. Bro. Lawrence G. Moss, Grand Master, reviewing the events of the past year, remarked, "Brethren, when I began my term of office, I chose as my theme, "Learn it and Live It." I believe that unless we understand the symbolism and allegories of the Craft, we cannot live the Masonic life. To that end, at every lodge meeting I attended, I presented a paper on some aspect of Freemasonry. So far, I have authored about thirty of these papers and I plan, at the end of my term, to edit them and place them in a folder to be distributed to lodges. I am pleased to note that many of our Brethren are making an effort to have a Masonic Education Program of their own. Most of our lodges are faring quite well in spite of the problems with the economy and out-migration in the rural areas. We have had lengthy discussions with those in difficulty and left them with a package of material and practical suggestions for revitalizing their lodge. There is no magic answer or solution to their problems, but I am pleased to say they are maintaining their own. Like most other fraternal and service organizations we have had our struggles with membership. Even though we have had modest increases in membership over the past few years, it is still ageing. Although we take pride in the fact that we are truly attracting many young men, a look around the lodge room will tell you that we are not keeping up. With an average age of 65, we have to face the reality that in 15 to 20 years we will be facing a crisis unless we address the problem before it is too late. But I can state that as long as there are men of good will and of good report there will be potential Masons and our job is to identify them and give them the opportunity to be Brothers. I have mentioned to a number of Brethren that we need to reinvent ourselves. That remark has usually been met with shudders. Again, I firmly believe that we have to make changes, not in our Ritual or in our Ancient Landmarks, but in the way we do things. We have begun to develop a Lodge Renewal Kit which we will distribute to all lodges in our jurisdiction, containing materials and useful suggestions relating to membership recruitment and retention. A lodge need not be at death's door to benefit from it.

This is an issue which is relevant and common to all jurisdictions. Our attendance at the American Conference of Grand Masters and Grand Secretaries, held in Anaheim, California, provided us with an opportunity to keep abreast of this and other trends in Masonry on a worldwide basis. The theme was: Freemasonry – Yesterday, Today and Tomorrow. The keynote speaker posed the question, "If Masonry died tomorrow, who would care and would it be missed?" He elaborated on the contribution of the Craft to civilization throughout the ages and concluded that its passing would leave a tremendous gap in society. These and other remarks relative to membership present a most realistic scenario of the state of our beloved Craft within this great jurisdiction. I endorse the need to seek for measures for improvement. The D.D.G.M.s Reports confirm that successful lodges are very active and very family oriented. They are involved in community activities, active in visitations, active in looking after their widows, skillful and respectful in the practice of the Ritual and supportive of the activities of Grand Lodge within this jurisdiction. We must continue to strive for quality in our membership and growth may be a possible reward."

NOVA SCOTIA*144th Annual Communication**Truro, Nova Scotia, June, 2009**104 Lodges**4,887 Membership*

The Committee on the Condition of the Craft received reports from the fifteen District D.D.G.M.s in an attempt to derive a picture of what was happening throughout the

jurisdiction. A wide divergence of strengths and weaknesses were described. There were as many pictures of the Craft as there were reports submitted. Common threads emerged, problems were identified and recommendations were proffered on the following topics: Membership, Education, Lodge Management, and Ritual. Over the years, we have witnessed a continual decline in membership with a loss of 440 this past year alone. This issue must become our top priority, not only acquiring new members, but retaining them as active participants. Average attendance in some Districts is only 20 to 30% of membership. Put into perspective, it means we have only 1600 to 1700 Masons actually participating in our Fraternity. If we are to attract new members, the public needs to have a better understanding of who we are and what we do. We must keep Freemasonry in the public eye by forming a comprehensive Public Relations program to keep the Craft visible in our communities on an annual basis. Reports indicate that the better educated our newly raised Master Masons are, the greater the retention rate. Mentor and Educational programs appear to be attracting potential candidates and increasing membership. Therefore, we recommend that the Mentor Program be compulsory and to be utilized with all new candidates entering a lodge. Greater emphasis must be given in ensuring the new applicant will make a good Mason. The importance of the Investigating Committee cannot be overstated. Indiscriminate recruitment could result in the ultimate surrender of a Lodge's Charter.

Lodges that are strong and continue to grow are actively involved in many Masonic Foundation Programs and deeply involved in their communities. Every lodge should establish a yearly plan for such events and review them with their respective D.D.G.M. Masonic Education is lacking or non-existent in the majority of our lodges. It is imperative that we openly discuss what each aspect of every Degree means, how it affects us as men and Masons and how we can apply it in our daily lives. We are doing a great injustice to ourselves and newly raised Masons if we do not develop and orchestrate a comprehensive Educational Program for all lodges and districts. It should be compulsory for each district and lodge to have an Education Officer and Committee to plan and implement such a program for the following year. Degree work in some of our lodges is exceptional and at an excellent standard. In other lodges it is not. Ritual is being read, often poorly, from open books and no longer delivered from memory. The Ritual is the first and often the lasting impression the Entered Apprentice takes away from his Initiation. What impression does he take away if the Ritual is done poorly? Often the excuse we use is that today we have not been taught to memorize in school. Memory is one entity of our intelligence which can be developed and improved. The Grand Lecturer and the Ritual Committee should implement a workshop on memory retention, utilizing copies of the most up-to-date Ritual.

Practice will improve efficiency. To encourage this many D.D.G.M.s have suggested that, as in the past, the Past Master's Jewel be withheld unless the Master has demonstrated his proficiency in conferring Degrees and conducting an Installation from memory. Any organization, if it is to continue to exist and thrive, should always be self-evaluating and looking for ways to improve from within. The difficulty of writing a report such as this is that it makes it appear that nothing right or positive has been happening. This is definitely not true. There is much strength in our jurisdiction. Considering our small numbers, we can say Freemasonry is alive in Nova Scotia. Our report attempts to recommend a valuable and worthwhile course of action to the Board of General Purposes for the benefit of the Craft.

M.W. Bro. Roy E. Lively, Grand Master, in conclusion, said, "As I receive the gavel, to try to walk in the steps of those who have gone before me, I am conscious of the responsibility for the care and understanding of 5000 Masons. Change takes time and comes slowly. But it does come.

The songwriter Garth Brooks, wrote, "Life is not tried, it is only survived, if you stand outside the fire." I have been an arsonist this year, igniting a spark, fanning the flames, feeding the fire of Masonry. And I see sparks. I see flames. I see the light of Masonry. I cannot take responsibility for all that the 104 lodges in our jurisdiction have achieved. The

use of power and position is very limited. We must be like Kipling, "Walk with all and keep contact with the past – always with an eye to the future, or there will be no support, no Masons and no Masonry."

In discussing the State of the Craft, the Grand Master, M. W. Bro. Stephen Gardner, repeated his request to the Brethren to, "Earn It Again" by leaving the Fraternity in better condition than they found it. The Condition of Masonry in Pennsylvania is fair and slowly improving. A program has been started whereby the incoming Worshipful Master and all Officers must meet the Minimal Proficiency Standards established by the D.D.G.M.s or Grand Lodge. The full measure of this program will not be seen immediately but will be evident in about five years. The intent is to improve the quality of the lodges and members and address the problem of declining membership.

A "Call 'em All" program has been instituted to help increase attendance and to provide information to the members on a regular basis through automated phone messages from their home lodges. Those who are using this method to contact their members have seen an increase in attendance and greater enthusiasm about being part of our Fraternity.

The Grand Master, in his closing remarks, emphasized that there are challenges ahead, that change must be expected and that we all must be willing to work together to achieve our goals. "We must all accept the responsibility and work together as a unit to protect our Masonic heritage for future generations. We cannot afford to be left behind in today's world. The current condition of the economy also affects all four entities comprising Grand Lodge; the Library and Museum; the Pennsylvania Masonic Youth Foundation; Masonic Charities and the Masonic Villages. However, none of these measures will have an impact on the services we provide to the more than 2,500 residents of the five Masonic Villages in Pennsylvania. The scale of our commitment to these Masonic Homes is demonstrated by the response to our Autumn Day Open House at Elizabethtown, the largest of these villages, having more than 1,700 residents. The event drew more than 8,000 members, their families and friends to visit relatives and tour the 1,400 acre campus. During the day, the Pennsylvania Masonic Youth Foundation, in partnership with Masonic Lodges throughout the Commonwealth of Pennsylvania, hosted a free Masonic CHIP Program, giving local enforcement and recovery officials the necessary materials to find missing children while giving parents peace of mind. The purpose of the Youth Program, funded by Grand Lodge, is to guide the youth of our State in their mental, physical and spiritual development, give them an awareness of the principles of good citizenship and generally to assist them in the philosophy of life that will sustain them in the future."

The Committee on Fraternal Recognition reported that the spread of irregular Freemasonry continues to create issues that could become a problem for Grand Lodges in North America. The Irregular Grand Orient of France has consecrated a Grand Lodge of North America in California, allowing male and female members. John Slifco has resigned from the Grand Lodge of California and assumed the position of Grand Master of this irregular Grand Lodge. I have worked for several years with Mr. Slifco, promoting a program of Masonic Studies at U.C.L.A. He has been the strongest proponent of this program in North America. This creates a situation where my Fraternal Recognition cannot continue. It does illustrate, however, that we must remain concerned with the development of irregular Grand Lodges. It continues to happen on a world level. Your committee encourages all our membership to be cautious in your travels when visiting with one whom you do not know to be a regular Freemason and certainly be extremely cautious with Internet communication. On a more positive note, we have received a communication from the Prince

Hall Grand Lodge of North Carolina requesting recognition. The Grand Lodge of North Carolina responded to enquiries that they recognized the Prince Hall Grand Lodge of North Carolina as regular Masons worthy of our consideration and that their recognition is without reservation. Your committee also recommends that Fraternal Recognition be granted.

“Where do we stand between people and government when we feel and see that something is very, very wrong?” asked Grand Orator, V.W. Bro. Carlos Briones. “Where do we apply those seemingly brilliant gems of Masonic teaching if most of our actions shall be deemed political and we are unable to respond? Can someone honestly tell me if we still count and whether Masonry is still relevant to our situation today? Do we make our presence and our relevance felt in a society where the loss of virtues and values is blatantly, glaringly and alarmingly deteriorating? How do we respond to the corruption in our country and government and where do we place ourselves in the midst of these unsettling developments? Do we just watch and hide behind the convenient excuse that we are barred from anything political in nature? There is turmoil in our divided nation. Events place in the limelight the accountability of many government officials. Why has history chosen others to build bridges of understanding among a divided people? Why not the institution of Freemasonry? Why not the Masons? We have witnessed the loss of honesty, righteousness and integrity in public service. But Masonry then, and until now, has opted to keep its deafening, nay maddening silence. Why? Can we not pick from our inexhaustible collection of prestigious men a formidable choice for a new leadership? Through our collective effort and commitment we may be able to prove that Masonry is indeed a powerful and impregnable force on this side of the globe. A Mason for President? Why not? Our people, both Masons and non-Masons alike, know the role that our forbears played in the most crucial moments in our history. Brethren, do you still possess the sterling qualities as honest exemplars of honesty and integrity. Grand Master and Brethren, in the wake of the present discouraging circumstances, I ask you, “Where does Masonry begin in situations like this? And where would you want it to end?”

Responding to the challenges facing the jurisdiction, M.W. Bro. Jaime Y. Gonzales, Grand Master stated, “Let me share with you my vision, my theme, and mission statement, that is, to live more Masonically towards a better society. Let us bring about a more dynamic, responsive, united and harmonious Philippine Masonry, with the end in view to recapturing its old glory as a deciding influence in the affairs of our local and national communities. If we succeed, we will create a more just, wiser and more meaningful social order. In general, I am happy to report that the lodges and districts have adhered to the ten main rallying points of my administration, which is to:

- Undertake a more vigorous membership growth and renewal program.
- Strengthen our fiscal and financial viability.
- Involve our families in Craft related endeavors.
- Strengthen partnerships between and among our Masonic family.
- Improve fraternal relations with other Grand Lodge Jurisdictions.
- Demonstrate concern for the preservation and development of our environment.
- Give the highest priority to Masonic Education by creating a comprehensive standard curriculum and improved methodology.
- Revitalize Masonic leadership and development.
- Project a positive image of Philippine Masonry by raising the level of public awareness and understanding of Masons and the Craft.
- Ensure the proper execution and uniformity of our Ritual and Ceremonies through

Lodges of Instruction.”

The Grand Master pointed to several success stories, including the fact that an unprecedented seventeen dispensations were granted to new lodges during the past year. Membership remained stable with a net increase of eighty-one. One concern he expressed, based on his observations during several visits, was not based on the poverty of material want, but on the poverty of the spirit that leads to the collapse of values. His Address was a clarion call to all Filipino Masons to practice the principal tenets of Masonry in their daily lives, be of one voice in harmony, and as a constant guide, to remember the words of Albert Schweitzer: “I don’t know what your destiny will be, but one thing I know: the only ones among you who will be truly happy are those who have sought and found how to serve.”

M.W. Bro. David O. Mosher, Grand Master, remarking on the Condition of Masonry during his term of Office, stated, “During the past year I attempted to encourage my theme for the year, which was, “Unity.” The theme is designed to make our Fraternity stronger. I have observed more of our Brethren attending other lodges either for Degree Work or regular meetings. These visitations strengthen our Fraternity as we all learn from one another. Unity is required from our Blue Lodges to Grand Lodge, from lodge to lodge and especially from Brother to Brother. May Unity and Brotherly Love be with us this year and in the years to come?”

The Board of General Purposes announced that the Constitution Rewrite Committee, after four years of tireless work, has prepared a newly revised draft which will be brought to Grand Lodge and then distributed to all lodges for their scrutiny. We hope everyone will respect the work that has been done and familiarizes themselves with the document so we can make a decisive decision in accepting this Constitution and By-Laws at the next Grand Lodge Communication in 2010. As stated in previous reports, to those who continue to remind us that our Constitution has served us for the past 130 years plus, we want to dispel any thought that this document will see radical changes from the present Constitution. But indeed, there will be some major changes recommended. New members want to know what the rules are. It may more accurately described as putting in writing, the practices and procedures under which we currently operate and eliminating some of the conflicting or vague segments of the current Constitution. It has served us well, but that does not mean that it cannot be improved to reflect the Grand Lodge of today.

In February, at the Board of General Purposes Meeting, it was also agreed that the Authorized Work of the Grand Lodge of Nova Scotia be reprinted by the Grand Lodge of Prince Edward Island. The Nova Scotia Ritual, in use since the union of all subordinate English, Scottish and Irish Lodges under the Grand Lodge of Nova Scotia in 1869, was successfully edited to conform to the Prince Edward Island usage. Eight of the lodges in the jurisdiction use the Nova Scotia Ritual, while the remaining seven use the Webb Ritual, based on the lectures written by Thomas Webb and published in Albany, New York in 1797, as the Freemason’s Monitor. He is the inventor and founder of the system of work, which, under the appropriate name of the American Rite, is universally practiced in the United States.

M.W. Bro. Rowan B. Casely, newly Installed Grand Master, closed the proceedings with the words, “I have struggled with what to use as my theme this year. So many good themes have been used, but I finally selected – Fellowship, Education and Laughter. Our Fraternity will only grow if we provide good fellowship and education to our members. And yet, nothing can be so serious that we cannot have a little laughter every once in a while. Finally, my Brethren, as you go from here, may all your actions are such that if someone who is not

a member of the Craft were to see your behavior, they would say – I want to be more like him – I want to be a Mason.”

“Teamwork is the ability to work together toward a common vision, the ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to attain uncommon results.”

M.W. Bro. Richard S. Sokall, Grand Master used these words of Andrew Carnegie to emphasize the need and responsibility of all Brethren to constructively support two of the major initiatives of Grand Lodge, the CHIP program and the Open House Membership Renewal Program.

“The most visible charitable effort remains the Child Identification Program” he began. “I cannot stress enough how important this is, not only in providing a valuable service to our communities, but also the extraordinary good will and public awareness it creates for our Fraternity. Over the past several years, our equipment procedures have been updated to enable us to secure the best, most comprehensive and compatible product available anywhere. But in order to continue this offering we need to have more and more volunteers to step up to the plate. We are once again in need of additional funding. To keep our operations viable and current requires a replenishment of supplies and equipment, not to mention the overhead cost associated with the maintenance and insurance of the Chip Vehicle. Please, my Brothers, do not allow this program to falter!

Another focal point this year was a plan undertaken by the Public Awareness Committee and the activities leading up to and through a State wide Open House, held on October 13, 2007. As a result, approximately 200 people visited our Masonic facilities, with well over 120 applications for membership being requested. This combined with more than 60 online requests left us with a feeling that the results were not only successful, but perhaps has provided an impetus to renewed growth and interest in Rhode Island Freemasonry. Prior to this effort, most of the lodges in the jurisdiction were already working with multiple candidates and this effort made these activities more fruitful. An additional phase of our efforts is the, “Bring a Friend to Lodge Program.” It consists of a format with a set of guidelines and ideas along with a committee of experienced Brethren ready and willing to assist any lodge enterprise designed to target and further attract potential members. This may prove to be an ideal concept to follow up with interested people who attended the Open House. This program is supported by two Masonic Education exercises, the Candidate Forum, designed to enhance the Ritual each Brother receives in lodge and offers explanations of the symbols of the degree he has just experienced. The second is the Officer Forum, designed to enhance an Officers’ knowledge of Freemasonry and Lodge Operations. Our future success depends on membership involvement, educating our Officers and teamwork. All our lodges have seen increases in candidates for the last two years. This trend is expected to continue due in part to our Public Relations Campaign and our new Brethren, they being our best advocates in promoting the benefits of this fraternal organization. But we must keep them active. All too often we see new Brothers come into the fold and within a short time he is never seen or heard from again. Why? Because no one took the time to make him welcome or wanted!

If we expect these members to participate in our Craft, it is imperative that everyone make a concerted effort to find out what he is interested in and direct his efforts to a lodge activity that best suits those interests. An Officer of a lodge is elected or appointed to perform the duties and responsibilities associated with his Office. He will not understand them if they are not explained to him. The Master and Past Masters must share any and all

information relative to an Officer having a successful experience in his position. All Lodge Officers must realize that putting on a tuxedo once a month is not the only requirement for leadership. Brethren, let us help each other to benefit our Fraternity. Better teamwork. Let us strive for it."

In 2007, the Grand Master commissioned the Grand Senior Warden to head a special committee to examine the Condition of Masonry; to receive input from a broad sampling of the membership and to report accordingly. The scope of this report covers activities to the end of December 2007, and revealed the following key facts:

- There were no Amalgamations.
- 71 new members were initiated into Masonry.
- 80 members were lost to death: 48 were suspended NPD: 57 resigned.
- Only 25% of the lodges were responsible for all the candidates initiated during this period.
- 43 lodges did not initiate a single candidate.
- Lodges with 58 or more members initiated 70% of all the new brethren. There are 16 of these lodges, all concentrated in large urban areas.

The information indicated the obvious need for an ongoing strategy to support those lodges and districts struggling within the jurisdiction. This effort must have clear, consistent and measurable goals. Strategic plans are always controversial. However, setting out clear and measurable targets makes good business sense. All the programs developed to address this situation must have continuity. This will require the ongoing support from successive Grand Masters, all Grand Line Officers and the Board of General Purposes. Initiatives already in place that are demonstrating success should continue; such as Information Nights and enhanced public information programs. Information Nights have been held in several cities across the province. Lodges who have sponsored this event have opened their doors to allow the public inside and informed them about our work with youth and our charitable efforts on behalf of our communities. These lodges, for the most part, received subsequent applications from men who attended and expressed an interest in joining the Craft, resulting in Initiations and increases in membership.

The Communications and Public Relations Committee continues with its good work in making Freemasonry in Saskatchewan more visible. Photographs and articles about our Grand Master will appear in the Star Phoenix and the Regina Leader-Post. Lodges in rural areas will be encouraged to prevail upon the local weekly publications to present Masonic events as news worthy items.

The Board of General Purposes approved a motion to amend the Constitution to allow Master Masons to become members of more than one lodge. Dual membership would increase revenues for individual lodges and benefit the finances of Grand Lodge through the collection of additional per capita payments. This amendment also has the very real potential to greatly increase fraternization, fellowship and visitation.

The theme "Let's all think about Masonry, Yesterday, Today and Tomorrow," defined the future direction of the Grand Lodge of Saskatchewan in the Acceptance Speech of M.W. Bro. Pat Hutchison, Grand Master. "It was once forbidden to approach anyone about Freemasonry until they asked. This Old School Philosophy has shot us in the foot and as a result we have lost a whole generation of potential Masons. I make it a point to talk to someone about the Craft every day, and I always know where there is a Petition. I recommend that you do the same. I think the future of Masonry looks good. I am concerned

about membership, as we all should be. We have seen a real upsurge of young candidates with a sincere desire to belong to something special. The key is we have to keep doing these programs, not once in a while but every year in every lodge. But what is also important is what we are doing today to promote our great Fraternity. Our personal image is portrayed by our deeds and actions as well as our body language and tone of voice. Our purpose, our job, our way of life, should make all men better. Masonry is a way of life. We must never forget our glorious past, nor, if you will, our Ancient Landmarks. I do not have any profound words of wisdom to give you or any Mission Statement to moralize on. All of this leads me to say, if we all work together toward the same goal I know we will grow stronger."

M. W. Bro. Denny Robinson, Grand Master, reflecting on his term of office, began, "Many of you will recall that when I first spoke following Installation, I talked about the train leaving the station and said that you could all choose to ride in the engine or you could choose to ride in the caboose. Either way, the train was leaving the station and all were supposed to get aboard. I am happy to report that you did. A couple of you were in the caboose for a while, but you made it to the engine. The engine, with the train, ran at full speed for the entire year. We accomplished many things; we got some changes made and I think we have shown the great citizens of South Dakota that Masonry is alive and well, growing and prospering in our jurisdiction.

In December of 2007, the Membership Committee made recommendations with new ideas and goals to slow down the continual decrease in membership, urging the local lodges to set up a Membership Committee with the Junior Warden as overseer. They were to work closely with the Lodge Secretary to help bring back those who had taken a Demit or were suspended for NPD. They went back five years and made personal 'phone calls to find out why the Brother left and offered good reasons why he should return. We were only 60 members away from being on the positive side, a very small percentage of the lost membership. This initiative, combined with the fact that we have raised over 100 new Master Masons since January 1st, has brought us to a new destination. We have turned the corner. If we had to do a final count right now, we could honestly say that since the last Grand Lodge Session to the present, we have increased our membership for the first time since the 19070's.

Credit for success must be shared and does not belong to just one individual. However, mention must be made of the Long Range Planning Committee, whose theme, 'Keeping Masonry Progressive,' set a goal of three hundred new members a year. Progress included the recommendation of a Mentoring Program lasting a maximum of two years for each new Brother to ensure he remains active, becomes a member of quality, is included in all lodge activities and understands what he has joined and what Masonry is all about. The integrity of our Ritual is preserved by the publication of a new Ritual Monitor to provide more knowledge to our Brethren as they receive their Degrees. Our promise to take a good man and make him better cannot succeed without Masonic Education. We will maintain the standards of our membership with the introduction of an Investigation Manual and a new, more appropriate Petition, to help everyone to understand the responsibility and need to investigate candidates for this great Fraternity.

The South Dakota CHIP Program got underway last year and has been extremely successful. We have held over 25 events throughout the State and have identified over 3000 children thus far. Many more events have been requested and scheduled. This program has been a wonderful tool for the local lodges to serve their communities and gain valuable exposure for Masonry in South Dakota. Because of IRS Regulations, we have introduced a

program whereby a Brother or Lodge can send in a donation to the Grand Lodge Office and qualify for a tax deduction for their contribution. The funds are then held until an event in their community takes place. We do need more funding for the operating capital of this program. For everything good, the money will always follow. It is not only the 3000 lives you touch. CHIP reflects that community experience where literally everybody in the neighborhood looked out for you when you were growing up. This is what we are missing in America today. That is why the Masonic National Center thinks so highly of this program. Because it gathers together Dental Health Professionals, Law Enforcement, Freemasons and everyone in the community, all reaching out and working together as a team. There is no better service.”

“The desire to excel and to ‘Accentuate the Positive’ in all areas of our Fraternity has resulted in a great year for our jurisdiction,” said M.W. Bro. Wayne I. Smith, Grand Master, as he highlighted the achievements and progress of Grand Lodge. “As we approach our 150th year I am happy to report that we are strong, vibrant and beginning to recover from our previous losses. Likewise, we have stemmed the number of suspensions for NPDs by adopting an ‘eye-to-eye’ policy. Emails, letters, and ‘phone calls are no substitute for an ‘eye-to-eye’ visit with Brethren in arrears. It shows we care about his welfare and needs. Go the extra step. Knock on his door. Our Leadership Training Committee, after three years in existence, has now become a Standing Committee of Grand Lodge. Their mandate is to prepare Brethren for the East by honing their skills in lodge management and leadership skills. Classes cover a wide range of topics: Ritual, Leadership, Web Design, Public Relations, Long Range Planning and Finance. Skills are graded by exams, resulting in the issuing of Lodge Management Proficiency Certificates, without which no Brother can become the Worshipful Master of a Lodge.

Membership Development is crucial to the future of Grand Lodge and the Masons of Washington. There are two components: attract and retain members and motivate involvement. To this end we distribute information packages to lodges across the jurisdiction. Our committee members are tasked to request permission to visit at least one lodge in their district or in an adjoining district once each month. We will continue to provide speakers, on request, to lodges and groups who wish to learn about the tools necessary to retain and motivate members. We have embraced change. Change is good. It is time to change many things. The only way we will ever change the downward trend to membership is for each Mason to live our mission and go out in the community and make a positive difference. The bottom line is that in every community there are men who want to become Masons. Your active presence is an opportunity to show them how to become one.

The New Candidate Education Program has been changed to make it easier to learn about our Fraternity. Our Standard Work (Ritual) and the Freemasons Guide are now all contained in one book. The point is to improve Ritual proficiency. Not to be perfect, just to improve. We all come to learn. All who practice and improve are winners.

The mission of the Long Range Planning Committee is to educate lodges as to how they fit into the Grand Lodge Plan and to encourage them to identify the values and priorities that are important to them and then set goals based on these findings. We also show the Brethren how their goals and priorities are actually the foundation on which the Grand Lodge Strategic Initiatives are built. Future modifications of their goals will result in future modifications to the goals of Grand Lodge.

During 2007, roughly 4500 youths were passed through our CHIP program. This growth

has resulted in the need for additional equipment with the financial support of Grand Lodge. At our largest event, we were able to identify 1967 children. Our Brethren have seen the need and made it happen. Nothing speaks so well of CHIP than the fact that the Grand Lodge of Arizona is beginning a program modeled on ours.

One of the things I hear occasionally is "Grand Lodge is making us....." Let me assure you that there is nor a 'them or us' feeling among any of the elected officers and there should not be in the jurisdiction at large. Grand Lodge is all of us. From our inception we have operated on the principle of Resolutions proposed, voted upon, accepted or turned down. We all approve any modification to the Washington Masonic Code. If you are unhappy with anything done in that light, no one will discourage you from submitting Resolutions that you think will improve or enhance our jurisdiction. Until then, we will all conform to the Code. The words of Henry Ford are appropriate in this situation. "Coming together is a beginning. Keeping together is progress. Working together is success."

The issues of harmony and reconciliation formed the main thrust of the Address of the Grand Master, M.W. Jerry E. Lewis. "Brethren, throughout my year I have observed tension amongst the Craft. I have encouraged everyone at every opportunity to put their differences behind them and bring our Fraternity together in a spirit of Brotherhood. Unfortunately, there are still some Brethren who are more interested in how they may be able to alter Masonry to accommodate their purposes than they are in practicing Masonry as it was intended. This is not as it should be. I call upon each of you to resist the efforts of those who would undermine the integrity of this organization. Look at each other as Brothers and friends. Follow the Laws of Masonry. Don't divide and chip away at the edges and cause it to crumble down. Put this other business behind us."

"This other business," referred to the activities of a coalition called the 'Masonic Crusade' which disrupted the peace and harmony of the Craft and violated the rules, regulations and obligations of Masonic Law in West Virginia. They also maintained an illegal website to advance their own agenda, circulating by letter, petition or other forms of publication, proposals advocating amendments, repeals or enactment of laws, rules or regulations to other lodges without securing dispensation for such purpose from the Grand Master, resulting in public insubordination and disrespectful behavior towards the Grand Lodge, Grand Master and other Grand Lodge Officers in the Grand Jurisdiction of West Virginia. All were deemed guilty of non Masonic conduct and violation of six of the Ancient Landmarks. The participants were given an opportunity to apologize and renounce the principles of the 'Crusade' but refused to do so. Expulsion was the result of their conduct and their subsequent requests for restoration were denied. Commenting on the situation, the Committee on Jurisprudence affirmed that Grand Lodge is the sole arbiter, within its own jurisdiction, of what is or is not acceptable Masonic conduct. It is the only body to which all Masons owe their allegiance. Outside interference cannot or will not be tolerated.

The Committee on Fraternal Relations has reported repeatedly over the last several years, that the most pressing problem shared among Grand Jurisdictions is the loss of membership. Last year, the committee reported that the trend in loss is beginning to lessen and in some jurisdictions gains have been realized. A cautious hope for reversal is more prevalent. There seems to be a common thread among many of those reporting on the slowing or reversing trend of membership loss. Many Grand Lodges continue to utilize One Day Classes, CHIP programs, dual memberships, Open Houses, ages requirement changes from twenty-one to eighteen, lodge competitions and in general, becoming more visible to the general public. A common feature is a trend towards a return to the basics of Freemasonry. Many

jurisdictions, including West Virginia, hold regional meetings to assist in restoring the Ritual proficiency, continuing the policy of ensuring skilled Craftsmen acquire the Ritualistic knowledge necessary for a lodge to properly perform the duties authorized and granted by its Charter. Competition among lodges is encouraged in exemplifying Ritual leading to State and District champions being recognized in the Grand Lodge Annual Communication.

The closing remarks of the Grand Chaplain, quoting John Ruskin, appropriately reminded the assembled Brethren of the symbolic significance of the Cornerstone, its relevance to the future of the Craft as an emblem of permanence and their responsibility to their successors. "When we build, let us think that we build forever. Let it not be for the present delight or present use only. Let it be such work that our descendants will thank us for, and let us think, as we lay on one stone at a time, that a time will come when these stones will be held sacred because our hands have touched them, and that men will say as they look upon the labour and wrought substance of them, "See! Our fathers did this for us."

 Speech "Are we Building? If so what - Bridges or Walls?"

Grand Master, Distinguished Guests, Brethren All:

Introduction

Alvin Toffler – American writer and futurist said:- *The illiterate of the 21st century will not be those who cannot read and write, but those who cannot learn, unlearn and relearn.*

In 2006 the Masonic Renewal Committee M. W. Bro. Robert Conley wrote a booklet entitled *Who are we?* I am sure most of you have heard of the booklet and many probably have read it. It analyses the generations that the writer claims make up the population of the USA. Criticism was that it stereotyped the population. Its message however is one to consider. Conley proposes the generations are present in our lodges, that the characteristics of each need to be understood and by doing so, we accept and acknowledge their differences as strengths in working together. Its content has been discussed and written about many times and some jurisdictions have taken on projects to offer suggestions on how to work together and make lodges recognize the importance of knowing these varied characteristics.

Probably the most profound statement he makes for me is in the last paragraph of the booklet. When speaking about the Millennials he says:-

Bring them in and make them part of the experience and they will move the craft to places it can only imagine, leave them out of the experience and they'll leave so fast you won't have time to remember their names.

Conley, Robert, 2006 *Who are we*, Masonic Renewal Committee of North America

Some troubling words. These young Masons are our future and as such we have an obligation to help them become well established in our fraternity, and to help them feel engaged in our work quickly. Much of this requires us to build bridges between each other, to know each other better, and to arrive at the relaxed atmosphere of being in each others company with effortlessness. A Brother needs to feel part of the fraternity on equal footing with members, feels he is listened to and respected by others, and who is indeed a part of the family, is indeed a true BROTHER.

It is well known that 2 out of 10 new Masons obligated will be regular attending members while about 4 others will remain as members but not attend regularly, while the balance will demit or even be suspended. We need to work in creating an environment by which more new members stay. That implies that we need to know them better and connect with them faster. Faster assimilation is paramount for our fraternity if we wish it to be here in the future.

It seems the words building and bridge have arisen in recent times for me perhaps with more regularity than normal.

- The Johnson Street Bridge in Victoria connects downtown Victoria to Esquimalt, a west artery towards the Canada's Pacific Naval Fleet. For the past year the city has been debating either maintaining it or replacing it.
- Reviewing a file of papers I reread one titled *Building Bridges* (Scottish Rite Journal, October 1999), written by M. W. Bro. George H. Chapin 33°. Its synopsis - *building bridges within Masonry and between the Craft and society must be our mission today*. [<http://www.srmason-sj.org/council/journal/oct99/chapin.html>]
- A beloved Past Grand Master of our jurisdiction passed away earlier this year M. Wor. Bro. William McCoid. An article in our Masonic Bulletin used a quotation from his first article (Masonic Bulletin BC&Y September 1979)

"We have traveled thus far in vain if we have failed to learn that as freemasons we exist to build, not a lodge that will pass with time, but the much more enduring temple of character."

- Recently I received the poem *The Bridge Builder* by Will Allen Dromgoole. It speaks of an old man building a bridge. A pilgrim suggests he is wasting time since the old man will not travel back over the bridge again. The old man replies that it is not for him but for those who come after him. Of passing interest you may not realize the author of the poem, Will Allen Dromgoole, is a woman.
- A DVD is being produced in our jurisdiction and M. W. Bro. Jack Harper was interviewed and at the conclusion of one of his tapings he said:-

Freemasonry builds bridges not walls

...which gave me the title of the paper, and it made me realize that our generation issue is one of building bridges.

Definition of Bridge

Bridge – def. 1 a structure carrying a road, path, railway etc. across a stream, ravine, road railway.

def. 2 anything providing connection between different things.

And I used the second definition to ask questions - are we building our lodges for quality by helping one another to be the best we can be? Are we connecting our generations in lodge? How much energy is being spent on building?

There are three major areas that we have to build with all members at all times to help us remain a vibrant, enthusiastic, motivated and relevant fraternity with bright lodges.

- Relationship building – which connects with communication
- Communication skill building
- Building our Masonic knowledge base

Are we building bridges or walls in these three areas?

New masons have a high expectation of meetings and of us. They do not wish to waste time. They expect us to give them something valuable in every meeting. They are looking for something missing in their lives and in their research, however extensive it has been, they feel that Freemasonry is the group to join. We have to clean house, be effective and efficient in our lodge evenings and give them something that makes them want to return. We need to listen to them.

GB Shaw said that, “*Life isn't about finding yourself. Life is about creating yourself.*” These men are searching for that opportunity.

Recently two e-mails came my way from two men interested in joining Freemasonry. They were asked, “Why do you want to become a Freemason?”

1st – It is my wish to further my knowledge and a belief in the traditions of the lodge and affirm my belief in a higher being through the blue lodge degrees, and potentially be contacted by those who wish to further my knowledge.

2nd – I want to make a better world and would like to do whatever I can to make that happen. I would like to pass on life lessons that I have learned to future generations so that they will make more informed decisions. I want to be enlightened and enlighten those around me.

Certainly I do not think I could have articulated their thoughts as they have, when I was considering joining. These two quotes are not the only feedback I have had. I have seen many new Masons expressing the same ideas and desires. Are we prepared ourselves to help them on their life's journey?

Relationships

Freemasonry is a people organization not a thing organization. We build men so that they become better men. We do that by learning about each other, our interests, families vocations beliefs, understandings and knowledge And we give them the title Brother. The sacred title we use in our lodges so often just glibly said, yet what meaning it has. It makes our lodge and its members an extension of our own families. As such our lodges are the very essence of harmony, peace, creativeness, vigor, stimulation, and vitality. We each seek more for and of ourselves as well as seek the same for our brethren.

Abraham Maslow's Hierarchy simply stated suggests that there is a driving force that cause people to join organizations and stay. He called it a *hierarchy of needs*. Once one level is met humans are driven to seek the next level.

- Physiological Needs – food, water, shelter, - Body needs
- Safety needs – of body, of employment, of resources, of morality, of family, health and property – Protection needs

- Love and belonging - friendship, family, intimacy – Caring needs
- Esteem - confidence, achievement, respect of others, respect by others – Confidence building needs
- Self-actualization - Creativity, spontaneity, personal achievement, acknowledgement by peers as a quality person – Achievement needs

Recognize that most new Masons join our fraternal organization with strong level three needs well established. They are seeking fourth level needs – Esteem, respect of others and respect by others. Freemasonry builds esteem. It constantly seeks to build each of us to be better, and to share that growth. We build each of our members whether they are just a few hours old as a Master Mason or decades old as a Master Mason. We teach them all to aspire to higher levels of personal achievement, and we care strongly for all to become everything that one is capable of becoming.

Stephen Covey spoke of satisfied need do not motivate. It is only unsatisfied need that motivate: _

“Next to physical survival, the greatest need of a human being is psychological survival – to be understood, to be affirmed, to be validated and to be appreciated.”
Covey, S. (1989) – *7 Habits of Highly Effective People*. Simon and Schuster, Toronto.

Mentoring is the process by which we achieve the opportunity to build brethren. Remember that mentoring is not a program, it is a relationship. The word program suggests a manual working through page by page. I am not saying a manual is wrong, but it is essential that each brother is approached as a unique individual and to fit mentoring to him and his needs.

Remember too that a new Entered Apprentice is keen to become part of the culture of the lodge and of the membership. He will be acutely aware of all the words, behaviour that he sees to get a sense of being part of the lodge. What we say and do at the first meetings for a new Brother becomes indelible. (*not the time to be telling questionable stories and jokes.*)

Covey however suggest that:- “*In the final analysis what we are communicates far more eloquently than anything we say or do.*” We must show ourselves to be ones to be looked up to.

A second suggested area for building relationships is to be *intentionally inviting*. In all lodges, four main groups divide our members:- Intentionally inviting, intentionally uninviting, unintentionally inviting and unintentionally uninviting. We should always remain intentionally inviting, and keep that special characteristic always present.

As Leo Buscaglia said – *Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, and honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.*

The way we are, the way we show ourselves to our brethren in lodge is paramount to brethren remaining members and attending regularly. They feel invited, understood wanted, and they will stay. Just as important are the words we use when we speak and the quality of our listening to out brethren – communication skills.

Communication

Life is a conversation. We are always talking whether to someone, or with ourselves – thinking issues and problems, planning, or pondering. We are always communicating. John Maxwell in his latest book – *Everyone Communicates – Few Connect* makes a strong case that effective communication - that is connecting with others - is vital to building

relationships instantly and indeed it is a skill which can be learned. A conversation consists of a speaker and listener. Therefore speaking and listening are the most important communications skills we should have.

When we speak:-

- what we say accounts for 7%
- facial expressions account for 23%
- voice tone accounts for 20%
- body language accounts for 50%

7% words and 93% body language when communicating. These facts are not new but it is worth being reminded once in a while.

Over 90% of the impression we often convey has nothing to do with what we actually say. [Maxwell, J, 2010 *Everyone communicates few connect*. Thomas Nelson, Nashville, Tennessee.]

Lodges work with conversations. Ritual, discussion, education all depend on someone speaking – and others listening. Speaking and listening are paramount to the workings of our lodges. Conversations will differ greatly between lodge and festive board. These two skills are taught to us all, perhaps unbeknownst to us simply by the regularity of our attendance at our meetings. A regular attending brother will in time become very conversant with appropriate language to use as well as improve in listening skills.

Lady Dorothy Nevill – English writer, horticulturalist - said:- *The real art of conversation is not only to say the right thing at the right time, but to leave unsaid the wrong thing at the tempting time.*

I believe new masons of the generation X and Millennials are keen for conversation. Their skills with the plethora of medias available– Facebook, i-touch, i-pods, YouTubes, twitters, texting and cell phones –are made in isolation. Little face to face conversations are present. It is face-to-face conversations, the richest of communications that are ever present in lodge meetings. Face-to-face communications handle the more ambiguous conversations. In lodge we speak with decorum at all times, one person at a time. We listen with respect. We debate accepting differences of opinion without raising our voice. With an abundance of speaking, the same amount of listening occurs.

Listening is the hardest of our communication skills. Rarely taught in isolation at elementary and high school, as a general population we are weak listeners.

Much of our dilemma in communication is our inability to listen. Generally humans are poor listeners. The Chinese character for listening has four components – ears, eyes, undivided attention and heart. We call that empathetic listening. It needs to be practised and it can be learned. Lodge meetings offer this skill.

Lodge can offer an excellent school for learning the art of conversation; recall the seven liberal arts and sciences, three of which are grammar, rhetoric, logic. Our new Masons are much attuned to communicating a different way. Generation X and Millennials can offer administrative work of our lodges, streamlining our archival records, using power points for educational presentations, collecting data for surveys. They may be skilled in technology but the lodge offers skill building in conversation. Discussions on education presented is one way to improve the communication skills of speaking and listening.

Education (Knowledge)

These younger generations members also come for enlightenment. In 1975 Conrad Hahn,

Executive Secretary of the Masonic Service Association of the US a most distinguished Mason once observed:-

The lack of educational work in the average lodge is the principal reason for the lack of interest and the consequent poor attendance in Masonry over which spokesmen have been wringing their hands for at least a century.

Here we are 35 years later and I sense we haven't moved too far forward in improving our work. As much as a lodge is a fellowship for men of like minds, the premise of our foundation is as a school of learning, a place of knowledge, an opportunity for study – and it remains so today. What may be different is the opportunity for lodges to present education in a variety of ways. A paper presented in a lodge is not the only method to present education today.

Masons are good talkers – sometimes too good! Papers given in lodge sometimes illustrate Bergen Evans' definition of a college professor – 'someone who talks in other people's sleep.

http://www.grandlodge.on.ca/Masonic_Education/ME14knowYourself1.htm

Many of our new Masons are joining because, quite simply, they want to learn. They have already learned much from outside of our fraternity. Now having joined they wish to learn more. We know that many have a deeper understanding of our fraternity than we in the other generations. It is necessary then to outline clearly the work of a lodge. If a man is seeking more enlightenment, then the lodge should be ready to aid him in that development. They, in turn, will probably bring to the lodge the assortment of ways in presenting education.

Much of our written work is readily available from many resources, books, internet, and lodge libraries. Even bookstores are offering many more books in Freemasonry and other areas closely related. A bookstore in Victoria, for example, has almost a full section of 4 shelves with books on related topics in Freemasonry. Andrew Prescott's work a few years ago in Sheffield University spurred a massive interest in Freemasonry from academics and even to a seminar of professors and others speaking on Masonic topics in Edinburgh in 2009. Of 36 speakers only 5 were masons.

Even if there appears some skepticism of the content of books and papers on topics of Freemasonry, Generation X and Millennials are keen to discuss and debate and how else can they move towards a more profound understanding of Freemasonry than this method. It is a sad commentary that very few lodges in my sphere of knowledge use the Socratic method of learning - a form of inquiry and debate between individuals with opposing viewpoints based on asking and answering questions to stimulate critical thinking and to illuminate ideas. [http://en.wikipedia.org/wiki/Socratic_method]

Creativity in our presentation of any education is critical to retain interest. With explosion of access to more material there is no limit to the topics and methods of presentations that we cannot use. What may be holding us back is the lack of facilities that can offer multimedia presentations in our lodge rooms.

We wish for our Masons to be successful, to feel rewarded for work done well and to feel a part of the lodge life. What better way than to give every chance we can to ask a brother to speak on a topic of interest for him. Initially it could be an area far removed from Freemasonry, but at least he begins to build skills in presentations. We need to teach by example – to be the example. We learn from them the knowledge they have and we in turn offer them our understanding.

More, we are in great need to build a new kind of Masonic writer and presenter. In the local lodge, probably the best place for brethren to practice the craft of presenting knowledge should be encouraged to read more, to write and then to present.

Recently our local Education and Research lodge had an evening open to Masons who have never presented before a group on a topic no more than 10 minutes long. The lodge had four papers each from a relatively new Mason. What better encouragement would and could we offer than opportunities like this to learn the skills of presentation. Also each was followed by a discussion. All in lodge participated in one or more of the discussions. The result was a most inspiring meeting and indeed a building of the esteem of the four brethren who presented for the first time. I know they will return for the future: the kind of environment we have to foster.

Most especially, read, read and read some more. We must be well versed in our knowledge of our Craft. We have to be able to respond to questions such as:-

- What is Freemasonry all about?
- What do Masons do?
- Why did you join and why are you still a Mason?
- What makes you return regularly to your Masonic lodge night?

We have to be the change we wish to see in the world – (M. Gandhi). If we want better educational meetings we need to create them. That requires planning, time, desire, and excitement.

MW Bro. D. H. Mumby said:- *We cannot shine if we have not taken time to fill our lamps.*

Conclusion

We have many ways to bring our Masons closer together, build relationships, improve our communication skills of speaking and listening and ensure that the focus of our lodge meetings are for knowledge and education.

Yes, we are here to make new Masons, and yes, we have certain business we have to attend to. But let us not forget that knowledge also creates a well rounded lodge meeting.

Stephen Covey –CEO of Franklin Covey Company, said:-

We have a body a mind, a heart and a spirit – a body to live, a mind to learn, a heart to love, and a spirit to leave a legacy.

What will be your legacy in the stewardship of your lodge? My hope is that you will inspire our new Masons to feel the warmth of our fellowship and to be members for a long time. My hope is that we encourage them to learn.

Stephen Covey, in his last book, *The 8th Habit*, states that the new habit is to find our voice and then inspire others to find theirs. We have the greatest opportunity to build bridges to connect with all our members especially new members. If we are not building those bridges daily then we are building walls. Bridges connect, walls isolate.

We make a living by what we get, we make a life by what we give. W. Churchill

Freemasonry is a way of life. To ensure that lodges are ready to offer that philosophy requires us all to be part of the work. It is the challenge and it is our future.

Those who try to build the present in the image of the past will miss out entirely in the

challenge of the future – W. Churchill

It is our future and it is in our hands. I leave the final words to W. T. Wilson, (28th President of USA):-

You are not here merely to make a living. You are here in order to enable the world to live more amply, with greater vision, with finer spirit of hope and achievement. You are here to enrich the world, and you impoverish yourself if you forget that errand.

Be part of our future. Enable our brethren.

M.W. Stephen Godfrey PGM
Grand Lodge of British Columbia and Yukon

Deputy Grand Master's Thanks to M.W. Stephen Godfrey PGM

Most Worshipful, the Grand Master, Most Worshipful, the Past Grand Masters, Distinguished Guests at the Head Table, Officers and Members of Grand Lodge, Recipients of the William Mercer Wilson Medal, Representatives of the Masonic related Youth Groups, Reverend Sirs, Ladies, Brethren and friends.

M..W. Bro. Stephen Godfrey,
PGM Grand Lodge of British Columbia and Yukon, Guest Speaker

M.W. Bro. Godfrey:

You have given us much to think about with your topic "Building Bridges or Building Walls"

There is no doubt that today's pace of life is indeed hectic, regardless of whether we are at work, at home or out in the community. M.W. Bro. Rorer reminded us of that this afternoon. In this age of electronic communications, fast food and fast cars, extended weekly work hours that have become the norm, getting kids to all the activities that they somehow must participate in, Community work, Boards and meetings, and on and on... we have become a society that communicates in sound bites – short bursts of dialogue – intended for only a specific purpose and in the end, possibly isolating us and characteristic of the four 'generations' you mentioned.

We do indeed seem to have forgotten how to really engage each other in conversation, to spend time just talking and staying connected. Thus we fail to maintain the 'relationship' Bridges that we built with old friends and lose the communication skills necessary to build bridges that will really connect us with new friends. We do indeed need to unlearn and relearn.

Also, as you state, our communication skills are failing. The very nature of a sound bite implies we must get our message across quickly (and there is a place for that) – but if we only speak in 'sound bites', we eliminate the second part of any really good or great conversation – and that is the listening part - the body language.

In applying the principles of 'building' Bridges to our craft, you have stressed the importance of our Lodges as Schools of Knowledge and Understanding. Masonic knowledge, with its emphasis on Symbolism, is poorly acquired by a Mason acting in a vacuum (perhaps Maslow's level 2). It is the interaction with his Brethren - using his bridge building skills, using his communication skills - that enable him to really progress in the

science and experience the true joys of fraternalism and move upwards in Maslow's hierarchy.

What a joy it is when we stand back and observe an animated conversation between an experienced Mason and a new Mason (especially young and old). Those conversations often include a transfer of knowledge, an inquisitive interaction, a sense of bonding across generations and an appreciation of more than one point of view. I believe you called that bridge building or mentoring.

We promise every new initiate that we will aid him in becoming a better man. As you infer, M.W. Sir, the Lodge room is the place to accomplish that. That is where the W.M. has the opportunity to provide the venue for building bridges and developing communication skills. If we fail to capitalize on these opportunities to build bridges, enhance communication and acquire knowledge, we are likely building walls by default.

M.W. Sir, it seems ironic that our stonemason's history revolved around the building of walls and yet, over hundreds of years, **what Masons can be so good at, if they set their minds to it, is building Bridges.** It is encouraging to note that the strategic "5 Pillar Plan" of the GLBC&Y and the strategic plan of this Grand Lodge both recognize and emphasize the importance of Communications and Bridge Building initiatives.

M.W. Bro. Godfrey, the theme of your address this evening was 'intentionally inviting' and provided a perfect Bridge to our Grand Master's personal theme for this year which is "Get Knowledge, Get Wisdom, but with all thy getting Get Understanding!" and we thank you for your vision and insight on this timely topic. We have some work to do! To break into that part of the circle where we don't know what we don't know.

Thanks you for challenging us to think about our legacy and our bridges.

SUMMARY REPORTS OF THE
DISTRICT DEPUTY GRAND MASTERS 2009 – 2010

Algoma District – 9 Lodges

R.W. Bro. Marvin Salmi

Masonry in Algoma District is in good shape with one rural Lodge having difficulty due to the economics of the area and the large area from which it draws its members. Membership is on the rebound with all Lodges initiating many new candidates. With the amalgamation of Thunder Bay Lodge No. 618 into Connaught Lodge No. 511, the status and health of the Lodges improved in the city area. Ritual and protocol is well done and improving with the help of Lodges of Instruction and the regular issues of the Protocol and Etiquette bulletins supplied by Grand Lodge.

Thanks to the Grand Lodge Resources Team for their training and information sessions held in the District to gain better understanding of the programmes which are now getting better use and support.

Events like open Masonic picnics, golf tournaments, fish derbies, the MasoniChip Program and assisting Salvation Army kettle drives show case the Masons to the public.

It has been a very busy year with good support from all Lodges. The highlight of my year was the presentation of long service pins and Lewis jewels. At the Official Visit to Hornepayne Lodge No. 636, I was honoured in assisting a father in the presentation of a Lewis jewel to his two sons who had been recently initiated into the Lodge. It was a very moving experience.

I wish to thank the District brethren for their support and for allowing me to stand as District Deputy Grand Master. I owe a great debt of gratitude to the District Chairmen, especially V. W. Bro. Leo Wayrynen, Co-Ordinator of Masonic Events, R.W. Bro. Robert Manz, Co-ordinator of the Lodge of Instruction, V. W. Bro. Robert Gillman, Chairman of Lodge Resources and District Secretary, V. W. Bro. George Morton, for their great work, support and assistance in making this an enjoyable experience.

Algoma East – 8 Lodges

R.W. Bro. Kenneth R. Pierce

Algoma East District is made up of eight Lodges with Elliot Lake in the east, Wawa in the west and Chapleau in the north. The other five Lodges are in Blind River, Thessalon and Sault Ste. Marie (3 Lodges). Elliot Lake to Wawa is a five hour drive. Four of the eight Lodges are over 100 years old.

The condition of Masonry in the District is good. Lorne Lodge in Chapleau has made great strides this past year with support from the Grand Master and Grand Lodge Officers who traveled to Chapleau on May 4, 2010. The members of the Lodge have worked exceedingly hard to arrive at where they are today.

All Lodges have shown significant growth this past year. The quality of the work was well done. Protocol at all visits was well established. The Lodges are fairly well off regarding finances. Dymont Lodge is experiencing some financial concerns due to being unable to secure a tenant in the main floor of the building. Elliot Lake Lodge is suffering from the lack of finances due to the fact that the majority of their membership is over 65 yrs. and paying senior rate dues. There is a Temple Board to look after the finances of the building. The General Purpose Committee is presently being re-established by the Lodge. Grand Lodge assistance is available to the Lodges seeking help with finances.

Many of the Lodges are involved in community events ranging from Saturday breakfasts, Harvest Dinners, Robbie Bums Night, wild game dinner, Bon Soo Carnival, fish derby, sausage making and a District Golf Tournament.

Grand Lodge Programs are used by some but not all Lodges As mentioned above Lorne Lodge was the recipient of those programs. Elliot Lake Lodge celebrated their 50th anniversary in October 2009 with the Grand Master and Grand Lodge Officers in attendance. Some Lodges but not all have Long Range Plans. Algoma East District has a Long Range Plan. The MasoniChip Program is well established and will continue.

It has been an honour and a privilege to have served as the Grand Master's representative in Algoma East District this past year.

Brant District – 13 Lodges

R.W. Bro. Donald H. Elliott

It has been a busy and hectic year in Brant District with a multitude of activities.

The Grand Master was guest of honour at the 150th anniversary celebrations of Wilson 113 where a Memorial Monument was dedicated with a banquet in the evening.

The Grand Master was present to dedicate Mosaic Pavement and V. of S.L. and a Past Grand Master also dedicated a Mosaic Pavement in Brant District.

Brant District has been fortunate to have a number of Grand Lodge programs presented in and around the District including a secretary's seminar, Lodge Resources Workshop, and a prospective D.D.G.M. orientation seminar.

A lodge of Instruction presented by M.W. Bro Mumby, Custodian, and his team was held in Simcoe, including Brant District.

There was also a Blood Donor seminar held in Innerkip, also including Brant District and presented by R.W. Bro Siemiernik and team.

A number of Lodges of Brant District embraced these programs and participated in the Cornerstone Lodge programs resulting in a number of additional activities in the District such as a Friend to Friend presentation and a Rusty Masons lodge meeting, including long service pin presentations and banquet.

A number of Brant District Lodges are involved in and hold events in their communities, promoting public awareness including brunches, family barbecues and dinners and participating in community functions, such as Cornfest, Pumpkinfest, Applefest, Canada Day celebrations and other similar events in many communities. The MASONIC.I.P programme has been available at some of these events, thus creating awareness of some of the programs Mason have available.

Many of these activities have contributed, to some extent, to many applications for membership in a number of the Lodges of the District, and I have been impressed not only by the quantity, but the quality of these new members who are contributing and becoming involved in their Lodges. This should have a positive impact on membership growth in the District, in spite of the losses of our members to the Grand Lodge above.

The challenge of the Grand Master, Deputy Grand Master, and Custodians to "raise the bar" has been communicated throughout the District and many improvements are evident, however some work remains to be done and I am hopeful the Brethren and Lodges of the District will continue to strive for improvement, not only in the ritual but in protocol and etiquette as well.

I am particularly thankful for the support of Lodges and especially W. Bro Robert Hamilton, District Secretary and the District Chairman who dedicated themselves to attending all official visits and communicating meaningful information as well as offering any assistance the brethren or Lodges may desire.

As I complete my year representing the Grand Master in Brant District, to the best of my ability, I express my gratitude to all who supported and assisted throughout this year. I have confidence Masonry will progress and thrive in the Lodges of Brant District and beyond.

Bruce District – 12 Lodges

R.W. Bro. Garry D. MacGregor

Bruce District, home to the "Boys of the Bruce" continues to maintain their strong tradition of visitation from both with-in our twelve lodges and beyond. Our average attendance of 78 Brethren per DDGM visit reflects the belief in making new acquaintances and maintaining friendships in constant repair.

The harmonious spirit with-in our ranks enables the lodges experiencing a renaissance of candidates to share their Degree work-load, thereby allowing all lodges to focus on enlightening meetings and fraternity, our true purpose. We also work willingly and co-operatively to assist each other with such high profile events as the MasoniChIP, a major

contributor to our public awareness. Several lodges are well known for the events they annually organize which include, fish fry's, euchre tournaments, rib cook-offs, spaghetti suppers, steak-fry's, Christmas suppers, ladies nights and the ever mindful widows recognitions. From the District level we have good support for our Degree in the Barn, held annually at the Outdoor Education Centre in Oliphant and our District Curling Bonspiel in Allenford. The District Charity, in its second year, addresses the special equipment needs for Children's Hospital of the London Health and Science Centre. Each lodge willingly displays patronage to this worthy cause with a combined total exceeding \$11,000.

The challenges that lay before us however will be in our approach to long term planning and preparing ourselves, our lodges and our District to address the changing needs of today's brethren so that we may leave more than brick and mortar to our successors. I am pleased that we have accomplished a start to this process by attempting to stimulate the appetite for wisdom and knowledge of all our brethren and by sending them home after each and every meeting feeling refreshed and invigorated.

Refreshed, by knowledge and understanding. Invigorated, by re-kindled friendship.

I express my gratitude to the Past DDGM's for guidance, District Chairmen, Masters, Secretaries and Brethren of Bruce for their support and particularly the respect they display to Grand Lodge and the office of District Deputy Grand Master. I have been honoured to represent Grand Lodge and specifically a visionary Grand Master, who embodies enlightenment as I pledge to continue to support my successors in meeting and addressing the challenges of our future in this our Craft, and this our District.

Chatham District – 11 Lodges

R.W. Bro. Andrew W. Long

Masonry in the Chatham District is both exciting and yet very delicate with an aging membership. This year we lost 10 Brethren to the Grand Lodge above, but also initiated 14 new members. The Lodge buildings in the district are very structurally sound, but for now only 2 of the 11 have wheel chair access. In my introduction to the Brethren as the newly installed District Deputy Grand Master, I introduced my (Our) Best Practises Concerns. Some examples are fire extinguishers up to date and working, emergency exit lights working with doorways clear of clutter and also working NOT locked.

The Lodges in the district are very financially sound with a very diverse membership and mentoring program. All new members have at least two mentors and use the new manuals for EA/ FC/ MM that were published by the Masonic Education Committee. Chatham District has a Past Grand Lodge Officers Degree team and a Shrine Degree team which affords us the vast diversity that is needed for a truly great mentor and coaching program. Chatham has this year hosted Masonic Education, Prospective D.D.G.M.'s Seminar and a Lodge Secretary Seminar. These are all Grand Lodge programs that should be mandatory for all members.

The Chatham District fund-raising project is the Bruce B. Foster Fund, which is unique only to Chatham District. The Fund allows Chatham District to issue several one thousand dollar Education Bursary's to very needy students. The Bruce B. Foster Fund is registered with the Masonic Foundation. The Chatham District Lodges and Masonry are very much a big part of the community, because it is mostly a rural and farming community. We host many open house events, put on dinners to involve the community as well as bring Masonic Widow out to dinners and take meals to the shut-ins.

The District Devine Service was held May with Our guest speaker being M.W. Bro. Allen J. Petrisor. I have been very warmly received when visiting other and neighbouring districts and G.M.'s Receptions. This year has been the highlight of my Masonic career and I wish to thank my family, Chatham District, my Lodge and Grand Lodge for their support. I can and will look back on 2009-2010 with great pride.

Eastern District – 16 Lodges

R.W. Bro. Frank Gordon

The Communities of our Eastern District are excellent supporters of our noble craft. Interest and growth continues, to the extent that our Initiations are almost at one-per-lodge, and

exceed this level over the preceding four years - specifically, EVERY lodge has had at least one new member during these past four years.

Support was substantial from the Brethren for our TWO District projects - The Grand Master's Project and Acquisition of Defibrillators for each individual Lodge Building. In addition, our brethren continue to support projects such as MasoniChIP, local scolarship/bursery programs, Blood Donor Clinics, Community fundraiser, Glengarry Highland Games, Relay for Life, Heart & Stroke Duck Race, etc.

Thanks to the leadership of Grand Lodge on Protocol and Etiquette, we were able to hold two Lodges of Instruction, which have resulted in a noticeable improvement of the Ritual throughout the District, particularly in the Ceremony of Installation.

On the Financial front, all of our Lodges have now increase the Initiation Fees to be in-line with the Constitution, and have also raised their Annual Dues to around the \$100 per year level. Generally our lodges are in a stable financial position, with only a couple of lodges continuing to struggle. Attendance continues to reflect approximately 20% of the lodge membership, with the same core of members coming out to each meeting. Official visits are relatively well attended (approx 40), but again it is the same core of brethren who attend.

In conclusion, attendance consists of every walk of life, be it farmer, teacher, businessman, civil servant, and peacekeeper. I sincerely thank each and every one of these Brethren for their support of this simple but grateful truck driver for granting me the benefits of this great Fraternity.

Erie District – 8 Lodges

R.W. Bro. James D. Pirie

In Erie district five of the Lodges are doing well one lodge is holding its own with many past masters holding offices, one is struggling and then we have Pelee Lodge which has many dual members from the main land, the lodge that has struggles need to have long range planning.

All of the lodges perform the ritualistic work very well and have many young members doing the work. Many of the lodges have new members one with 7, another 6. Another 4 one more with 3 also another one with 3 and one with 1 so a lot work was done in the District.

The District committees performed all their duties well and were always ready to cooperate well with each other. The blood donor number were up as always. There was one more Masonic Chip programme done in this year.

I would like to thank all the members of the committees for all their hard work it made my year a very enjoyable one.

The District held a lodge of instruction in cooperation Windsor, Sarnia and Chatham and was very well attended and very informative.

There were many highlights in the past year which I attended. One lodge presented three 50 year pins and four 25 year pins another lodge presented one 50 year pin and one lodge presented one 60 year pin to W. Bro. Bill Bernath.

My year has been very enjoyable and would like to thank the Brethren of Erie District for putting their faith in me. I only hope I have done the work to their satisfaction and I will continue to work for Masonry in Erie District.

Frontenac District – 16 Lodges

R.W. Bro. Marvin J. Switzer

The Masonic Association of Frontenac District reorganized its administrative committee structure in 2007 and is still maintaining that structure today. It provides a strong and supportive tree of committees and leaders for the work of the District Deputy Grand Master in the District. Primary in this is the management committee which is made up of prospective District Deputy Grand Masters and District secretaries. This Association is a good example of the members of a rotational system providing a learning experience for District officers as they progress through the ranks.

Many unique and interesting events have been held by many of the lodges and have brought excitement and interest in to our District and helped to stimulate fellowship between

lodges and adjoining Districts. The tre-lodge ladies night held in Elgin, The Masonic open in Harrowsmith, the many event for Maple Lodge No. 119's 150th anniversary, the degree teams brought in from outside the district, the Chinese Buffet and Dance, just to name a few.

There has been great involvement of the various lodges in our District child ID Clinics. Those lodges that have taken advantage of the Friend to Friend program are finding their lodges vital and active.

Some of the lodges within our District are dealing with lack of membership or the need for an injection of vitality to re-energize them. This may be a continuing part of the landscape of our fraternity in our District for the near future. The more important thing though is that I see many throughout the district quietly stepping in, in a spirit of brotherhood, visiting, assisting in degree work or giving advice when needed.

As I have travelled throughout our District this year I have a sense of increased excitement and energy that is being generated by the brethren of Frontenac. I would like to say a word of thanks to all members of the District for the respect and courtesies that you have shown to the office of the District Deputy Grand Master, and add that there is a true sense of caring for our craft in the hearts of every Frontenac District Mason.

Georgian North District – 10 Lodges

R.W. Bro. Keith Robertson

The district consists of 10 lodge, down from 12 two years ago. The amalgamated lodges have adjusted well and Masonry within the district is considered sound. Most lodges are showing considerable strength with initiates being received and applications pending. The work and ritual is well practice with a few exceptions, the number of lodges with Past Masters sitting in office is dwindling, and new members are taking part in the ritual, some prior to completing their 3rd degree which is very reassuring.

Following the Grand Masters theme “to get better understanding”, there is a strong focus on Masonic Education. Masters are challenged to provide something of interest for the brethren at each meeting, handouts were supplied at Official Visits, the learning material available from Grand Lodge has been promoted in addition, two different lodges of instruction have been held covering different aspects of the ritual. Visitation is promoted with a travelling gavel presented at Official Visits to the master and members of the visiting lodge with the most in attendance. Activities and social functions are actively communicated between lodges, with events posted on local and district website's.

Masonry has received much positive publicity resulting from the presentation of last year's district project in support of the RVH cancer wing expansion, several MasoniChIP clinics were advertised and held throughout the district, the Masonic float in Orillia's Christmas Parade, bi-monthly blood donor's clinics with volunteering Masons to assist, a combined Georgian North and South district golf tournament which is open to guests, a District Divine Service was well attended and the lodges joined in a district wide open house. The Chairman of these committees and projects are to be commended for their continuous and tireless efforts.

It has been a fantastic year. It has been an honour and privilege to be the Grand Master's representative for this district. The support and encouragement I have received has allowed me to obtain greater achievements than I would otherwise have thought possible. I encourage anyone with aspirations for Grand Lodge Office not to hesitate should the opportunity to serve arise.

Georgian South District – 10 Lodges

R.W. Bro. John H. Imrie

Georgian South District is situated in the heart of Simcoe County and comprises of 10 lodges with a membership of approximately 1100 masons. Although Georgian South District has seen a decline in membership over the past few years, this year has seen an increase of new and younger men joining our Fraternity.

This year, the District project was “Hospice Simcoe” which opened their new facilities in the fall of 2009. Hospice Simcoe is a home away from home offering compassion and caring support services specifically for those at the end of life's journey. The residential

Hospice Home will offer a choice for end of life care in a home like setting with professional care twenty four hours a day at no cost. It will be a welcoming place where families can feel supported and can spend time with their loved ones. This project was well received within the District and all lodges contributed in one way or the other.

All the lodges within the District have continued to support and hold successful MasoniChIP programmes again this year and with their enthusiasm will continue for years to come. This is but one avenue of community involvement within the District as many lodges get involved with community programmes such as hi-way clean-up, local fairs and BBQ's.

All ten lodges can be characterised as being stable although we do have a feast and famine situation with new members joining. Those with challenges have identified them and have implemented measures to rectify this.

I was honoured this year to present two 60 year pins and four 50 year pins to outstanding masons within the District as well as those attaining the 25 year milestone.

Installations this year have shown me that the lodges within the District are in good hands with the many young masons with excellent qualities progressing through the chairs.

My heartfelt thanks to all those brethren who joined me on my official visits and installations and supported me throughout my year as the D.D.G.M. for Georgian South, and my sincere thanks to our District Secretary, W. Bro. David Hunter for all the work he has done to make this year such a success.

As my term as D.D.G.M. has come to a close, I wish to thank each and every member of the District for the warmth and friendship you have shown me this year and wish you all the best as you continue your Masonic careers.

Grey District – 12 Lodges

R.W. Bro. Jack A. Watkin

Grey District is spread from Owen Sound in the north, to Arthur in the South and to Orangeville, in the east and Meaford in the north east. There are twelve Lodges in this area. Most of the Official Visits are done in the fall and spring due to the severe weather conditions in the winter.

There are 950 members in the District. Seven Lodges have Past Masters in the Masters Chair and in the other Chairs as well. Three Lodges report they are not financially stable.

There are 5 Lodges doing an excellent job of recruiting new members using the Grand Lodge Friend to Friend program. The others are having difficulty maintaining membership. There have been 24 Initiations this year. The ritual is improving steadily in the District. Most of the Lodges have incorporated 2 practices monthly to insure this improvement.

Grey District hosted a District Lodge of Instruction, the subjects being the 3 Degrees, Protocol and Etiquette, and the Installation Ceremony. The Masoni-Chip program is being used in most of the Lodges.

District events consisted of a Curling Bonspiel, District Ladies Night, Divine Service and a Golf Tournament. These are all well attended and gave an opportunity to Family and Friends to enjoy the Fellowship of the Craft.

Two Lodges are in serious trouble and need to look at themselves over the long term. Both Markdale 490 and Dundalk 449 have serious membership problems and Markdale has a problem with their building, with mould throughout. I have tried to encourage both Lodges to discuss this with "All their members".

Our challenge in the District is to build membership and to improve the contact with the older members who are not active in the Lodges. Some improvement in Protocol is needed; this will be accomplished by attendance at Lodges of Instruction.

I have been pleased with the friendly reception I have received in the Lodges. The following on the Official Visits has been encouraging, but some of the Masters have not visited within the District nor have they encouraged their Officers to visit.

Hamilton District A – 14 Lodges

R.W. Bro. Gary P. Humes

Our District remains healthy because of the dedication of the Lodges Masters, Secretaries, Officers and Brethren. The overall membership in the District is 1357, a decrease of 5% from last year. It is encouraging to see the summonses trestle boards throughout the District showing an increase in brethren waiting for degrees. Summonses in May indicate that there are over 120 names awaiting "Balloting and Degrees". The cooperation amongst the lodges is tremendous and the great harmony is evident everywhere.

All Official Visits have been completed with two Installations remaining. The quality of the Ritual and floor work remains at a high standard and stands as a tribute to the "Mentors", posting and instructional committees.

Eight 50 yr. Pins, one 60 yr., one 50 yrs. PM, and one 70 yr. Pin were presented this year to date. I congratulate St. Clair Lodge No. 135 on their 150th anniversary and also on having a banner year for candidates.

Bursaries on behalf of The Masonic Foundation were presented to 15 students from Davis and Trafalgar Campuses of Sheridan College.

MasoniChIP clinics were held in Burlington, Oakville and Milton and several more are scheduled before the end of the year. Fundraising for the program resulted in \$2,270 being raised. Blood Donations have increased substantially this year and the Partners for Life Program is just beginning to take effect.

The Spring Divine Service was a great success with over 175 attending Christ's Church Cathedral in Hamilton. We had 12 of the 14 lodges represented.

Brethren, all of us are aware of our own strengths and weaknesses, let us continue to encourage and assist each other so as to maintain a healthy and vibrant District and fraternity. It has truly been a rewarding experience serving Hamilton District "A" as the Grand Master's representative and I thank all the Brethren for their support.

Hamilton District B – 12 Lodges

R.W. Bro. Terence J. Brown

Hamilton District B consists of seven city lodges and five rural lodges in the outlying communities. At the beginning of the year I set goals, all of which have been implemented and positive results were achieved. I introduced a Travelling Cane to be awarded to the lodge with the most visitors in attendance at Official Visits, excluding the accompanying lodge. Our District Blood program is being well supported with donors and volunteers and at the close of the year we had collected over 9,300 units. We have produced two newsletters this year. On October 29th the District held its second District-Wide Open House and was well received by the communities. The success of the program is due to the enthusiasm of W. Bro. Thomas Young are District-Wide Open House Chairman. The District benevolence program this year is Dog Guides Canada and we collected over \$13,000. We have a ChIP program chairman and one lodge in the District co-sponsored a ChIP clinic at the Ancaster Fair where 206 children were processed. Our District web-site is being well used and is a great source of information to all the brethren in the District.

The quality of the Ritual in the District is very good and with the influx of new members in most of the lodges I have noticed an increase in the pride of the lodges when performing the degrees. To date the Installations have been well organized and the latest book of installation has been used. The three Hamilton Districts held a Lodge Resource Workshop on Oct. 10th and a lodge of instruction in Stoney Creek on Oct. 15th. On May 31st Grand Lodge is also running a seminar for Lodge Secretaries, Assistant Secretaries and Worshipful Masters.

The Lodge Resource Committee presented the Brother to Brother Program and a Protocol and Etiquette Seminar on the Ceremony of Installation in the Hamilton Districts this year.

In September I was present with the Grand Master at Battlefield Lodge No. 714 when the master W. Bro. John Broadhead raised his grandson and presented Lewis Jewels to both his son and grandson. Another highlight was in November at St. Andrew's Lodge No. 62

when Bro. Edward McKay received the William Mercer Wilson medal. I can honestly say that I have had no disappointing moments during my year.

Hamilton District C – 14 Lodges

R.W. Bro. William J. MacPherson

Hamilton C District consists of fourteen lodges and it was a great pleasure, privilege, and honour for me to represent the Grand Master at the installations and official visits at these lodges.

I am pleased to report that nearly every lodge has candidates progressing through the degrees with several lodges utilizing emergent meetings or multiple degrees at their regular meetings. The ritual, protocol, ability of the lodge officers along with the warmth of fraternal friendship was at a high level on all occasions. On my official visits we had a formal banquet proceeding and prior to my address in lodge we had an opportunity for the district officers to highlight their current programs.

The district participated in numerous activities during the year such as several Grand Lodge committee workshops, an excursion to the Detroit Masonic Temple, spring and fall divine services, the first district levee, a MasoniChIP clinic, sponsorship of blood donor clinics and the generous support of a district charity – Ronald McDonald house.

It was a pleasure to assist in the presentation of several service awards to members who had families in attendance as well as a bursary presentation at McMaster University on behalf of the Masonic Foundation of Ontario.

The district is expanding its use of e-communications as well as its web-site and is more fully utilizing a very informative monthly newsletter *Chronicle*.

With programming priorities and combined officer progression situations it is found that many W.M.s are continuing their leadership for a second year.

I wish to thank the brethren of Hamilton 'C' and the brethren of the Lodge of the Ancient Landmarks/Doric No. 654 for affording me the most enjoyable and fulfilling year in my Masonic career.

London East District – 14 Lodges

R.W. Bro. J. Ross McIntyre

It has been an honour and a privilege to serve as District Deputy Grand Master for the London East District. The London East District has 14 Lodges consisting of city lodges and country lodges, with the differences being remarkable. The lodges have improved noticeably in both protocol and ritual. There are three or four lodges which should be looking at amalgamation because of attendance numbers and or finances. With the Lodge Installations mainly in December, I have had the pleasure of working with, for the most part, two different Worshipful Masters and officers of each lodge.

The total number of candidates for London East is up and the members passing to the Grand Lodge Above appears to be about normal. The Lewis Jewel presentation seems to have sparked a distinct interest in the brethren within the lodges. Several Fifty and Sixty Year Jewel presentations as well as Fifty Years a Past Master pins along with many 25 year membership pins have been presented. The privilege of seeing my son advance through the degrees and be appointed to an officers chair within my lodge is particularly rewarding. Presenting each new candidate with the Masonic Maple Leaf Square and Compasses lapel pin has proven to be a memorable event for them. Sending a personal letter, welcoming the new member to the craft, has also shown to be a worth while effort.

A Grand Lodge Night was held, restarted after several years of absence, a Lodge of Instruction was well supported, the district picnic, parades and display booths make for a busy year.

The Grand Lodge programs are being used in many of the lodges. The way the lodges are handling the candidates, advancing them, the preparation and trying to keep them involved is all part of the process. London East is re-generating itself. There are some minor situations that the lodges are aware of and have been aware of for many years and will eventually resolve their own problems or cause their own demise. The District is very active overall, the work has improved immensely, protocol is relatively good, changes to the

protocol are not easily accepted. Continued efforts in working towards perfection is important, but we must enjoy our Masonic experiences and have fun. I did.

London West District – 13 Lodges

R.W. Bro. S. Lynn Baker

The Lodges in London West District are working hard to improve their work and membership. The bar is going up in our District and it is exciting to witness. The young officers are learning the work and performing it with great skill. The mentors are excited to assist with this growth.

However the actual proceedings and floor work practices are neglected by some members, which prove a challenge for those in the Lodges who take pride in the presentations etc.

This district also has had the honor of presenting many loyal members with 60 year, 50 year, 25 year recognitions as well as the Lewis Jewel to family Masons.

The 4 lodge buildings remain for the most part unchanged, with some improvements and maintenance making the appearance of some better. Accessibility is one of the issues most are addressing as the general membership ages.

London West has held a few Lodge of Discussions for education with moderate attendance and participation. The interlodge education program still operates as well in the District but I must suggest that it needs to be altered for the future.

Presentations by the District Program Chairmen have also assisted with our education this year.

The MasoniChIP program is the Charity of choice this year and is still being supported, as well as individual Lodge charitable donations, such as road cleanups, Remembrance Day events, etc.

The London West District held a large social event to entertain the members and their families which proved to be a great success. The Lodges of London West also have social events for their members, families, and District Masonic Friends.

Travelling and meeting Masons across this Province has been one of the greatest assets available to this Grand Lodge representative. The education of meeting, socializing, learning and viewing the Lodges and our Wonderful Province has been an education.

London West has adopted changes this year that will grow into its future and strengthen the District. The members of this District are to be commended for their loyalty to the Craft, and the work that they do in masonry.

Muskoka-P Sound District – 8 Lodges

R.W. Bro. Terry M. Hornibrook

Membership in Masonry is increasing in our District. An article was printed last August in four local newspapers introducing the DDGM and the MasoniChIP as the District Charitable Project for the year 2009/2010. This excellent program give Masonry a positive profile in the District and our local communities.

Four lodges are having trouble with officer progression. Three have small memberships of 50 to 75. Two have new members whose job and family commitments prevent them from assuming chairs at this time. Their future seems more positive than the third. This lodge's problems are more critical. It is situated in an area of older demographics and is in close proximity to a large lodge. They do not have the needed commitment from aging members who now play a less active role. The fourth is a large lodge which has a history of recycling Past Masters. I suggested they assign small parts to new members to encourage their attendance, participation and interest. This Lodge recently received five new applications, which hopefully will enable them to end the current trends. I have informed my proposed successor of these situations.

The performance of Ritual varies from excellent to good and in two cases to poor. I made recommendations to practice more, and offered the assistance of myself and that of other experienced brethren. A District Lodge of Instruction was held on January 23rd, at Granite Lodge in Parry Sound with the aim of helping standardize the Ritual. This event was very well attended and all eight Lodges were represented.

There have been 20 Initiations during my tenure. The candidates are eager and for the most part represent a very youthful group. I have continued practise of presenting the Masonic Maple Leaf lapel pin to each newly initiated member.

Family and community involvement in the district is varied. Most Lodges have at least one event in their community. Some have many more. Examples of events include picnics, golfing, curling pancake breakfasts, family dinners, Christmas parties, a fish fry and Motorcycle Charity Ride.

From a personal perspective, my most memorable Masonic moment was being escorted into Strong Lodge's annual Barn Thresh Floor Initiation degree, by my two sons acting as Deacons for the night. The warmth and genuine welcome I have received from all throughout the District was greatly appreciated and very humbling. I express my sincere gratitude at the honour bestowed upon me by the Masons of Muskoka-Parry Sound District.

Niagara District A – 15 Lodges

R.W. Bro. Ross D. Pulford

The year started out on a very depressing note with a funeral on the evening after being installed. Three more ensued before September. However...

Masonry in Niagara 'A' District this year has been active and has flourished. There have been, with the exception of a few lodges, a plethora of initiations. There have also been a considerable number of degrees conferred by those respective lodges. It is heartening to note that the co-operation amongst the lodges in the District is fantastic. If one has a drought, others will offer candidates for advancement.

Throughout the District, the Ritual along with the Ceremony of Installation is well done. Masters for the most part just use "crib notes" to assist them through any degree work. It is interesting to note that many of the lodges now encourage masons of a lesser degree than Master Mason to perform work at the investiture of the officers.

Most lodges have a community involvement such as Out of the Cold, Food Drives, Blood Donor Clinics, Trivia Nights, etc. to name a few. All are involved in one way or another in the District Project - Wellspring Niagara - a cancer support group.

The year has gone by a light speed and has ended on a high note with a father initiating his two sons and a grandfather assisting his son initiating his grandson.

Niagara District B – 11 Lodges

R.W. Bro. Sean T. Fuller

Masonry in Niagara B District is alive and well. Six of the eleven lodges have shown a small decline in membership, four have shown an increase, and one is holding the same. The District has shown an increase of six members according to the "L1 reports." All eleven lodges have been visitors at another lodge on the evening of their official visit at least once during the Masonic year. A large number of the lodges have installed a Past Master; this is part of a plan to allow the newer members time to develop and prepare for the office of Master.

Community involvement is limited in the District. The majority of community involvement seems to be with the Blood Donor clinics, and Remembrance Days services - i.e. parades and wreath laying. The MasoniChIP program was introduced to the District this year and the District training session was very well attended; I expect that clinics will start in the very near future.

I would like to thank the members of Niagara B District for allowing me the opportunity to serve as the representative of our Grand Master, and for the support they have shown throughout this year. It has been a pleasure to be able to present 25, 50, and 60 year pins, as well as 50 year Past Master pins. And of course, the honour of assisting our Grand Master and Deputy Grand Master in the presentation of the William Mercer Wilson Medal to Brother Art Hoton.

Nipissing East District – 7 Lodges

R.W. Bro. R. Bruce Campbell

Nipissing East District has under gone some hardships over the years struggling for new candidates for initiation. A Lodge relocation (Mattawa 405), a fire that destroyed a Lodge (Elk Lake 507), and building up grades (North Bay Temple). However the District has rebounded and through Lodge participation and visits the word is getting out and the memberships are starting once again. Our District has had approx 9 initiations between Lodges and one Lodge predicts another 7 in 2010. Hard work and practise has made a difference in many of the Lodges. When attending Lodge we see work, although sometimes shared between the Lodges, good work and well presented which enhances Masonry and has ensured a strong bond between Lodges and keeps masonry alive and well within the District.

Due to a small rise in memberships in Northern Lodges, officer progression has been slow of yet but to centre out one lodge would be unfair. Financially all our Lodges are in very good shape. Officer rotations are very few but necessary were memberships in small communities force this issue. Temiskaming Lodge although struggling to find new members has just completed a first degree and has a young man awaiting his 21st birthday.

Lodges in the District with the better turn over of candidates are starting to take better control of these candidates, and the Brother to Brother and mentor programs although not widely practised within the District are becoming more evident in the District Lodges, Thanks to the visitation of Grand Lodge team and our District representatives who are both past D.D.G.M's.

This year our district theme was prostrate cancer and our Masonic Foundation project number is 2399. A few hundred dollars was raised and sent in this year and we intend to continue through 2010 with this very worthy project.

Lodge Buildings within the District with the exception of two are shared accommodation. Elk Lake Lodge No. 507 has a brand new building and they are in the best shape condition wise. Sturgeon Falls Lodge No. 447 is an older but extremely sound structure that is very well maintained inside and out. Temiskaming Lodge No. 642 and Silver Lodge No. 486 share a large corner lot structure that although old and rustic is very well kep and maintained. North Bay which accommodates three Lodges, Mattawa No. 405, North Bay No. 617, and Nippissing No. 420, has had major repairs to the rear foundation and wall and we are still upgrading. Each of the Buildings has easy access although only Elk Lake could be considered wheel chair accessible. North Bay has an elevator to the Lodge floor which is used on most occasions. Safety is a number one issue and North Bay has just installed a difibulator in the upper stairwell accessible to the entire structure. Courses are on going, locks were recently up dated and new keys issued to each Lodge.

Masonry in the North is a family affair to the extent that we still carry out Ladies nights, respect our fallen comrades and invite family members to these celebrations each Nov 11. Garage sales, breakfast clubs and any sort of dinner dance you will find family participation, the divine service is well attended each year.

A Brother to Brother member retention program was held in North Bay by V.W. Bro Ian Wates and although not as well attended as we hoped the message has been heard loud and clear and R. W. Bro John Anderson has been instrumental in its message to all Lodges in the District. A Lodge resource committee meeting was held in North Bay this year and we see good things coming for our brethren.

The office of D.D.G.M. is available every seven years and the rotation although fair to the District is not fair to those who aspire to the job. We recently put into affect that if a smaller Lodge ops out of the selection process for what ever reason, then the larger Lodges would be called upon to provide the candidate for election, rather than follow that rotation. Two of our Lodges have a large membership and it would take 14 to 21 years for some candidates to fulfill their aspirations to fill the office of D.D.G.M.

The most satisfying aspect of my year to date was to see Grand Lodge held in Algoma District here in the North. It was very well attended and the coming together of the D.D.G.M.'s has resulted in a better understanding of what we can achieve by working together on our programs, i.e.; the Masonic Chip, Brother to Brother, etc. It has been rewarding as well to hear of all the new candidates that are proposed within the District. Is

this a direct result of the well attended plowing match? I hope so, because free masonry is alive and well in the North. We however need a Lodge of Instruction here in the North and one that will better define the installation process as well as recruitment process for new candidates.

To date disappointment is not an issue other than the deaths we have had to contend with as our Brethren age. Some are no longer able to attend meetings due to health reasons and yet some come out never complaining of their ailments other than to say that they wished they were younger and more able to participate in the work. It gives one a chance to ponder on our own limitations and continue to do the best job we can to ensure that those who want to attend our meetings can and will be provided, rides and Lodge accessibility for years to come.

North Huron District – 11 Lodges

R.W. Bro. R. Murray Hoover

The condition of Masonry in North Huron Masonic District could best be described as variable during the year 2009-10, as ne Lodge has experienced many application for membership, while a few others have had limited applications and the remainder of the Lodges having no applications. The success of Northern Light No. 93, Kincardine, in attracting new members can attributed to the expansion of the Bruce Nuclear Power Plant at Tiverton, at which most of the new initiates work. It was gratifying to see that many of these new candidates were passed to the Fellowcraft Degree by other Lodges in the District who have not had the opportunity to confer a Degree in a few years.

Besides making my eleven Official Visits, I had the opportunity to witness most of the Entered Apprentice Degrees in the District, and to present each initiate with a Masonic Pin to mark the occasion. I have also presented three 50 yr. Pins, and one Lewis Jewel. In general, the degree work can be considered as good, however, most Lodges still struggle with the changes in Masonic Protocol and Etiquette. My Official Visits were well attended, and the competition for the Travelling Gavel resulted in Northern Light No. 93, Kincardine, being declared the winner. Masonic education appears to be presented in every Lodge on a regular basis and was supported by the District Education Chairman throughout the District.

There were four major events held within the District this term, commencing with our District Lodge of Instruction emphasizing the Ceremony of Installation and Investiture, with members of the Grand Lodge Committee in attendance and making an excellent presentation on how this ceremony should be done.

This spring, our District Curling Bonspeil was held at the Wingham Curling Club with a full complement of teams from our Lodges and outside the District and resulted in an excellent day of good curling and wonderful Masonic fellowship. Our annual District Divine Service was held at Brussels United Church, and well attended with R.W. Bro. Bruce Whitmore presenting the message.

The main event of the year was the holding of the Grand Master's Reception, in honour of our Grand Master M.W. Bro. Raymond S. J. Daniels. Approximately 180 masons and their ladies attended and enjoyed a wonderful meal, presentations and our Grand Master's address.

North Huron District continues to be a strong supporter of the Canadian Blood Services, with 7 Lodges either sponsoring or co-sponsoring blood donor clinics and we are now getting involved in holding MasoniChIP events.

It has been an honour to be DDGM of North Huron District as my father was before me and I thank the Brethren for the opportunity.

Ontario District – 15 Lodges

R.W. Bro. Robert A. Ough

Ontario District consists of 15 Lodge that range in size from 55 to 194 members. Typically there is good visitation within the District. The ongoing special events of the District are well attended and the Lodges lend each other support at all these events. All Lodges are very proud in their handling of the ritual and there are many of the newer members that are seeking to go through the chairs as well as taking active parts in the various degrees.

On September 15th, 2009, I had the pleasure of welcoming the Grand Master, M. W. Bro. Raymond S. J. Daniels, his wife Brenda and a retinue of Grand Lodge Officers to the 150th Anniversary of my Mother Lodge Hope Lodge No. 114 A.F. & A.M. in Port Hope. It was a wonderful evening and a great way for Ontario District to kick off the Masonic year.

The blood donor Chair reports that the District contribution for the year was 4,292 units. Congratulations to the Masonic donors and friends.

We have had a successful year with three (3) Masonic Education days in Ontario District. In all cases Brethren from the Grand Lodge of Instruction assisted, as well as the Lodge Resources Brethren. Ontario District is coming alive with the Grand Lodge programs available. Five (5) F2F events were held in the District this year and there will be more next year. In some instances Lodges that share the same premises are doubling up to host a morning or evening event. This year 93% of the Lodges support their Mentors, 86% the F2F, and 73% the B2B.

The Youth Group Chair reported the successful launch of a new "Ganaraska De Molay Group" and I look forward to supporting this club in the future.

The MasonicChIP Chariman reports that 326 children were processed this Masonic year. There is no doubt that could easily double this coming year as the Brethren gain more experience in the operation of the system and the computers.

Although it seems the Lodges are growing with new members signing up, I firmly believe that we have to look at the way we handle the suspension and demits.

The District project this year is "Cure for Prostate Cancer". The original target was \$10,000.00 and it appears now that we are \$14,000.00 and climbing. I would like to thank the Brethren of all Lodges in the District for their generosity and kind attention to this necessary program.

Our District Pipers report the inauguration of weekly bagpipe training classes at the Port Hope Lodge Hall each Sunday morning. A noble effort Brother Pipers!

On May 14th, Ontario District hosted a Grand Master's reception at the Cobourg Lions Centre to honour M.W. Bro. Raymond S. J. Daniels and his Lady Brenda. Our Masons, guests and their Ladies numbered 200 plus in attendance. Two days later we celebrated the Ontario District Divine Service at St. John's Anglican Church in Port Hope. Approximately sixty (60) Masons and their wives attended this service.

I wish to thank the Worshipful masters and Brethren for the dignity and courtesies afforded to the District Secretary and myself during the course of events this year.

It has been an honour for me to represent the Grand Master, M.W. Bro. Raymond S. J. Daniels within this great District and I sincerely thank you for that opportunity.

Ottawa District 1 – 15 Lodges

R.W. Bro. Ivor Bayley

First I would like to thank all the Masters and Members of Ottawa District No. 1 for their support this Masonic year. These Brethren have made not only my year but my wives year very enjoyable and exciting. Also to R.W. Bro. Paul Todd for his kind words of guidance when asked for R.W. Bro. Barry Burchill that also gave advice when needed. Ottawa District one has had a very exciting year with all the young candidates. The lodges have been very busy with degree work in all three degrees. The new young officers are eager to work and to get it correct as per the book. We have had many Masonic functions in our District to name some of them. The District Divine Service prepared and directed by R.W. Bro. John Moor was a great success. We had a Masonic Evening at the NAC with the Magic Flute that was run by Bro. Franz Olberg of Temple Lodge. This evening saw many brethren and their ladies out.

There was the Charity Ball run by both Districts 1 and 2 this evening is always a big hit but this year was bigger than ever. Our Remembrance Service will always be in my mind. This event was so heart touching to me as I spent time talking with some of our vets or the widows of them. We presented them with a small token of our appreciation. This year our District Project was Star Light Star Bright Children's Foundation as of last year we have presented them with a nice check for their Foundation.

This year I had the opportunity to attend the Mini Grand Lodge in Sudbury this is a great tool for the Masons that do not attend Grand Lodge. I must say after getting a flavour for Grand Lodge at the Mini I do not see how you would not want to go to Toronto and see the actual Grand Lodge session.

I have had the personnel opportunity to meet with our Grand Master and Deputy on several occasions this also has made my year interesting getting advice from the top.

District 1 and 2 has bonded more this year than any other that I can think of. I believe this has been achieved by the District Deputy Grand Master of Ottawa 2 R.W. Bro. Jack Ledger and myself have become very close friends and travelling companions. We not only attend Masonic functions with our ladies but us also Socialise outside of Masonry even though our conversations always end up as a Masonic event.

This year has been a very special year for me personally it has given me the ability to think things over before giving a decision. Has given me more patients to listen to problems. But best of all it has guided me on how to delegate instead of doing it all myself. On that note I would like to express my thanks to our District Secretary W. Bro. Robin Rogers. He has been a blessing to me and the District. He has done a fantastic job of keeping on top of all the reports and messages that are to go to all the Lodges. My last remark would I do this again in a heart beat it has been a pleasure working with Grand Lodge and all the Lodges in our District.

Ottawa District 2 – 14 Lodges

R.W. Bro. W. Jack Ledger

A refreshing experience for many of the Lodges in Ottawa District 2 was the resurgent interest in the Craft, and this certainly must be noted as one of the highlights of my year as DDGM. This is, in sort, a reverse domino effect, where the dominoes are standing up rather than laying down. With the many new young Master Masons establishing themselves in the Ottawa District 2 Lodges, this has ramped up the interest and dedication of those older members and officers, inspiring them to take a more active role in providing a positive influence to our new brothers.

The other inspiration during my year has been the response of our District Lodges to the call for MasoniChIP clinics. This has been a result of the dedication of our Regional Representative and District Chairman. This programme has greatly enhanced the public perception of Freemasonry as well as having served the social good. I encourage all District in Ontario to embrace this very worthwhile program.

Three major social functions occurred during the year, the first being in September with the brethren of Ottawa District 1 and 2 sponsoring an evening of opera at the National Arts Centre where \$3,000 was raised for the two Ottawa 1 and 2 District Projects, Prostate Cancer Research and the Starlight Starbright Children's Foundation. Next was the Valentine' Charity Ball which resulted in the raising of \$6,000 for the two District Charity Projects. And the third event of significance was Renfrew Lodge's 150th Anniversary celebration of April 17th held in conjunction with the Ottawa Valley Gala.

Although I have many to thank I specifically wish to thank three individuals who made my year so productive. First, I thank my counter-part in Ottawa District 1, R.W. Bro. Ivor Bayley, with whom I shared many wonderful experiences. Our participation in each other's Districts was, we hope, an inspiration to all the brethren to exchange visitations between the two District's Lodges. Secondly I want to thank my predecessor, R.W. Bro. Peter Harbert, for his valued advice and support both prior and subsequent to my installation as DDGM. And thirdly, to W. Bro. Keith Richard, our dedicated District Secretary who accompanied and advised me during our many official visits throughout the District.

And finally, to all the Lodges in Ottawa District 2 who have made such a wonderful contribution to my enjoyment of this year as DDGM, I raise a toast and encourage their support for my successor.

Peterborough District – 11 Lodges

R.W. Bro. Gary T. Ballard

Special events held in the district not scheduled when trestle board was distributed included, but not limited to, a Cornerstone Rededication at All Saints Anglican Church under the direction of the G.M. Our Grand Secretary conducted a successful Secretary's workshop. Golden Rule Campbellford Hastings Lodge No. 126 celebrates their 150th anniversary this year and Percy Lodge No. 161 is now in their new building. An Emergency Response Team under the direction of R.W. Bro. Donald Campbell accepted two invitations to the district R. W. Bro. David Cameron gave a lecture on the Kipling Masonic Gavel followed by a degree team of G.L. officers under the direction of R.W. Bro. Tom Hogeboom. A team of Past G.S.W's under the direction of, R.W. Bro. Norm Mathie G.S.W. and the Wellington 18th Century degree team was also well received.

The district project set a goal of \$15,000 to assist the Campbellford Memorial Hospital Foundation in their efforts to purchase of a CAT scan for the Campbellford Memorial Hospital. The first district MasoniChIP clinic was held at J. B. Hall Lodge No. 145 with 97 participants with three more clinics scheduled for our area. Peterborough district is now registered with the Partners for Life.

Lodges that were struggling with attendance, officer progression and / or lack of new candidates the past few years have made some solid gains this year in addressing these concerns. One challenge that the brethren will have to remember is that the weak position the Lodges are in did not happen overnight and must accept the fact that it may take some time and perhaps much frustration to rebuild. On a whole I am optimistic on the outlook for all Lodges in this district, but am also realistic enough to realize that any one of the Lodges could easily experience difficulties putting the existence of their very own Lodge in question.

I thank the brethren for giving me the opportunity to serve as D.D.G.M. for Peterborough District over the past Masonic year and the curiosities offered to me in this office.

Prince Edward District – 13 Lodges

R.W. Bro. William J. Lewis

Our theme this year was "Participation in Prince Edward District", and participation was certainly up throughout the District this year. The number of new masons joining our Fraternity, and actively participating in chairs and other projects clearly demonstrates the rebirth of Masonry in this District. In addition, the number of members visiting throughout the District was very reassuring - I was blessed with most of the sitting Masters plus Committee Chairmen accompanying me throughout the year. The Lodges are financially sound, albeit with aging infrastructure.

There were a few special events in the District this year. Two Grand Stewards were invested this year (V.W. Bro. Stephen Zwilling & V.W. Bro. Garnet Holmes), and a special banquet to honour V.W. Bro. Garnet Holmes was held on March 26th. I had the pleasure of honouring many long serving members and Masters of our District with the presentation of pins. We were also honoured by the visit of our Grand Master on April 30th for the Anniversary and re-dedication of The Belleville Temple Lodge No. 123 - a very special evening.

This year's District Project was in support of the Wounded Warrior Fund (www.woundedwarriors.ca), which has been fully embraced by not only our District Lodges, but also by many Concordant bodies and service groups in and around our District, and many of these events have been covered by the local media. As well, the District continued to support the MasoniChIP, holding 4 clinics - all of which had tremendous community response. These events, plus our District Divine Service, Ladies' Nights, presentation of Bursaries to local students, community breakfasts and suppers, and support to many other community events have all made a very positive impression on the community.

The one singular event that has certainly been the pride of Prince Edward District is the opening of Canada Lodge U.D. in Kandahar, Afghanistan. The Lodge is operating under Dispensation of the Grand Master using the Warrant of Trent Lodge No. 38, and the sitting

Master is a former Past Master of United Lodge No. 29, W. Bro. Rick Fulford. The support throughout the District and indeed the entire province has been heartwarming, but would not have been possible without the very active support of the Grand Master, who has taken a personal interest in this endeavour.

St. Lawrence District – 17 Lodges

R.W. Bro. Matthew E. Clark

St. Lawrence District has always supported the DDGM's in the past and that has not changed.

The District Ladies night nd Fund Raiser for the District Charity Palliative Care Services was a huge success with a dinner and entertainment and a silent auction. To date we have raised in excess of \$16,000.00 and are hoping to reach \$20,000.00 by years end. Our charity number for Palliative Care is Project #2401.

The District Divine Church Service was held April 25th in Lansdowne with 40 Masons and their families in attendance.

The Masonic Association Officers & Committee need to be congratulated on organizing the DGM's Banquet in Perth. The blood Donor chairman reports that the clinics have been well attended by donors and volunteers.

We held a Masonic Quiz and Officer education and instruction with another officer instruction scheduled for May 31, 2010.

We have one Lodge struggling to hang on due to poor attendance by it's members and lack of participation in the chairs.

I would like to thank St. Lawrence District for all their support in the last year. Also, I would like to thank in particular the current Worshipful Master's for all their support; especially at the Final Official Visit with 16 out of 17 W.M.'s in attendance. **KEEP UP THE GOOD WORK, AND CONTINUE TO SUPPORT OUR INCOMING DDGM.**

St. Thomas District – 10 Lodges

R.W. Bro. Roy A. Sawyer

Freemasonry in the St. Thomas District is in very good shape. Four of the ten District Lodges have all new Officers proceeding through the chairs for the first time. The future for these Lodges looks very Encouraging. We have initiation 20 new members into Masonry so far this year which resulted in a 40% increase over last years initiations.

The Brethren take a great deal of pride in having their work up for these candidates in all of the degrees. The St. Thomas District lost 12 Brethren who passed to the Grand Lodge above. This year it was a pleasure and an honour to be able to present 11 Fifty year Mason pins and five 60 year pins to the Brethren in the St. Thomas District (Congratulations).

Financially, all Lodges in the District are financially sound at this time. Five of these Lodges have shown a keen interest in long range planning as mentioned in my semi-annual report. These five Lodges are considering building or buying one main building which would be jointly owned and maintained by these Lodges. This building would meet all future Provincial standards, re: Barrier Free.

Blood donations in the St. Thomas District remain about the same as last year, however, I was a little disappointed when the Blood Donor sign in book was removed from our local clinics before all Brethren could fill out the Partners for Life forms and hand them in to CBS. I have discussed this matter with R.W. Bro. Thomas Siemiernik and recommended that CBS year end Masonic Blood donations should correspond with our year end which would prevent any confusion.

Our District Masonic Foundation continues to support the Tatem Blackwell Fund, the Elgin General Hospital and many other charitable requests that arise on occasion.

My Official visits this year were well attended throughout the District. At my Official visit at my Mother Lodge (St. Marks) there were 103 in attendance.

I had the honour and pleasure of travelling outside my District on several occasions and was always made to feel very welcome. The Friendships made while travelling will continue for many years to come.

I would like to thank all the Brethren in the District for their tremendous support and encouragement this past year.

A very special thanks to our District Secretary W. Bro. Ted Ball for assisting me this year. We will never forget your kindness and friendship.

Sarnia District – 16 Lodges

R.W. Bro. Kenneth G. Wood

Current membership in the District is 1309, an overall 13% decrease since 2005. While four Lodges report an increase in membership, the remaining 12 show a loss in the same time period. Rationalization of District size is ongoing as St. Paul Lodge No. 601 will amalgamate with Liberty Lodge No. 419 early in September 2010 reducing the number of lodges to fifteen.

Within Sarnia District once again this past year many great events took place such as; the fraternal visit of the Grand Master to Victoria Lodge No. 56, the ever popular District Ladies Night, Cassia Lodge No. 116 150th anniversary banquet, the District BBQ, the outdoor family picnic & District Divine Service during which the Grand Chaplain R.W. Bro. William White was the guest speaker, the Senior Wardens Night, Junior Wardens Night in which the GJW, R.W. Bro. Robin Ward took and active part, the District Open House in which five Lodge buildings and ten Lodges took part and a successful interactive Lodge of Instruction was conducted.. In addition and several Lodges hosted individual social events. Six MasoniChIP were held. None of this has been possible without the continued spirit of fraternal cooperation between the Masons in the District.

I pleased to take an active part in many long service award presentations in the District. The EA chairman presented a number of square & compasses pins to new initiates. The GL Protocol & Etiquette Essentials publications received strong use in various Lodge summons and as Masonic Education. Liberty Lodge No. 419 is to be congratulated on the foundation of "The Quarry Club" geared towards Masonic study and enhancing fraternal relationships. The District Blood Donors can be proud of surpassing their set goal by 10%.

The well deserved citations from our Grand Lodge as well as the Prime Minister of Canada accorded Bro. Harry Jr. Cooper - WMW in recognition of his donation of handcrafted brass working tools, square & compasses, and three candle stick's used in the formation of Canada Lodge UD, in Afghanistan have added to our District's rich history.

The Lodges are striving to "raise the bar" in performing our rites & ceremonies. A number have been able to do so.

My wife Sylvia & I would like to thank everyone who has supported us in the past year. I would like to thank the members of Sarnia District for allowing me to be their representative of the Grand Master. It has been the highlight of my Masonic life.

South Huron District – 11 Lodges

R.W. Bro. John W. Reynolds

I imagine South Huron District is similar to most in the province: some lodges are in excellent condition, some need a little guidance, and a few need considerable help and support. On the whole most work was done from memory, unless there was a last minute substitution due to illness, etc.

It is an old saying, holding a Lodge of Instruction is like "Preaching to the converted". Many members are still doing the "double salute", saluting after floor work, etc. Some lodges have been attempting to educate their members concerning the changes that have occurred this year. There has been a decrease of 5.2% in District membership. On the positive side, this year there have been 21 initiations, with several pending and 16 deaths.

This year there have been nine ChIP events held in this district. In some cases, where more than one lodge is active in a small region, joint events were held.

In December 2009 we held a District Wide Open House. All lodges attracted some level of attendance which resulted in new candidates.

Five of the 11 lodges have a Long Range Planning Committee, and none of the lodges has a written Long Range Plan in place. This year the District approved a set of District

Bylaws. Slowly the District is fulfilling the requirements as set out in these bylaws which includes Long Range Planning at the District level.

Overall South Huron District is in good condition, but here are a few things which should be attended to:

I think because everyone is on a fairly solid financial footing, they feel no need to have a Long Range Plan or even a plan for the year.

I feel there is good visibility in our communities and lodges are actively participating in a number of community projects. Masonry in general is cyclical in membership, but from recent data, we are gaining more than we are losing. For the past two years at least, there has been concerns for the same three lodges, two are struggling and are in need of assistance.

Sudbury-Manitoulin District – 9 Lodges

R.W. Bro. Roy J. Eaton

The highlight of the year was the Especial Communication of Grand Lodge held at Belrock Center on November 14th when we were the host District for the four Mid-North Districts. It was a terrific, unique experience which will remain in everyone's memory for a very long time.

The third District Veterans Appreciation Evening was hosted by Bethel Lodge. This is the third time we have held a dinner and lodge ceremony to honour our veterans and the first time that it was held in open lodge so that those who weren't Masons could be invited.

Our District Project was the initiation of the MasoniChIP Program. Seven clinics have been held and 593 children have been served by a total of 68 volunteers. Before my term is concluded, three more clinics will be held.

A smaller district project has been the donating of the book "Freemasons for Dummies" to each of the public libraries in our district. To date, eleven libraries have received a complimentary copy.

The District web site continues to be very well maintained: upcoming events, Lodge information, maps, the District Tracing Board and our award winning District Newsletter are all part of this excellent site.

JAVA Guild celebrated its 8th year of running lunches every Tuesday at noon. It continues to support many initiatives, projects and lodges across our District.

Two Grand Lodge travelling teams held a Lodge Resources evening and a Lodge of Instruction. Both evenings were well attended and much appreciated by the brethren.

Bethel Lodge celebrated its 50th Anniversary, Members from each lodge participated in the MCTV Lions Club Christmas Telethon, two Divine Services and the Relay for Life cancer walk. In addition, individual lodges have presented bursaries to graduating students in their area schools.

The Canadian Blood Services honoured our District with a certificate of appreciation in recognition for 109 direct donations and a total of 444 donations for the District that included sponsored clinics.

In conclusion, I am pleased to report that the Craft is very active in each lodge in our District.

Temiskaming District – 7 Lodges

R.W. Bro. Karol W. Jodko-Narkiewicz

Our area is vast and our population is small for its size.

We have seven Lodges that "may" go to six Lodges through an amalgamation of two of the existing Lodges.

This may happen in the next Masonic year.

In my opinion, we have four areas to concentrate on. Recruitment, Finances, Attendance and Ritual.

Recruitment through participation in the Trade Shows of every town that holds them in the district and any other similar event that is attended by large members of the public. Also, to train the brethren who man these booths, in how to positively screen enquires and recognize potential new members.

Finances can be dealt with in a positive manner in one of three ways. Increase the membership, Raise additional funds through locally-held fund projects, Increase the dues - which sometimes has a negative effect if not properly explained and implemented.

Attendance can only be achieved when there is interest and enjoyment in its participation. Lodges have to become 'active'. The brethren have to be encouraged to 'participate'. Degree work is an excellent place to start and mentorship and the training of 'back-up' officers for chairs and charges is a good continuance.

Ritual, in my opinion, is the core of every Lodge. Have the pride to conduct the work of the Lodge according to Grand Lodge. Be 'quietly' pleased when a visitor praises the quality of work within the Lodge. Why do we continue 'exist? Our Motto can be stated as 'Making Good Men Better'. There can be no better example of this than us who are already here, showing by example, and becoming better.

Toronto Don Valley District – 22 Lodges

R.W. Bro. Isaac Lazar

The Toronto Don Valley District has 22 lodges, 10 in the York Masonic Centre and 12 in the Thornhill Masonic Hall. This is now the fourth year after the re-alignment of the 7 Toronto Districts into the current 5. The common elements that holds the lodge together from year to year is regards for the history of the lodge and active participation of its current brethren. The value of the district comes from perpetuating fraternal relations among the sister lodges and support to those in need.

One goal this year was predominantly on the social/fraternal relations between lodges and brethren. We sought to accomplish this goal by scheduling 5 social events, implementing a real time communication system and focusing attention to a community charitable cause. The social events were a social evening in the fall, a superbowl party, a sock-hop dance, a summer golf day and a monthly pub night. All open to family and friends. The real time communication system was updating and implementing a modern website and keeping the information current and up to date as well as having a broad based e-mail list available for general broadcasts. The district project which was the beneficiary of all the net proceeds from all these activities was "Elder Care" specifically, the CHATS organization of York Region and the Tony Stacey Center for Veteran Care in Toronto. The overwhelming support of the brethren to this project has provided for over \$30,000 to be divided by the beneficiaries.

Another goal was to provide sound education and instruction to at the junior officers of the lodge and the current and future installing masters. We hope to achieve this by conducting two Lodge's of Instruction which had educational sessions on the responsibilities of Officers and the Ceremony of Installation & Investiture. The overall condition of Masonry in the district is good and positive however it is spread somewhat thin over the 22 lodges and the many appendant bodies. Participation in the lodge is sporadic among the 25-50 age bracket due to family and business commitments however the dedication and participation of the elders keeps the lodges going and fill in the gaps. The lodges are moving forward on making their meeting more attractive to visitors by keeping to a "7:30 to 10" with the banquet hour before lodge. The presentation of all our rites and ceremonies can use a little practice and polish which can easily be accomplished by active participation and fraternal visitations. The financial viability of the lodges and the buildings in the district are strong and sound.

In my travels throughout the district, having come face to face with the master's and secretary's stress of inconsistent participation from month to month, meeting to meeting, I have come to the realization that contraction of lodges and the centralization of our brethren is the best way that we can build and grow on our successes while at the same time minimize our risks of failure. In the short term as the lodges find their way, it is my hope that lodge's partner up on their holiday, ladies night and other activities so that these activities do not fall prey or discontinued due to lack of participation. In keeping with the desire to foster and maintain Masonry as a code of conduct, a pattern of behaviour and a relevant way for an individual to live his life, we must look outward to making sure that we have strong, viable

and correct lodges able to pursue and perpetuate our craft in the lodge and out in the community rather than weal, isolated lodges serving the needs of their individual brethren.

Toronto East District – 20 Lodges

R.W. Bro. Thomas E. Norris

The Masonic year was exciting with the advent of many new initiates throughout the District. Lodges of Instruction along with the revised Book of Work and The Book of Installation along with the Bulletins on Protocol & Etiquette helped to raise the standards within most lodges, who echoed their use. However we still have a number who need help and the new eager members may be helpful. Visitations to both Installation & Official Visits were well attended. Our Masters, and Senior Warden's groups were active participants.

Our Blood Donors clinic is still very active and we had many members recognized for their donations along with our Volunteers who received awards from the managing group of Canada Blood Services at our District meeting in April. Our MasonicChIP programs have repeated in increased locations and processing more Children. A recent one for mature adults was most successful by Mimoso Lodge and is being considered for expansion. The Veterans Remembrance Day coverage was above average and another legion location was added in Claremont, ON. and attended by Brougham Union Lodge No. 269. Separate committees for each location will be required for 2010 locations. We completed two Habitat for Humanity builds in Apr/May and raised \$3008.

Several community minded events took place as well, including, Claremont's Winter Carnival, by Brougham Union who also had two free CPR courses for the public as well. Beaches ran their open door program in conjunction with their ChIP program once again. East Toronto Temple ran ChIP with success as well. Our Divine Service at Church of The Master was well attended. The Artisans, senior wardens group held the second annual BBQ & Corn roast at Wind Reach Farm, our District Charity.

We still have a few lodges struggling who should examine their future closely, viability is questionable. I have been impressed with the quality of our newly installed Masters as well as the new candidates who are actively participating in the work. I have been blessed with the support from this District, our PGL Officers, Masters and Brethren and have enjoyed every minute of my tenure.

Toronto H. Valley District – 20 Lodges

R.W. Bro. Andrew J. Turk

Due to the 5 Toronto Districts Realignment a few years ago, many lodges are STILL not familiar with each other. Attendance at Official Visits and installations remain weak.

This year's theme was called "Together" and I promoted this wherever I went. A NEW committee called "District Relations" was created. The chairman's duty was to assist and persuade the WM's, SW's and JW's to look INSIDE of the district when asking for assistance or assembling an installing Board. It was also an initiative to encourage the Brethren of the district to visit a lodge in a Temple (other than their own Temple) on the official Visit of the DDGM. This was a success and our district is much more congruent this year than ever before! We still have work to do, but we are definitely on the right path!

Events were plenty in THV and included 2 lodges of instruction, 1 Lodge of Discussion, 2 Dinner Dances, a Pancake Breakfast, a ChIPs Program, a Golf Day. A district project info night and a Divine Service assisted by the Grand Chaplain, and the Grand Master.

The District Project this year was "AMD" Age Related Macular Degeneration through the CNIB. This is the leading cause of blindness in people over 50, and many Brethren approached me to tell me about their family member who suffers from this disease.

Overall, the year for me has been wonderful and an experience I will cherish forever. Thank You.

Toronto West – 23 Lodges

R.W. Bro. John McClure

Masonry in the Toronto West District is improving at a slow steady pace. Protocol and Etiquette is also improving at a slow steady pace.

Of the 23 Lodges in the District, eight have increased their membership, eight have decreased and seven have remained the same. Many of the lodges have had an increase in new candidates this year; so next year's figures could show an increase in members.

Most of the books and records were in very good condition, properly maintained and finances regularly reported.

Peel Lodge No. 468 are a great fit with Toronto West and a good, sound Lodge, The lodge members always make a visitor feel welcome.

The Grand Lodge Programmes have been widely and effectively used in the District Lodges and these Lodges seem to improve the number of candidates and are able to keep older members busy helping the newer members stay interested and involved in Masonry.

My theme this year was the same as last year (Enthusiasm is Contagious - Catch it); leading by example seems to inspire all members to get involved.

We had one fund raising benevolent event this year, a theatrical night, which raised \$2296.00 for the District Charity. We intend to hold a Golf Tournament in June the proceeds of which will also go to the District Charity.

A Christmas Divine Service was held and over 80 Members, Families and Friends attended. We held two District Education events and The Lodge Resources Meeting that were well attended.

Thanks to our District Secretary David John Moss for his never-ending support, guidance and dedication I will always be grateful for having him at my side.

My Advisory Board consisting of six wise men and lead by R.W. Bro Geoffrey Bailey was a great inspiration for me to emulate.

This year has been a very fulfilling, challenging, rewarding and enjoyable for me. My visits to the Lodges have been made most enjoyable by the welcome received by the W. Master, Officers and Brethren.

Victoria District – 14 Lodges

R.W. Bro. John B. Gorrill

Victoria District is comprised of 14 lodges, consisting of 12 rural and 2 in an urban location, nestled in central Ontario's "cottage country". Our lodges range from 26 to 104 members, with the average being approximately 68, but regardless of the size they all have a very dedicated core group of members that ensure Freemasonry flourishes. This district is held in high regard for its' continued commitment to quality ritual and attention to proper protocol. We are currently experiencing a slow but steady increase in the number of young, enthusiastic men in several lodges, a much needed and welcomed situation to help off set the natural decline in numbers due to Deaths (24 this year), Demits and Suspensions. Hopefully this will eventually lower the number of P.M's in the chairs in some lodges.

All lodges own their own buildings and are in good to very good condition. Some lodges are fortunate to have tenants and / or rental income, which is crucial to their existence. Eleven lodges are either on the level or have five or less steps, two are on the 2nd floor and one is located on the third level. A great pride in maintaining their separate and distinct identities is very evident.

Visitation remains strong and a friendly rivalry is enjoyed by all while competing for the much coveted Victoria District Visitation Trophy generously donated by R.W. Bro. George Inrig. An average of 40 masons was in attendance at each Official Visit of the DDGM, and Installations around the district are equally well supported. It was a distinct pleasure to welcome the D.G.M., R.W. Bro. D. Garry Dowling, on the occasion of 125th anniversary of The Spry Lodge No. 406, Fenelon Falls, in September 2009 and to host a Grand Master's Reception in honour of M.W. Bro. Raymond S. J. Daniels, G.M., in conjunction with our District Ladies Night in May 2010. Rounding out the Masonic year was a conjoined Divine Service shared with our Sisters of the Order of the Eastern Star.

I am honoured and very grateful for the opportunity of holding this office in Victoria District.

Waterloo District – 15 Lodges

R.W. Bro. James W. Williamson

Waterloo is a district which is in transition. Some lodges are struggling - some because of no candidates some with too many, those with no candidates are assisting with degrees for those who have too many candidates. Waterloo took part in two lodges of Instruction and two workshops this year to try raising the bar in ritual and in lodge operations. Masonic education also plays an important part with setting the standards and many interesting discussions were a part of the meetings. This and a use by some lodges of the Grand Lodge programs has resulted in growth overall in Waterloo District. This District is a part of the Cornerstone pilot and many lodges have benefited by using this program. Continuing use of Grand Lodge programs is essential to have a positive effect on masonry in Waterloo District.

It has been a pleasure to represent our Grand Master in Waterloo District in these exciting times and I thank the brethren of the District for their support over the last year.

Wellington District – 12 Lodges

R.W. Bro. Earl L. Schneider

It has been my pleasure to serve as DDGM under the leadership of our Grand Master, M.W. Bro. Raymond S. J. Daniels. During my term in Wellington District as DDGM, we have had many great events; the Remembrance Day Parade in Guelph, presenting M.W. Bro. Ronald E. Groshaw his 50 year pin in his home lodge - Conestogo Lodge No. 295 in Drayton, our Masonic Service held in Palmerston United Church and the 7 Lewis Jewels presented in Irvine Lodge No. 203 in Elora to three prominent families who reside there.

Our Lodges in Wellington District are spread from Drayton in the north to Georgetown in the south with 10 Lodges in-between of which 6 Lodges are in Guelph. All these Lodges have made great strides this year with many of them having great success in getting caught up in their degree work; compliments to the newly installed Masters of the District and their Secretaries.

We are now experiencing many of our newly initiated Masons to be very young and eager to learn the work, while at the same time we have many senior Masons receiving long term awards for their dedication and service.

Our youth programs such as the DeMolay Chapter for our young men in the community and Job's Daughters for our young ladies are also having great success in the local activities.

There has been over \$50,000.00 granted for bursaries for our youth in the District in the past 30 years, Grand Lodge thanks the District for that.

Once again, many thanks to Conestogo Lodge No. 295 for giving me the opportunity to serve as your DDGM for 2009-2010.

I certainly would like to express my many heart warmed thanks to everyone in Wellington District and from outside the District for their support and many good times. I couldn't have done it without you.

I would also like to thank W. Bro. Allan Cunningham, my District Secretary this year, for all his efforts and companionship and also V.W. Bro. Dennis Fisher for all his help typing all my reports and e-mails and seeing that the proper offices received them on time; excellent work and job well done. Thank You.

Western District – 10 Lodges

R.W. Bro. A. Roger MacKay

Western District has experienced a healthy influx of young and capable men into the Craft. The amount of Degree Work required has challenged some of the smaller Lodges. Fortunately the response has been to call on assistance from the other Brethren in the area. Despite the distances (2 hours of travel one way) between the Lodges, the Brethren have responded in an exceptional manner. The Degree Work and attendance have both improved. A Seminar from Grand Lodge Resources was well attended and provided motivation and direction for everyone. More assistance from Grand Lodge to promote activities at the District level will enhance the Masonic Experience for the new Brethren.

All Lodges own their building and have their finances in a stable position. Membership is holding steady. Each Lodge contributes to the community in their own way by holding

social events that are open to family and friends. The Blood Donor and MasoniChIP programs are under way with the possibility of expanding in the future. Several Lodges have undertaken significant upgrades to their building. This has given ownership of the Lodge to the newer members who are doing most of the work.

With continued commitment to the Craft, Western District will stay in good stead.

Wilson North District – 11 Lodges

R.W. Bro. James C. Truscott

The majority of the eleven Lodges of Wilson North District are sound and enjoy good health, however, a few continue to struggle with membership and/or financial issues.

Five of our Lodges, were fortunate to have initiated ten members during this Masonic year, and six Lodges have yet to have a new candidate. In total, thirty-one degrees have been conferred.

While Friend to Friend has been given to priority within the Lodges of the District, the Brother to Brother, Mentor, and Officer Progression Programmes need to be given somewhat equal consideration.

The implementation of the Cornerstone Project in Wilson North District has provided positive interest among our members, as their Lodge strive to achieve that designation.

On the standard of performance of the Ritual, the stronger lodges continue to be self sufficient in delivering excellent work, while others tend to deliver acceptable work often supplemented by importing expertise from other Lodges.

The majority of Lodges actively participate with community involvement in events such as Blood Donor and MasoniChIP clinics, support for Habitat for Humanity, highway litter clean-up, assistance at local events, presentation of public school achievement and citizenship awards, annual bursaries to high school students, sponsorships to various youth organizations, hosting barbeques, golf tournaments, and Murder Mystery Dinner Theatres, and wreath laying at the Community Service of Remembrance. Our Lodges actively participated in a recent District Open House.

It is a pleasure to have represented our Grand Master, and to have served the Lodges of Wilson North District. I thank the brethren of this District and those of Oxford Lodge in particular, for having afforded me this wonderful opportunity.

Wilson South District – 10 Lodges

R.W. Bro. Phillip G. Bowman

The condition of Masonry in Wilson South District is in reasonably good shape. Numbers are still declining slowly but the number of candidates is increasing. The quality of the Ritual is good to very good. Degree Work has been conducted in all the lodges. Protocol and etiquette is generally well done however there is definitely room for improvement. Finances in lodges is generally sound. Low attendance at meetings appears to be universal problem in Masonry. There are exceptions to this in lodges where the new masons and Past Masters are more active in the lodge. The lodge who exemplifies this the most in this district is Vienna Lodge No. 237, in Vienna.

There has been an increase in the interest and use of Grand Lodge programs. Attendance at Lodges of Instruction and Grand Lodge presentations however needs to improve. "The pilot project "the Cornerstone Project" generated a lot of interest. Eight of the ten lodges applied for this project. Lodges from Wilson South will be one of the first to receive the designation of a "Cornerstone Lodge". There is a need for all the lodges to use the Grand Lodge programs on a continuing basis. The lodges that have used them find that they do work.

It is with great pride to report that all the lodges of Wilson South became involved with the Grand Master's project called "Coffee for the Troops". With short notice and a short time period the lodges responded with donations, some very generous. It was an honour to be part of this initiative. To have an opportunity to afford some small measure of comfort to the men and women who are in harms way on a daily basis.

I thank the District Secretary, District Chairman, Lodge Secretaries, Worshipful Masters, lodge officers and brethren of Wilson South District for the time and effort they put in to

making this year successful. It has been an honour and a privilege for me to represent the Grand Master, M.W. Bro. Raymond S. J. Daniels and to represent the brethren of Wilson South District.

Windsor District – 7 Lodges

R.W. Bro. Robert J. Page

The most notable event in my district was the amalgamation of Ontario Lodge No. 521, Dominion Lodge No. 598 and Palace Lodge No. 604 on November 2, 2009. The Grand Master presided as a new vibrant Trinity Lodge No. 521 combined the strengths of the former three.

Windsor District held its inaugural ChIP program on May 1st and 2nd. It was an overwhelming success with 443 children processed. Over 30 volunteers and several corporate sponsors worked tirelessly. Plans are already underway for a second one in the fall with intentions to make it an annual event.

Among the more notable charitable events, were “Warm Hands - Happy Hearts”, Time Horton’s Camp Day and the annual Goodfellows’ Paper Drive. Many Windsor children benefited from donated mittens and others will be able to attend a summer camp as a result. The Goodfellows assist those in need year round.

The annual Divine Service was re-instated in a church setting this year, after being held at the Masonic War Memorial for several years. It provided an opportunity to educate the public about Masonry. A Memorial Service is also scheduled for June.

A Recognition Night was held to celebrate a rather unique occurrence. During 2008-2009 Masonic Year, eleven Brethren of Windsor District held the senior positions in the region’s Masonic organizations. They represented Grand Lodge; Grand Chapter and Grand Council in the York Rite; the Ancient and Accepted Scottish Rite; and the Ancient Arabic Order of the Mystic Shrine.

A Dedication Ceremony was held April 22 for a new inlaid Mosaic Pavement in Blue Room of our Temple, involving Great Western Lodge No. 47 and Trinity Lodge No. 521, oldest and newest lodges respectively.

A Grand Lodge of Instruction, headed by M.W. Bro. Donald Mumby was held for the region in October. Many Windsor District officers and members attended. It has been gratifying to see the level of work in the lodges improve as a result of the lessons learned.

The privilege of serving as the Grand Master’s Deputy for the Windsor District is an honour for which I will be eternally grateful.

York District – 19 Lodges

R.W. Bro. Richard B. Morreau

Meeting the challenge of our Grand Master “To Raise the Bar” of our performance of the Ritual and overall proficiency has, for most of our lodges seen positive results. York District held a “Lodge of Instruction” seminar lead by our Grand Lodge Committee team which was well attended, naturally lodges who would benefit the most were not in attendance. The Grand Lodge team of the Lodge of Resources also put on a seminar which was informative and well attended. Visitation by the Wor. Master, Officers and senior members of the lodges would set a needed example for the newer and younger members to also visit sister lodges.

New for the York District is our own website, www.yorkdistrict.ca, whereby the members can access information and submit articles for education or current events within our lodges. Through our Long Range Planning committee a Mission and a Vision statement has been established. A questionnaire has been sent to all the lodges to gather information for the Planning Committee to establish strategies for going forward into the future.

The involvement of the Lodges in their communities has definitely raised public awareness and created a positive impression of the Craft. District events such as; Robbie Burns Night, Curling Bonspiel, Ladies’ Night, Divine Service and Golf Tournament have continued to bring York District members, friends and families together for fun and fellowship.

This year in York District we have three Lodges celebrating 150th anniversaries; Union Lodge No. 118, The Rising Sun Lodge No. 129, and Richardson Lodge No. 136. The Lodge of Fellowship No. 702 will be celebrating its 50th year.

I have also had the honour of presenting to a number of our Brethren a 25, 50 and 60 year service pin for loyal and dedicated service to the Craft. The Fraternal Fellowship enjoyed by myself and the District Secretary, W. Bro. Lionel Sandiland, was excellent. We were received with warmth and proper protocol and etiquette wherever we went. The support of the Worshipful Masters, as well Present and Past Grand Lodge Officers and Brethren of the District was heart warming and very much appreciated.

This year has been an honour for me to represent the Grand Master and a privilege to serve the brethren of York District.
